Here's Looking At You

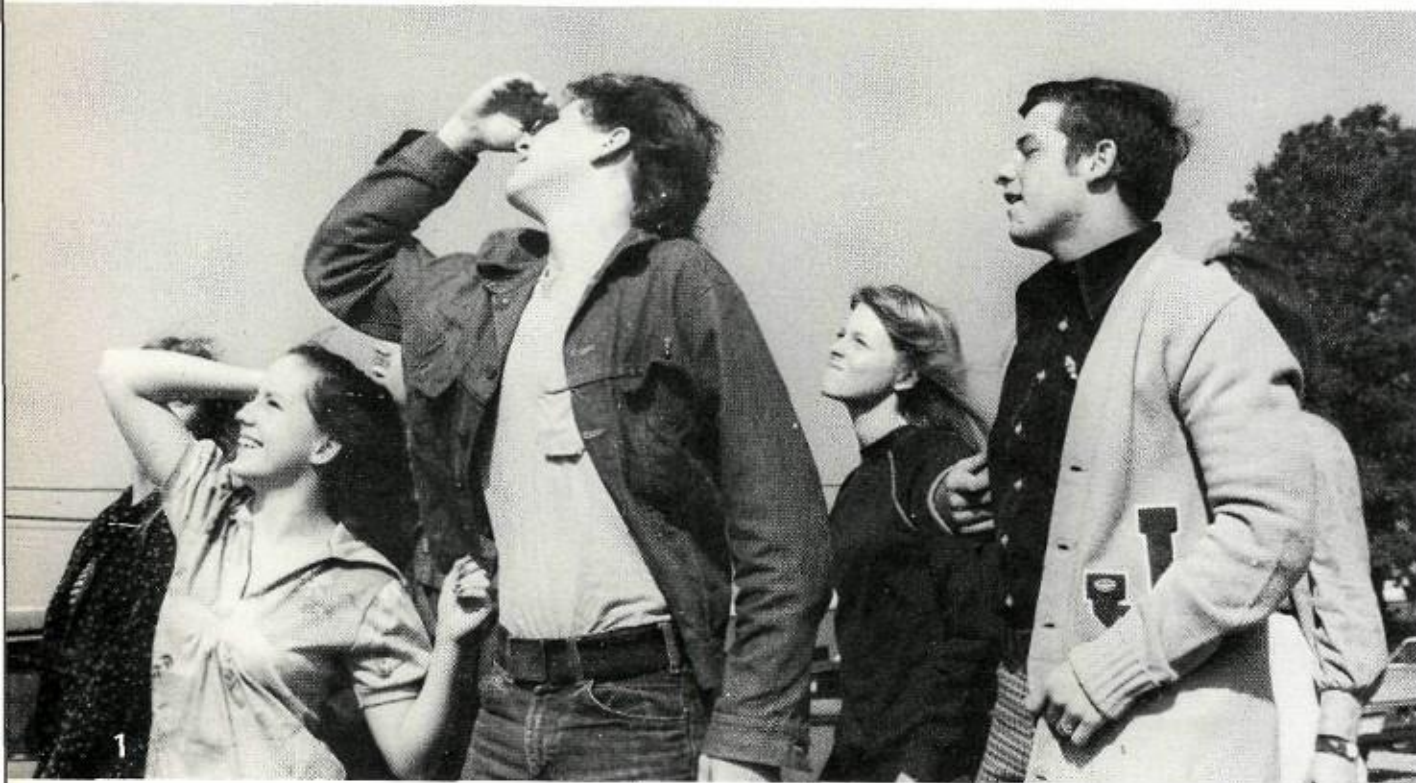

JHS

1976 Red Devil

Jacksonville High School
Jacksonville, Arkansas
Volume 26

Looking at the beginning

With alarm clocks ringing, and people jumping out of bed to quickly eat and get dressed, you may wonder what is going on. Well, this IS where it all began.

On August 25, 1975, the summer "slumberers" arose approximately three hours earlier than they had been for the past three months. What's the great occasion? School, of course! If you look back, the first day wasn't too bad. But, what about every day after that?

Getting back into the routine of rolling out of the sack early was hard, but we all survived. We survived just as we have every other year since the 1st grade. Here's our story as we look back.

Whether it was by car, cycle, bus, or legs, most of us managed to make it here the first day to pick up our schedules. For the returning students it was quite a new procedure. Instead of Senior, Junior, and Sophomore orientations, the students waited in long lines to receive their courses for the coming year. The majority of the people were happy, but as usual, some weren't. The counselors did their best to quickly straighten the problems out.

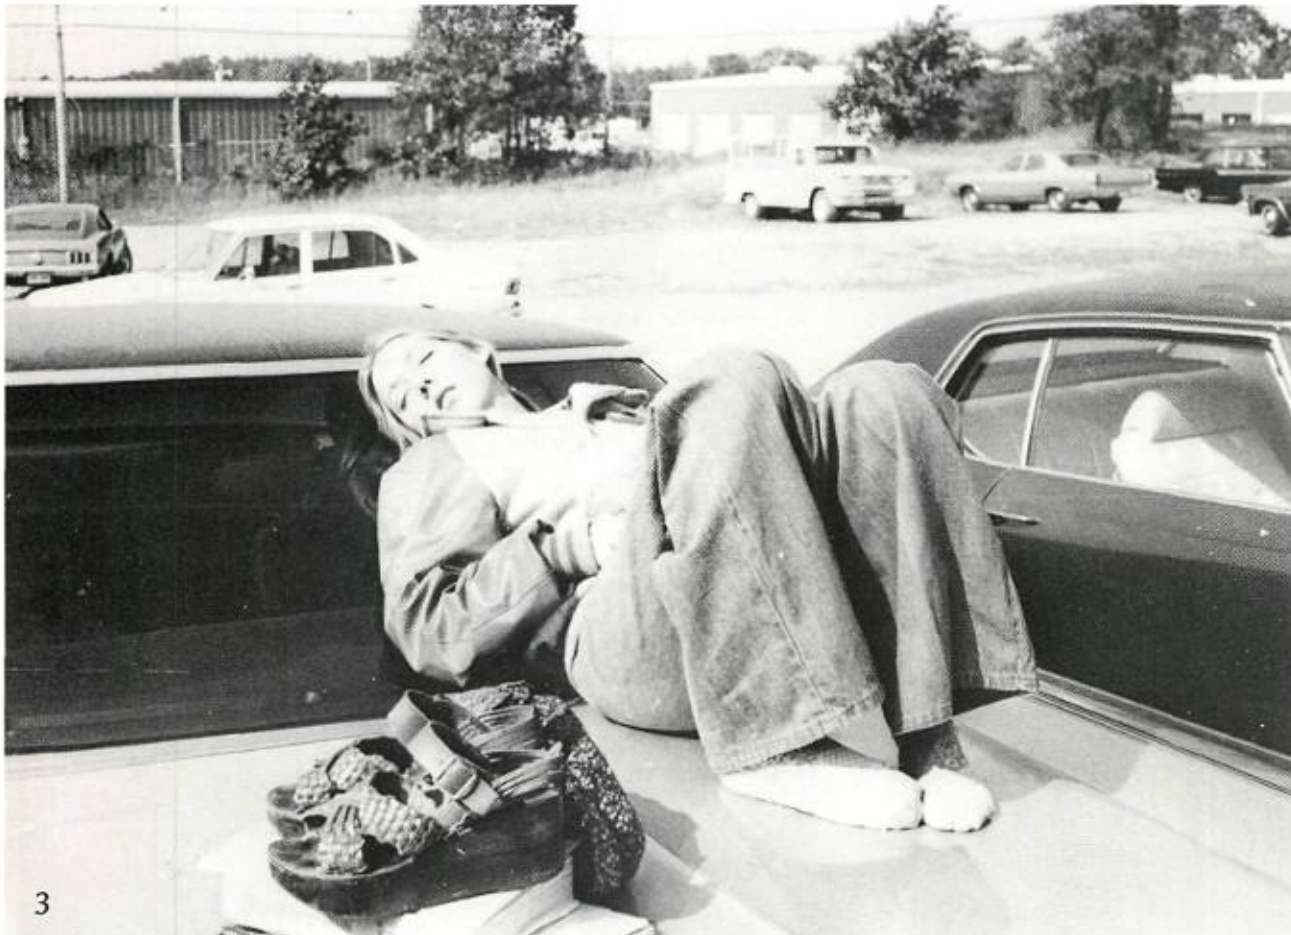

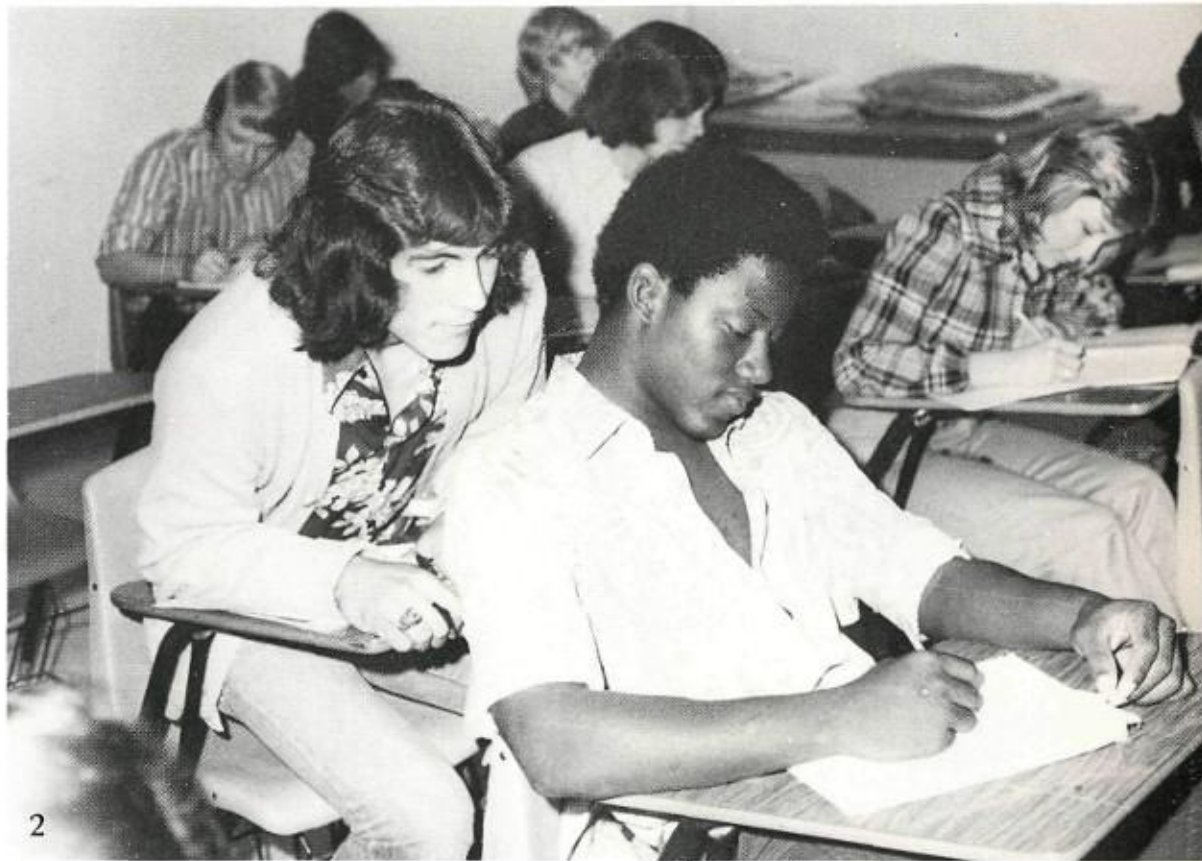

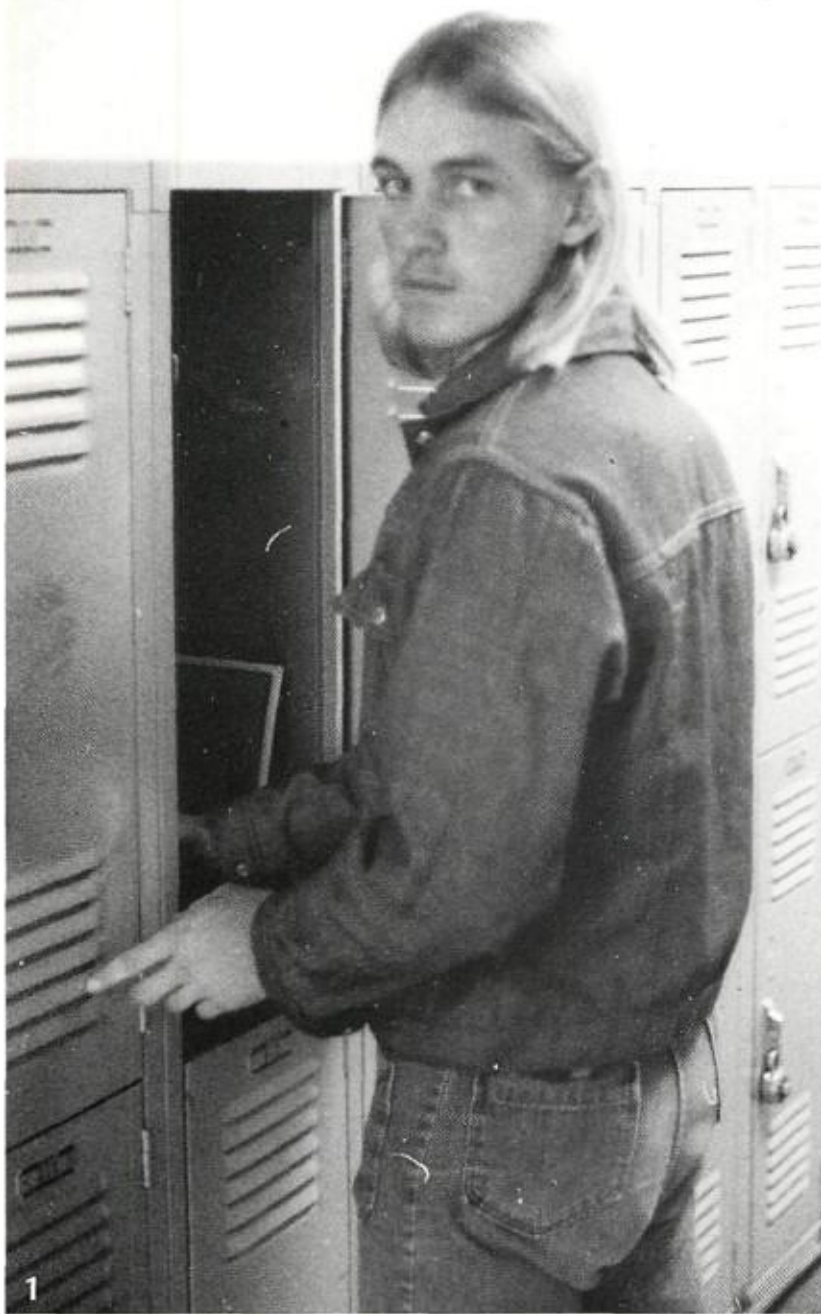

After gaining a couple of hundred new students this year, the need for expansion at JHS was great. As a result, the locker bay was dissolved with the lockers being placed in the corridors and a few scattered out on the main ramp. The old locker bay was made into a study hall and two storage rooms. One of the storage rooms is now used by the juniors for their daily candy sale, their main money making project of the year.

The lockers were assigned through the 4th period class, with school books following close behind. Then came homework and tests. After the first week or so of school, most of the Seniors were described as having a bad case of "Senioritis." The only cure was graduation, which wasn't until May 27, 1976. Many Seniors found relief in reminiscing about their fun in the sun.

1. "Here's our story as we look back" Juniors, (left to right) Misty Edwards, Kelly Twyford, Terry Pettigrew, and Rocky Mantooth "look back" to the beginning of school. 2. " . . . the students waited in long lines to receive their courses for the coming year." After receiving her schedule, Senior Patty Howard carefully checked it over to make sure that everything was in order. 3. "Whether it was by car, cycle, bus, or legs, ..." John Dillon displayed his motorcycle and Junior Pam Meddress showed her legs while sitting on Senior David Moran's car, with Mr. Hardcastle's bus in the background.

1. "The lockers were assigned through the fourth period class, ..." Senior Ron Bee places more books in his locker in C corridor. 2. "Then came homework and tests." Once the school work piled up, Junior Tony Tademy (front) helps out Senior Bobby Alcon in Mrs. Martin's composition class. 3. "After the first week or so of school, most of the Seniors were described as having a bad case of 'Senioritis'." Once discovering a few minutes to spare, Senior Sharon Reilly catches up on some sleep during her lunch hour.

Looking at the summer

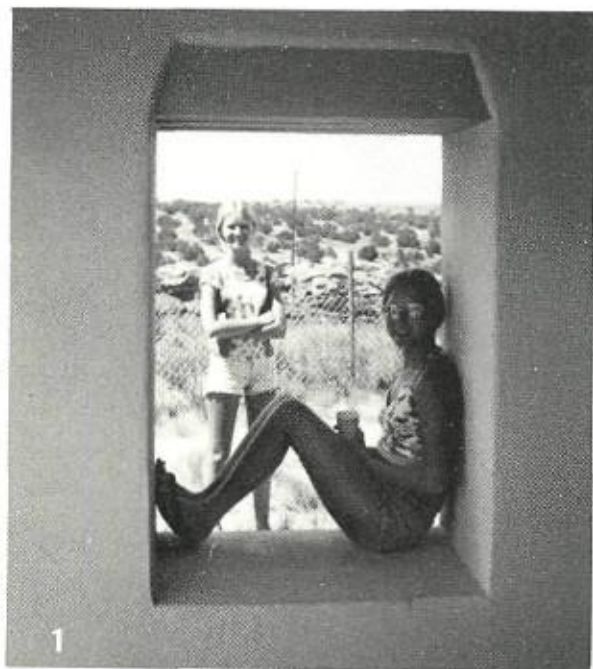

Remember the summer? It was days of cut-offs, bathing suits, suntan oil, tennis rackets, picnics, frisbees, and parties.

After fitting all of these activities around a job, there was still time to stop and look at a movie. And what a summer for movies. On the very tip-top of the agenda was the thriller "Jaws." A movie that took five months to film instead of two, and budgeted \$8 million instead of \$3.5 should pay off well to author Peter Benchley and producers Zanuck and Brown. Paying off is just what it did. After the movie was released, the "Jaws" craze struck. It was hard to go for a cool dip in a pool or lake without someone bringing the subject of sharks up. Soon "Jaws" knick-knacks such as t-shirts, sharks teeth strung on a leather string to hang around the neck were being looked at and bought everywhere.

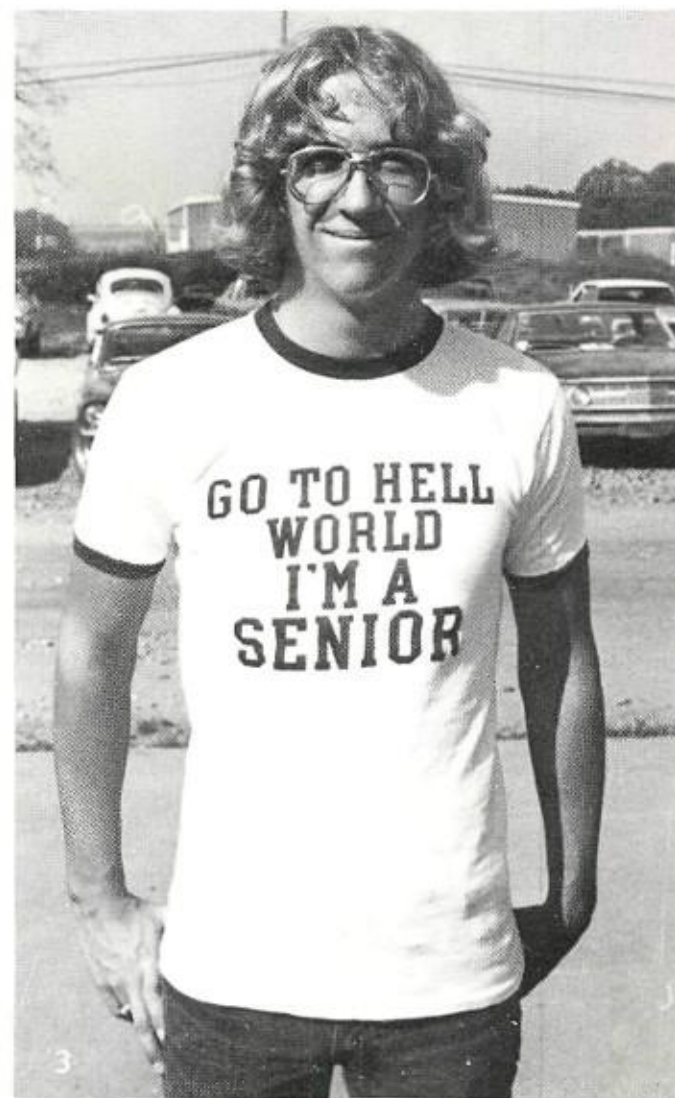

In October, you think the craze would be dying out, but this wasn't the case. At the State Fair, a booth was set up to win stuffed sharks. If that's not enough, then how about a shark costume for Halloween?

But let's not rush ourselves through the summer. The major event of the three hot, sweltering months was the fourth of July. Along with the usual firecrackers, cherry bombs, and bottle rockets, our nation officially began its bicentennial celebration. Most everyone went on some type of outing, such as a visit to Greers Ferry Lake for a swim and picnic, or to Burns Park with a chance to go on a hike and look at the scenery making sure to get back to a shaded spot in time for lunch; or maybe it was a family reunion. There was a party atmosphere everywhere, but then there was good reason to be.

So here we are, back at the beginning of school. It was a year chocked full of red, white, and/or blue, while the nation prepared for its bicentennial. The ROTC flag corps presented the colors at the beginning of every pep rally with the whole school united to repeat the pledge of allegiance. It seemed to bring about a sort of closeness between all students. These two factors played a large role in the sudden surge of patriotism.

1. While on vacation, Senior Leslie Moilanen rests on a window sill. 2. "After fitting all of these activities around a job, ..." Senior Charles Hill spent part of his summer working at Farrell's Restaurant at McCain Mall. 3. After entering their twelfth year in school, most Seniors develop a special kind of pride. Ken Grumbine lets everyone know how he feels about being at the top.

1. While on her break at Long John Silver's, Senior Gina Linne enjoys some fish and chips. 2. Senior Cindy Meddress pulls weeds during a clean-up project at JHS. 3. "... played a large role in the sudden surge of patriotism." Juniors Ronny Henderson and Linda Munnerlyn from ROTC displayed the colors at the beginning of every pep rally. 4. Halloween brings out the "beast" in Senior Dean Schoenborn.

"The Key Club played a close second by getting an old firefighters bell . . ." 4. Senior Richard Hartman models his "America, Try It You'll Like It" T-shirt.

With our school colors being red and white, we were already two-thirds of the way to total patriotism. Besides, with a little blue paint, who knows what could happen. The majorettes kept up the RWB (red, white, blue) tradition by purchasing uniforms in those colors. The Key Club played a close second by getting an old firefighters bell and painting it red, white, and blue with a '76 on it. Its sole purpose was to ring at football games when we made a touchdown. The bell got quite a lot of use by looking at our football record.

Student Council must have paid a fortune this year for red, white, and blue paint. They made these colors of posters advertising major school events for everyone to look at. One especially appreciated is the poster for the annual Senior Color Picture (pgs. 162-163). The sign encouraged everyone to wear red, white, and blue for the picture, and by the looks of it, the poster's advice was well heeded.

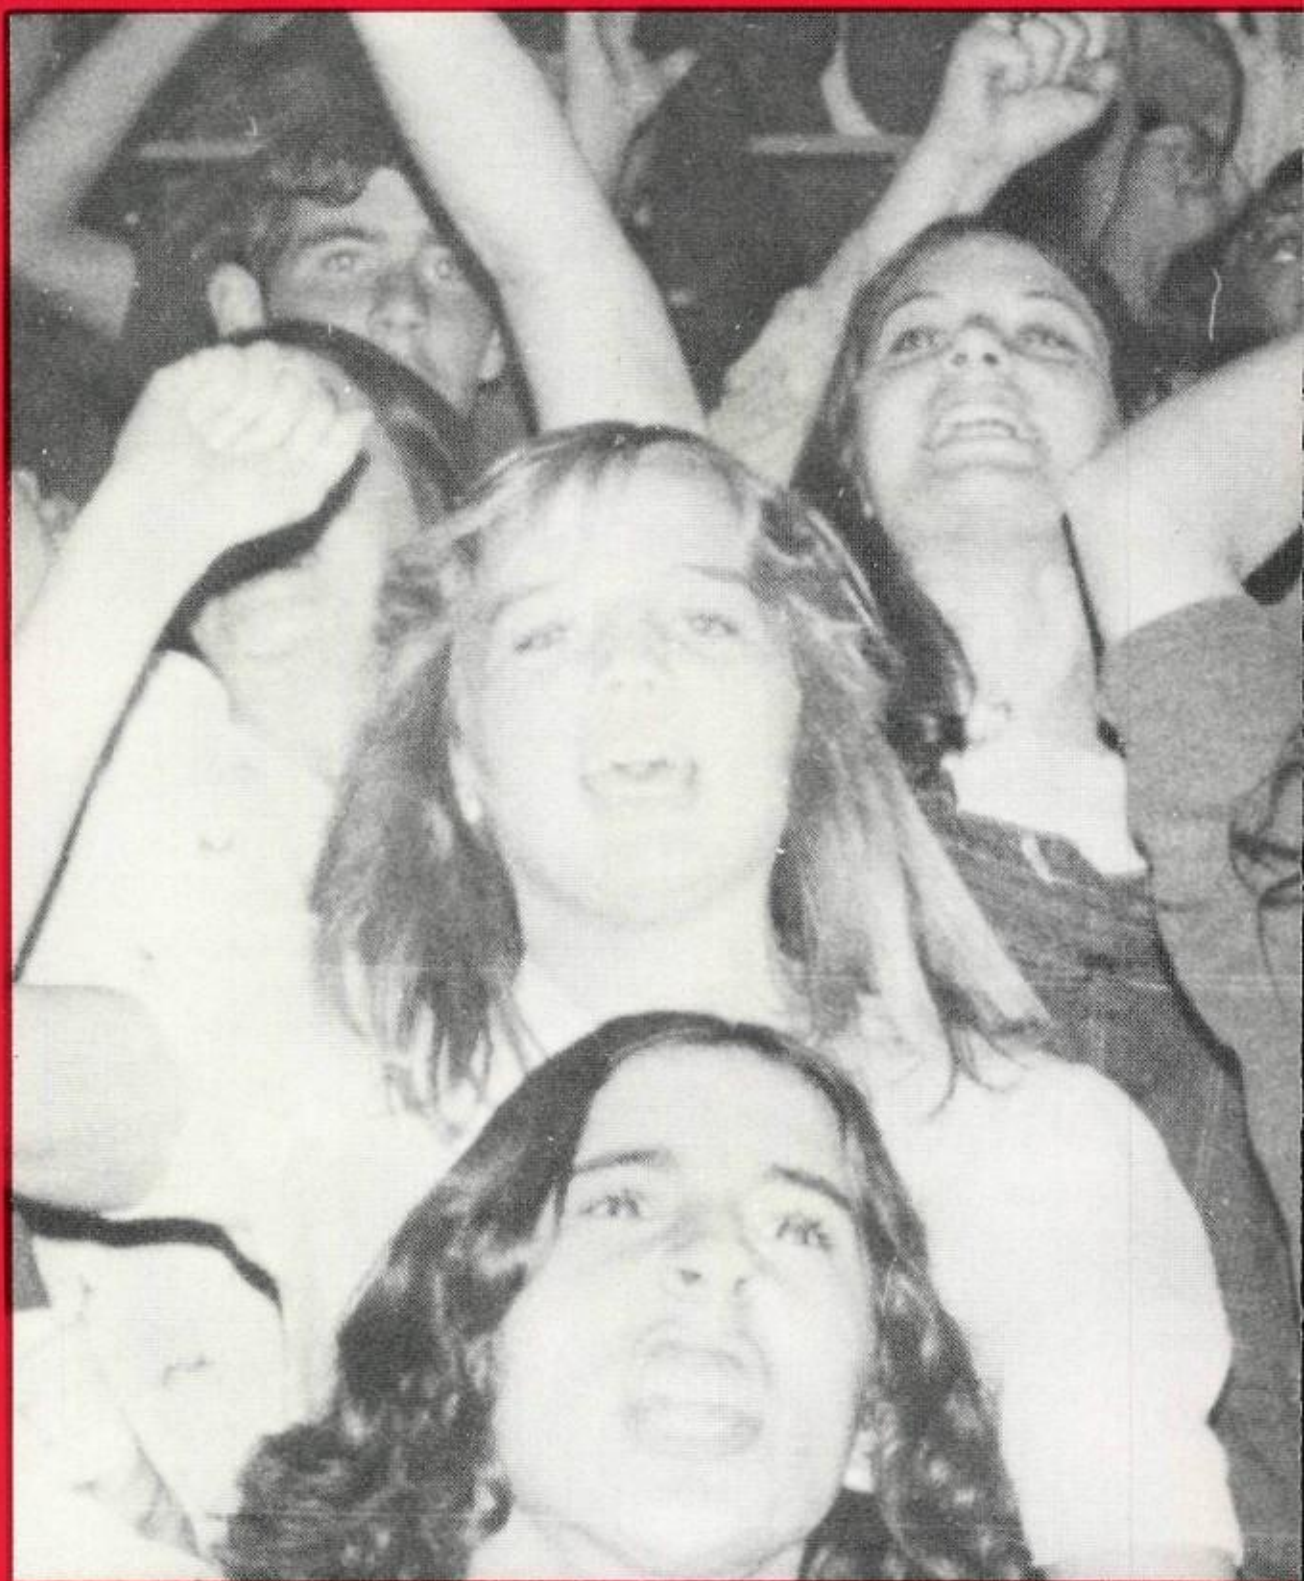

With all this talk of the bicentennial and past history, we decided to get on the ball and write our own history book.

So here's looking at you JHS, with the Red Devil 1976.

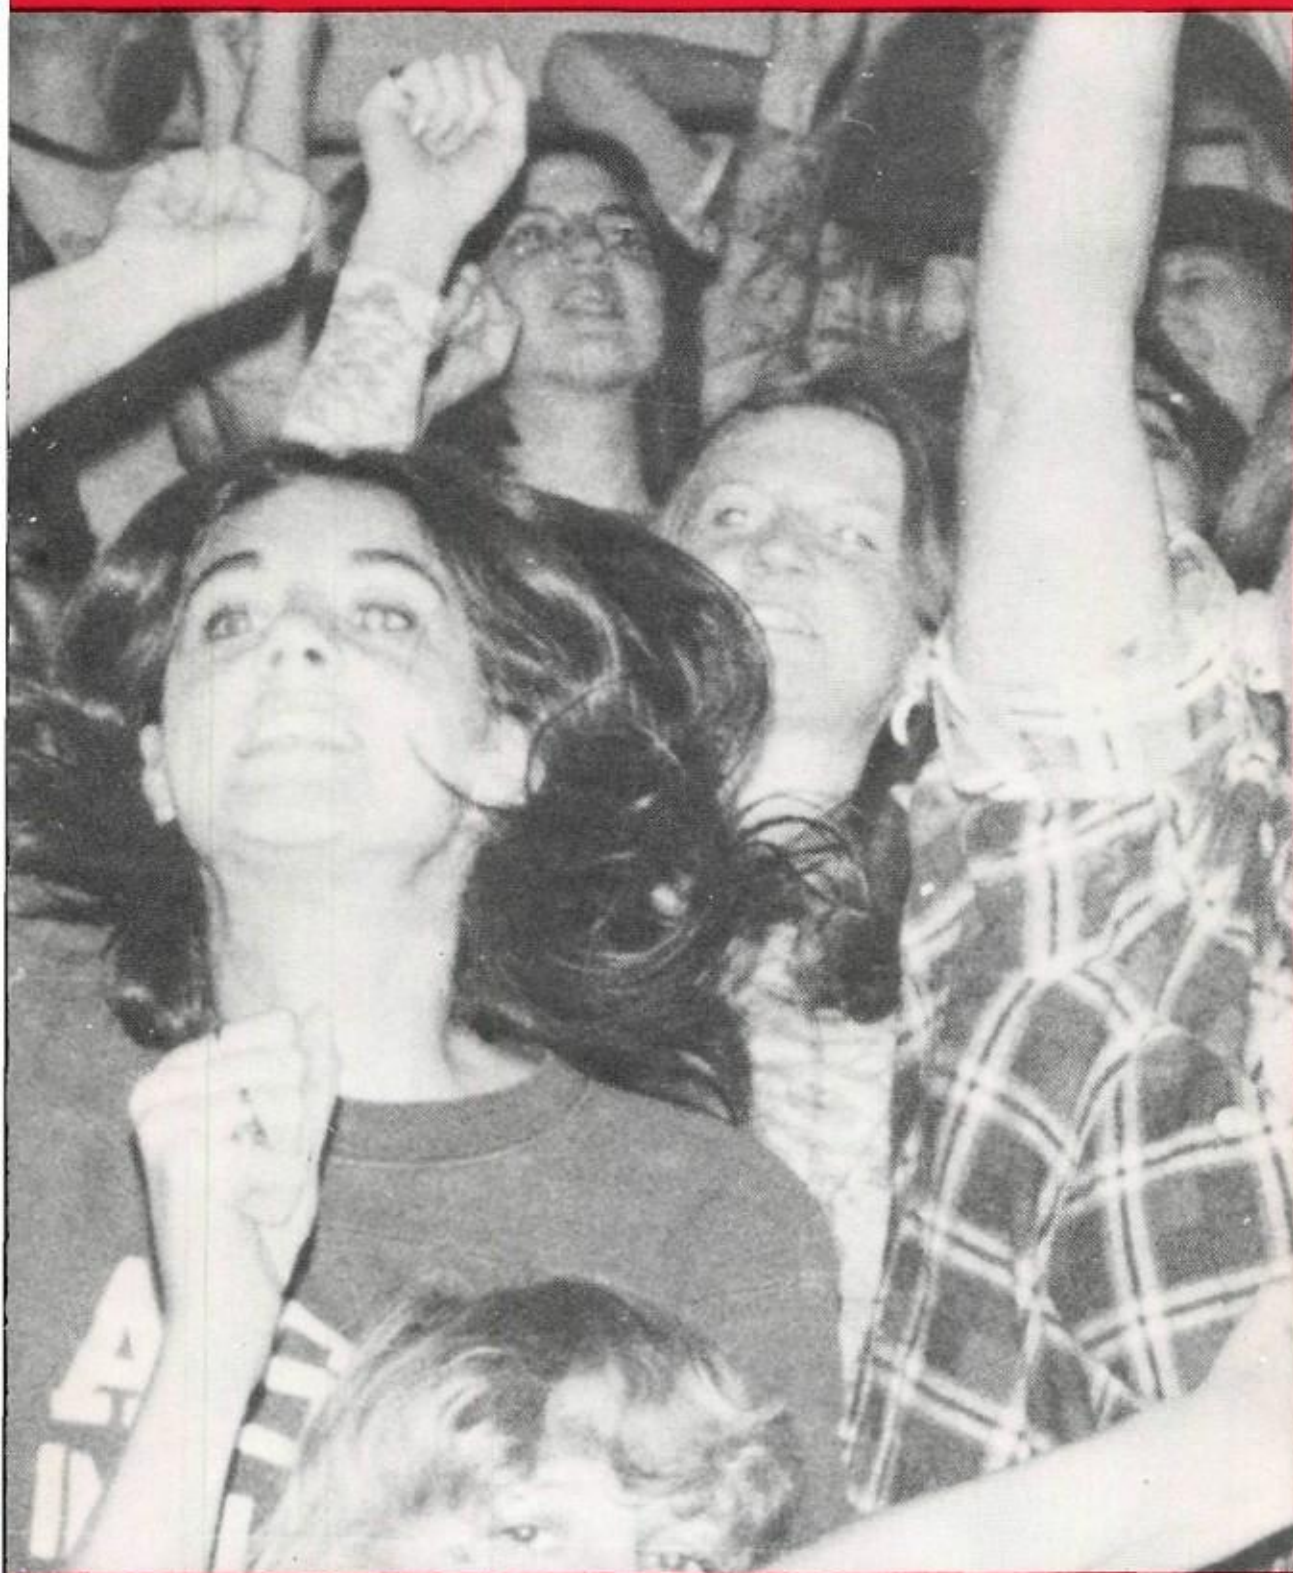

1. "... the 'Jaws' craze struck." On the day of the Senior Color Picture, Leslie Moilanen shows off her shark. 2. This red 76 was made for last year's Junior Prom. The Seniors of this year brought it back to life at the annual Senior game. 3. "Student Council must have paid a fortune for red, white, and blue paint." This poster was made by Student Council as advertisement for the picture on pages 162-163. 4. Showing support for their class are some of the Seniors of 1976.

Peep at Student Life

Homecoming, Showdown, ...

During this Bicentennial year, we at JHS probably have been made more aware of our past heritage than any other class preceding us. Because of this year, we are proud to be the start of a new future but realize that we will one day be part of the past.

The students of today have been given a sturdy foundation through schooling, on which to build their lives. As we stand looking at the present and the days past, the future is slowly catching up with us. Thus, we are continuously looking to and planning for our future while yet living each day to its fullest.

Even though we may sometimes meet with adversity, like our forefathers, we straighten our shoulders, hold our head erect, and continue on our chosen course. To our future world, we say, "Here's looking at you!"

KAMPUS

1. Clipping the bushes are Richard Hartman and Jacqui Henderson. 2. Mike Fortson plays "ham" on Mr. Lester's lawnmower. 3. Mrs. Whatley, co-sponsor of Student Council, watches as Mr. Lester, JHS principal, sprays the bushes. 4. Helping to pick up trash is Sandra Brown. 5. Pam Janssen and Nancy Matthews clean up behind the lockers. 6. Washing windows is Mrs. Davidson, a JHS English teacher. 7. Taking a rest are counter-clockwise Sarah Mills (on crutches), Debbie Ray, Nancy Matthews, Becky Reed, Jeanne Hobbs.

KLEAN-UP

On a crisp and cool Saturday morning, September 27, 1975, the Service Committee of Student Council sponsored a "Kampus Klean-Up" to beautify the JHS campus. Over forty people attended the project with sixteen clubs being represented.

Among the tasks undertaken on that special Saturday were edging and mowing the grass, clipping the bushes, sweeping, pulling weeds, and removing other debris from the grounds. Special thanks go to Mr. Lester, our principal, for loaning us his riding lawnmower, and helping to mow the grass.

The following are quotes by some of the people in charge of "Kampus Klean-Up."

Mr. Lester—JHS Principal "Greatest thing that ever happened around here. We ought to have one every two weeks, and I'd be there to help."

Debbie Ray—Service Committee Chairman "I was happy with the turn out of all the students and clubs."

Mrs. Whatley—Co-Sponsor of Student Council "There was good participation on the part of all clubs. I feel that this is a compliment to the club leaders and sponsors, and shows that there is a concern for the appearance of JHS."

1. Removing rocks from the driveway are Bruce Ray, Vaughn Neely, and James Beasley. 2. Injuries didn't stop these Student Council members from attending the "Kampus Klean Up." Top row: Janene Bryant, Terry Stanford, and Jacqui Henderson. Bottom row: Tim Head, and Matt Stewart. 3. Before calling it a day, most of the people that attended took time out for a picture. Bottom row: Mike Fortson, Richard Hartman, Jov Rounsville, Carmella Smith, Jeanne Hobbs, Patti Havens, Nancy Matthews, Becky Reed, Janene Bryant, Pam Janssen, Sarah Mills, Sandra Brown, Erlene Temple, Loretta Wagon, Paula Throgmorton, Jacqui Henderson. Top row: Mr. Stueart, co-sponsor of Student Council, Mr. Lester, JHS principal, Jeff Henderson, James Beasley, Jim Stanford, Bruce Ray, Terry Stanford, Ronald Breeding, Matt Stewart, Karen Mills, Tammy Jones, Pat Bevil, Debbie Ray, Tim Head, Janice Mitchell, Cheryl Gonterman, Sharon Reilly, Greg Bollen, Vaughn Neely, Mrs. Davidson—JHS English teacher, Mrs. Whatley—co-sponsor of Student Council, Greg Love.

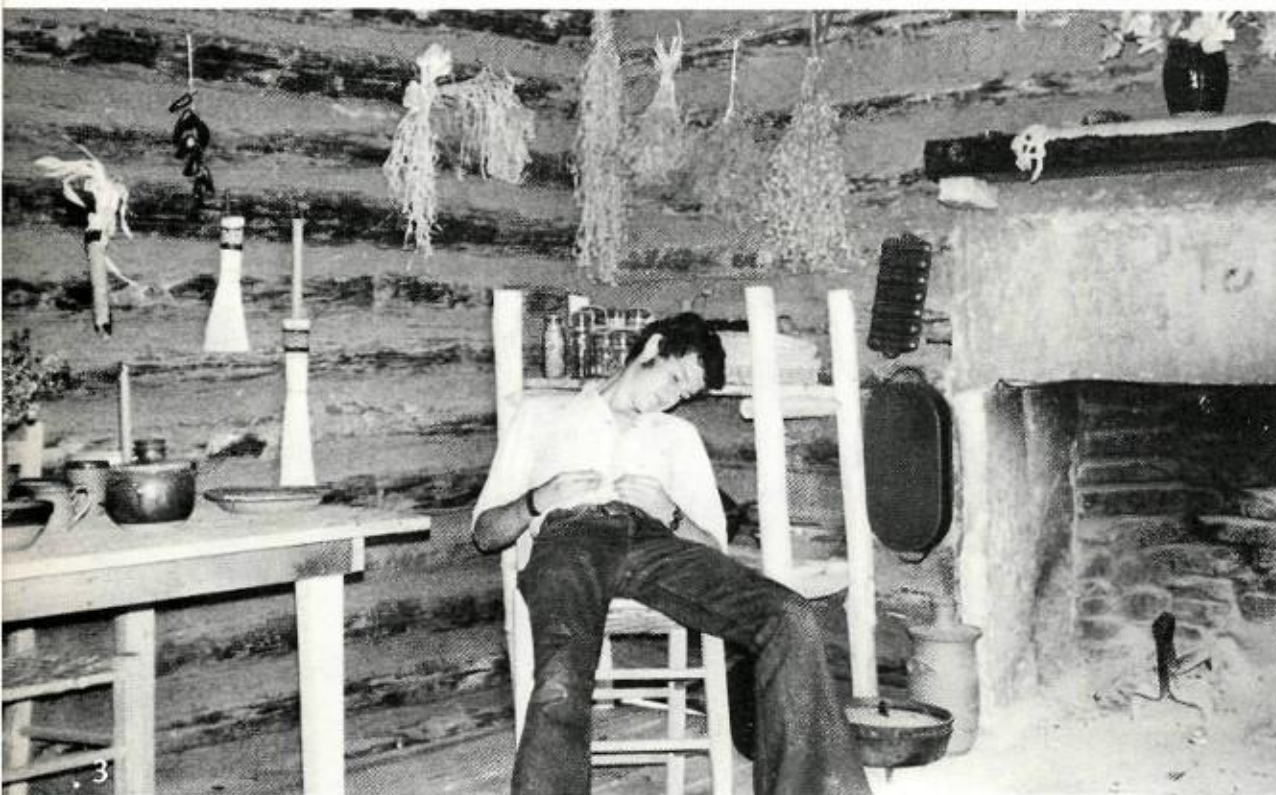

Time To Be Fair

It is a cool, crisp, autumn morning. You wake up half asleep and turn the shower on. You pick out your favorite jeans, comfortable shoes, and a western shirt. When dressed, your friends come by, all piling in one car; then you're off for the Arkansas Livestock Rodeo and Fair. When you arrive, it is time to look for a good place to park, but you end up parking two or three blocks away which is cheaper anyway. When you get to the front gate, there stands before you the vast midway consisting of old and new.

No matter what age or size, everyone can enjoy the fair. 1. Teresa Stutsman sits watching the crowd finding it as interesting as any side show. 2. The crowd heads on down the midway toward the main rides. 3. The large ferris wheel stands as a skyscraper from a distance. 4. Tents and other buildings line the way for all the side shows. 5. One thrilling ride is experienced by Mr. Hendricks, a teacher at Jacksonville High. 6. The entrance to the great midway seems to empty in the early afternoon. 7. Two Jacksonville students, Shelly Goforth and Laura Sager, enjoy the sights as they walk through the fair grounds. 8. After a rough time of winning prizes, Dana Johnson, Glen Roy, and Lynn Roy decide to take a short breather.

1. The Ozark Folk Center's lawn is invaded by these JHS students: (bottom row) Charles Hogue, Keith Nash, Tom Simpson, Jeff Hollis, and Ricky Brim. (second row) Kim Descoteau, Cindy Quinnelly, Patti Havens, and Diane Sutton. (top row) Bonnie Brown, Karla Boyd, and Liz St. Martin. 2. In the Welder's Shop, Tommy Gannon learns the hard way of welding metal. 3. Ricky Brim sleeps in a log cabin completely made by the people at the Ozark Folk Center. Everything in the picture was handmade by the people that work there. 4. On the way to the Ozarks, Kathy Cox and Faith Dorsey stop for a coke and to stretch their legs at a nearby gas station. 5. Before stopping to eat supper, the group crowds together in front of a log cabin: (front row) Jeff Hollis, John Bell, Susan Black, Liz St. Martin, Jim Houser, Keith Nash, Tommy Gannon, Kathy Cox, Faith Dorsey, and Terri Dodds. (second row) Ricky Brim, Cindy Meddress, Charles Hogue, Diane Sutton, Tom Simpson, Bonnie Brown, Cindy Quinnelly, Patti Havens, Karla Boyd, and Kim Descoteau.

DAY IN THE OZARKS

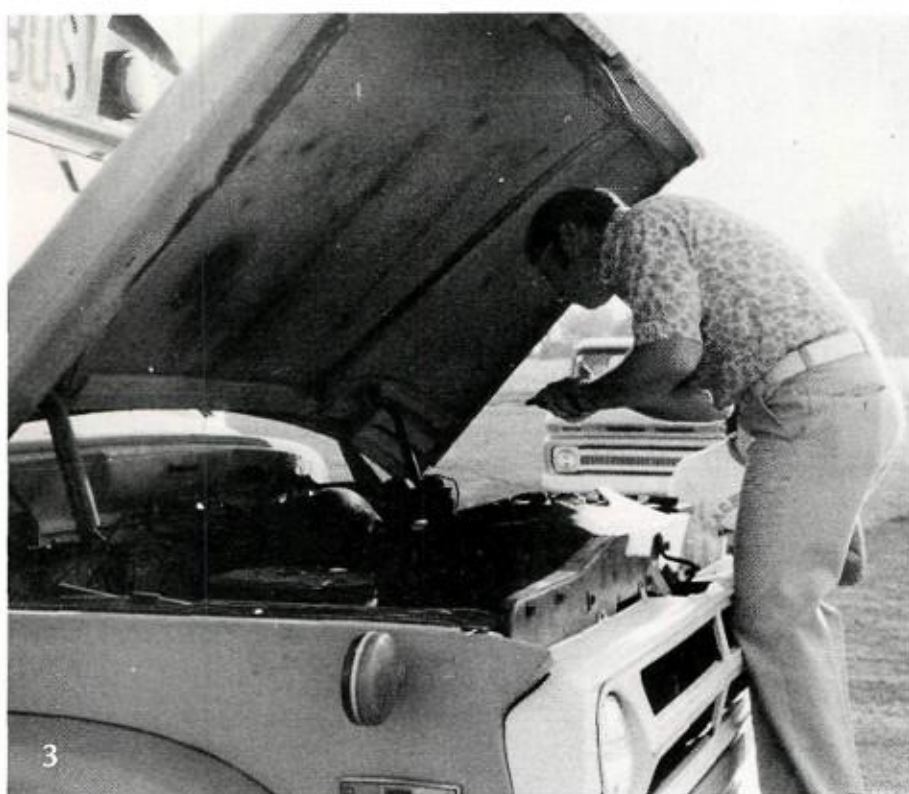

In early October, while the brilliant colors of Autumn filled the Ozarks, students of the Humanities and World Cultures classes traveled to the Ozark Folk Center.

While there, they visited with natives of the mountain culture, and participated with them in some of the native crafts, such as basketweaving, pottery making, blacksmithing, candle making, and the cooking of hominy in an old wash-pot. In the evening, a folk music concert at the center was invaded by the enthusiastic students who were anxious to show off their new-found skills in Ozark "jig-dancing."

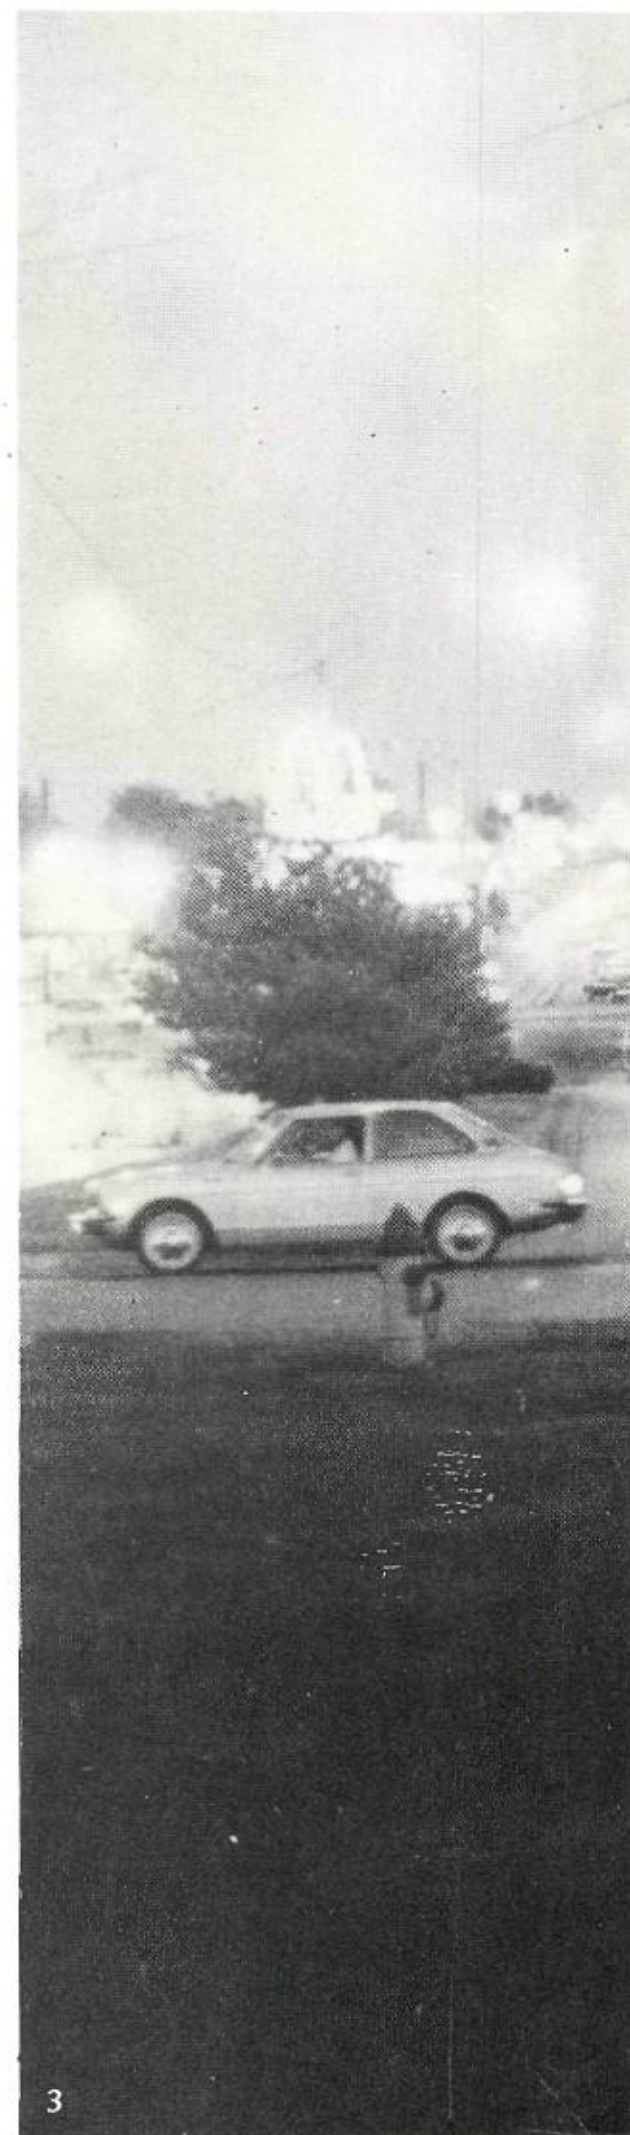

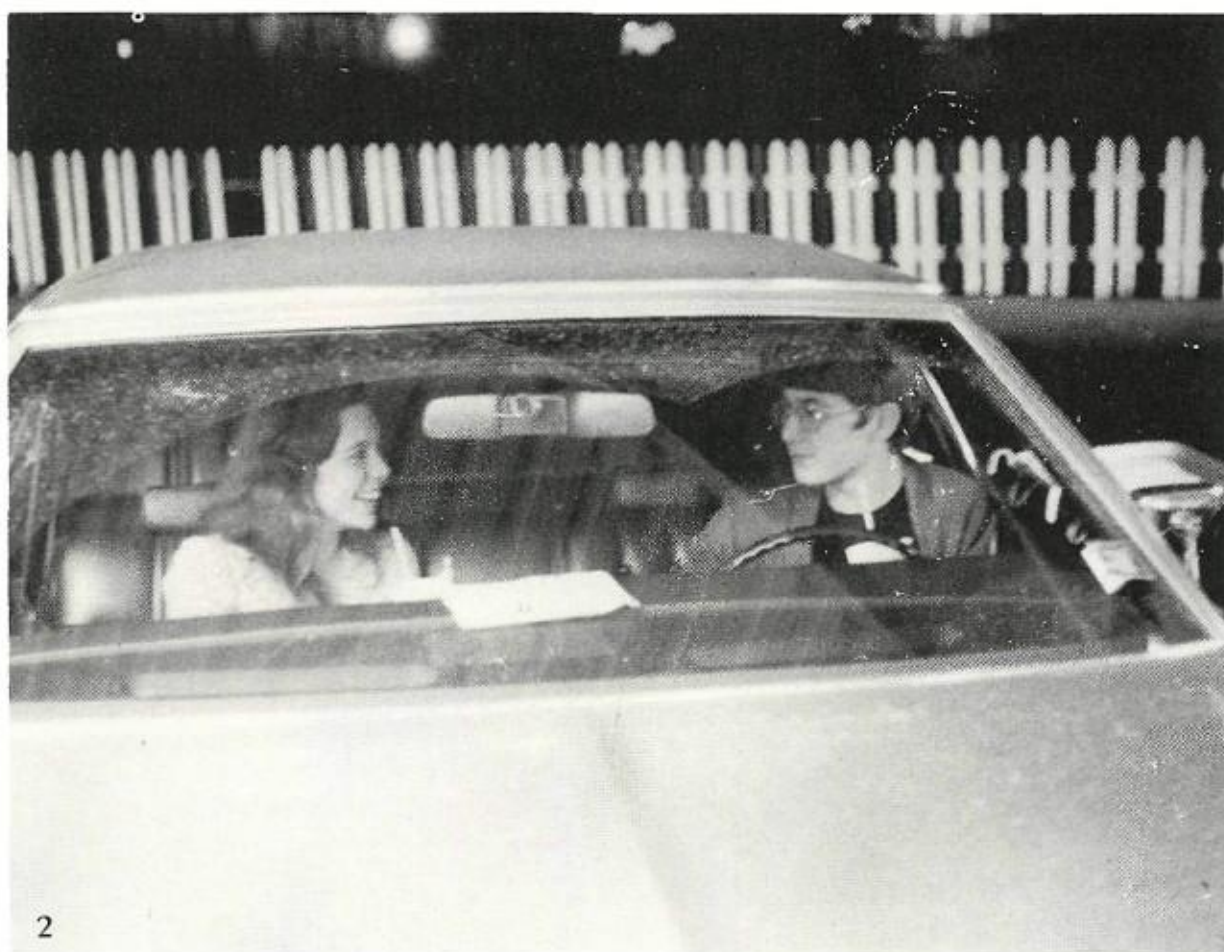

Sometime after midnight, the weary group arrived back in Jacksonville, filled happily with the sounds and sights of the Rackensack, aware of the meaning of "Down in the Arkansas."

1. Ricky Brim, Liz St. Martin, Kathy Cox, and John Bell are having fun trying out a man-made seesaw located on the Ozark Folk Center grounds. 2. In the violin shop, onlooker John Bell watches a demonstration by one of the many Ozark people. This man made the violin he is demonstrating. 3. Mr. Jones tinkers with the bus to make sure everything is in good shape before the long ride to Mountain View. 4. In the pottery shop, Cindy Quinnelly shows her skill on the pottery wheel to one of the workers at the Folk Center.

NIGHTSVILLE & DAYSVILLE

J'VILLE

Day (da) n. the period from sunrise to sunset; the period of the sun's revolution on its axis; 24 hours; time of life.

You are allotted only 24 hours for each day. Into this day we must crowd all our living, whether it is study, work, sleep, or play. Some days, 24 hours just doesn't seem enough. But we must make it do and the typical day in Jacksonville could go like this.

On week days, it is off to school bright and early. You stop by Shipley's for a doughnut or the nearest Kwik Shop for a supply of candy bars and gum, leaving the bacon and eggs for Dad that Mom cooked.

Arriving just as the bell rings, you park in your assigned space in the parking lot, hoping you haven't forgotten last night's homework. There isn't much time between classes or at lunch, but you manage some conversation with friends and the day finally passes.

Many students may leave for their jobs at noon and others work after school hours making for a long day. For others, it is home to straighten your room, wash the dishes, do your homework, or wait for someone to call you on the phone.

The week days are spent pretty much alike. But, pick a night, any night, and this will more than likely be its outline.

The town of Jacksonville is full of liveliness. 1. Senior Valerie Garman works hard waiting on customers. 2. While exchanging conversation, Phyllis McKenzie and Larry Kerr enjoy a coke at Sonic. 3. Downtown Jacksonville is brought alive by its many neon lights. 4. Dwayne Johnson spends a lot of his nights stocking shelves at Piggly Wiggly.

Nightsville-Daysville (continued)

First, a cruise through Sonic to see who all is there. After finding someone you know, the first question is always, "Where are all the parties?" If you are in luck, you will get a list of different places to checkout. If not, order a coke and make sure it is a small one since you may find out about a party at any moment. After waiting for half an hour, you start your car and prepare for the thrill of touring Jacksonville to see what else is going on. Finally, finding out for the hundred and first time that nothing exciting is happening, you return home to Sonic. By this time the natives are getting restless so everyone moves next door from Sonic to the vacated Tastee-Freeze to "shoot the breeze."

Fridays are the most eagerly awaited for day because you know that you are sure to find something to do. You may go to the flick to see the latest film and stuff yourself with popcorn, candy, and coke. If the Red Devils are having a game that night, most people go

1. Rex Jackson and Margie Gibson enjoy sharing a pizza. 2. One of the favorite pastimes in Jacksonville is good ole television. 3. A lot of nights are spent at Ken's Pizza. Here Lillian Dickson helps a friend finish a pizza. 4. At the Waffle House, Allen Tarbel rings up a sale at the cash register.

1. An odd look at one of the many entrances to the town of J'ville. 2. Most days it all looks the same from the driver's seat even though it may be a road you've never traveled before. 3. Flick I and II, the popular movie house in Jacksonville, is a place where most people spend their time. 4. Tom Simpson waits patiently for his pizza.

to support the team and cheer them on to victory. You can lend your voice together with all the other fans to the chants led by the cheerleaders.

You may soon find you have no voice left at all. After the end of the game or when a few seconds are left on the clock, practically everyone heads for MacDonalds or for one of the local pizza places: Ken's, Pizza Hut, or Pizza Inn. Friends gather in the lobbies or around certain tables ordering whatever suits their taste at the time.

So, no matter what it may be, a game night or a show, cruising Jacksonville, hanging around crowded parking lots, or going to late parties; you and your friends will always find something to do, whether or not it may seem exciting right then. Because in a couple of years, you will long for a Nightsville or Daysville in J'ville!

Homecoming 1975-76

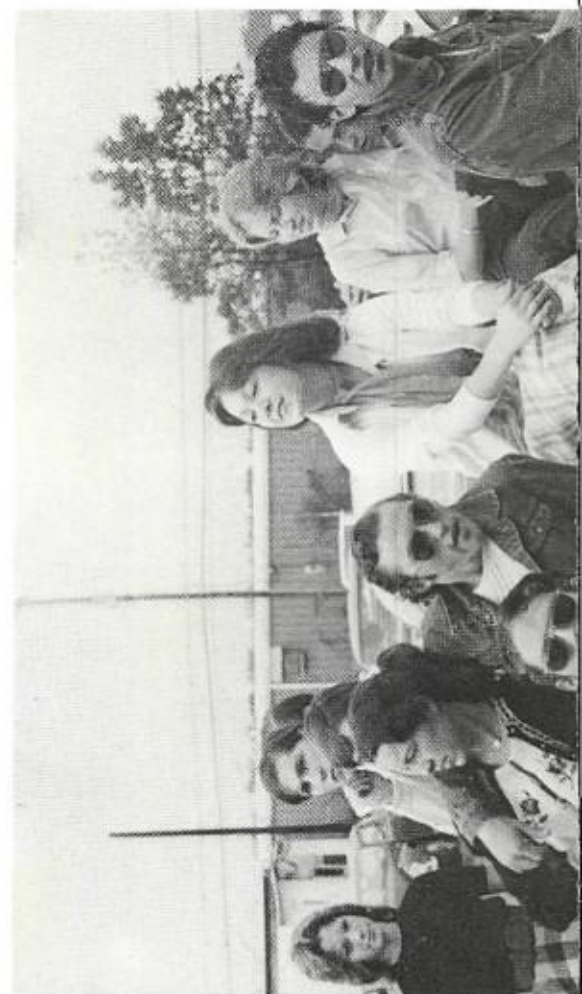

CELEBRATE, CELEBRATE, ... this word (according to Webster's dictionary, means to demonstrate satisfaction in by festivities or other deviation from routine) was used to its limit during Homecoming week, November 1-7, 1975. Celebrate was also the theme Student Council picked for the Homecoming Dance.

Student Council, who carefully planned, sponsored, and put together all of the homecoming school activities, picked "celebrate" as the theme because they felt it properly represented our bicentennial year. Each day of Homecoming week was designated for a special activity to help promote spirit for the big game against Conway Wampus Cats on Friday night.

Monday was Cheer Day; Tuesday was '50's Day; Wednesday was Western Day; and Thursday was Hat, Pin, and Poster Day. Friday, the last day of Homecoming Week, was the Secret Devil Day. On this day, one Red Devil football player was secretly chosen by Coach Reed, head football coach, as the Secret Devil. The last fan to wish this special Devil good-luck before the pep rally would win a ticket to the game, and meal at McDonald's, and a ticket to the dance. The Secret Devil was Senior Ricky McFadden, and the last person to wish him good-luck was Arnessa Miller.

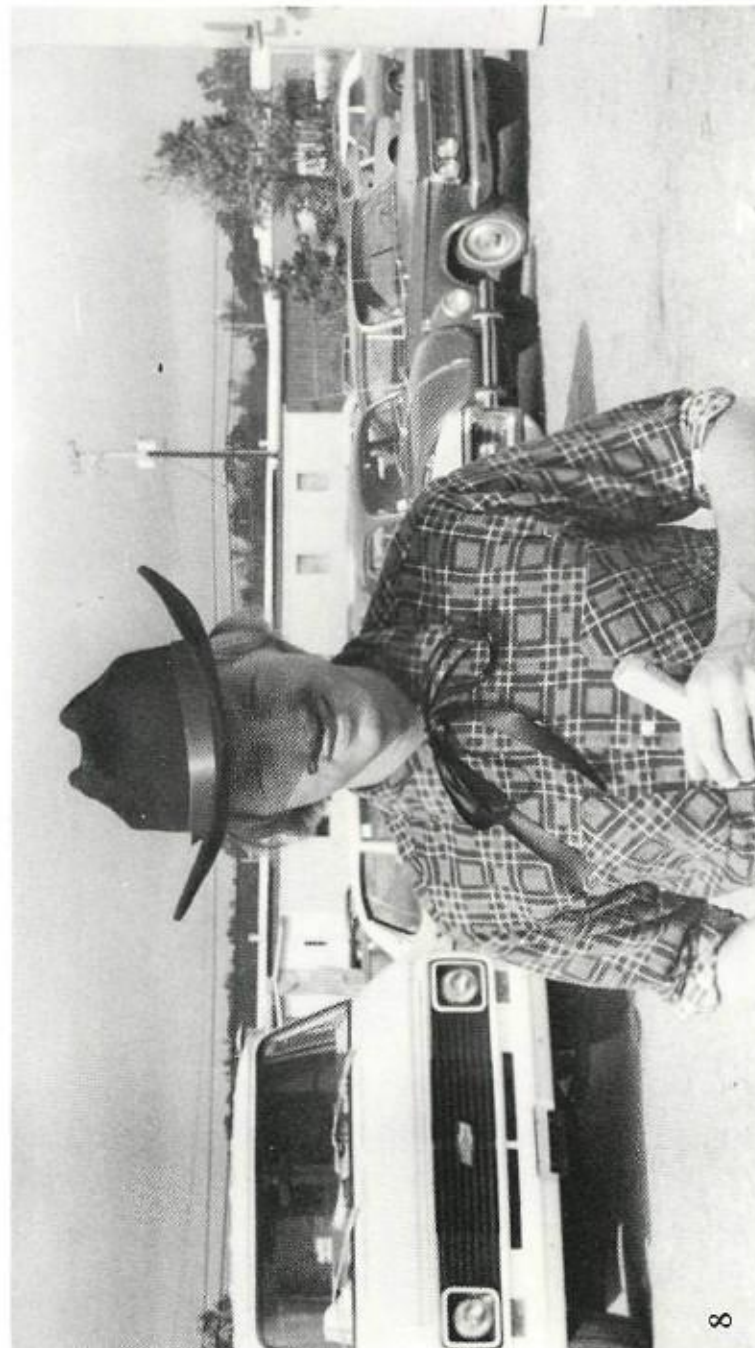

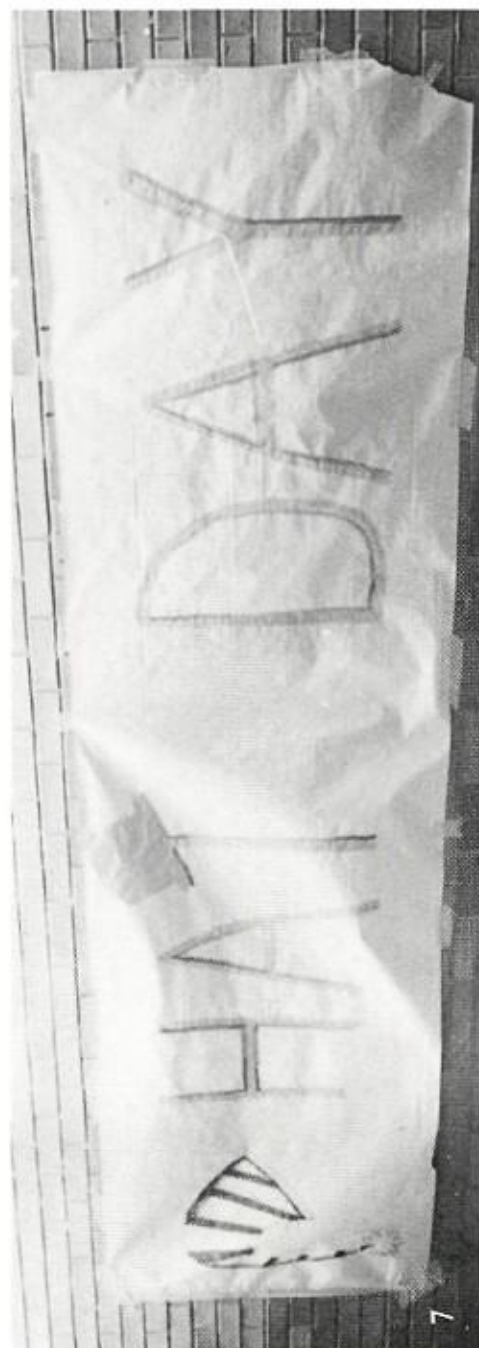

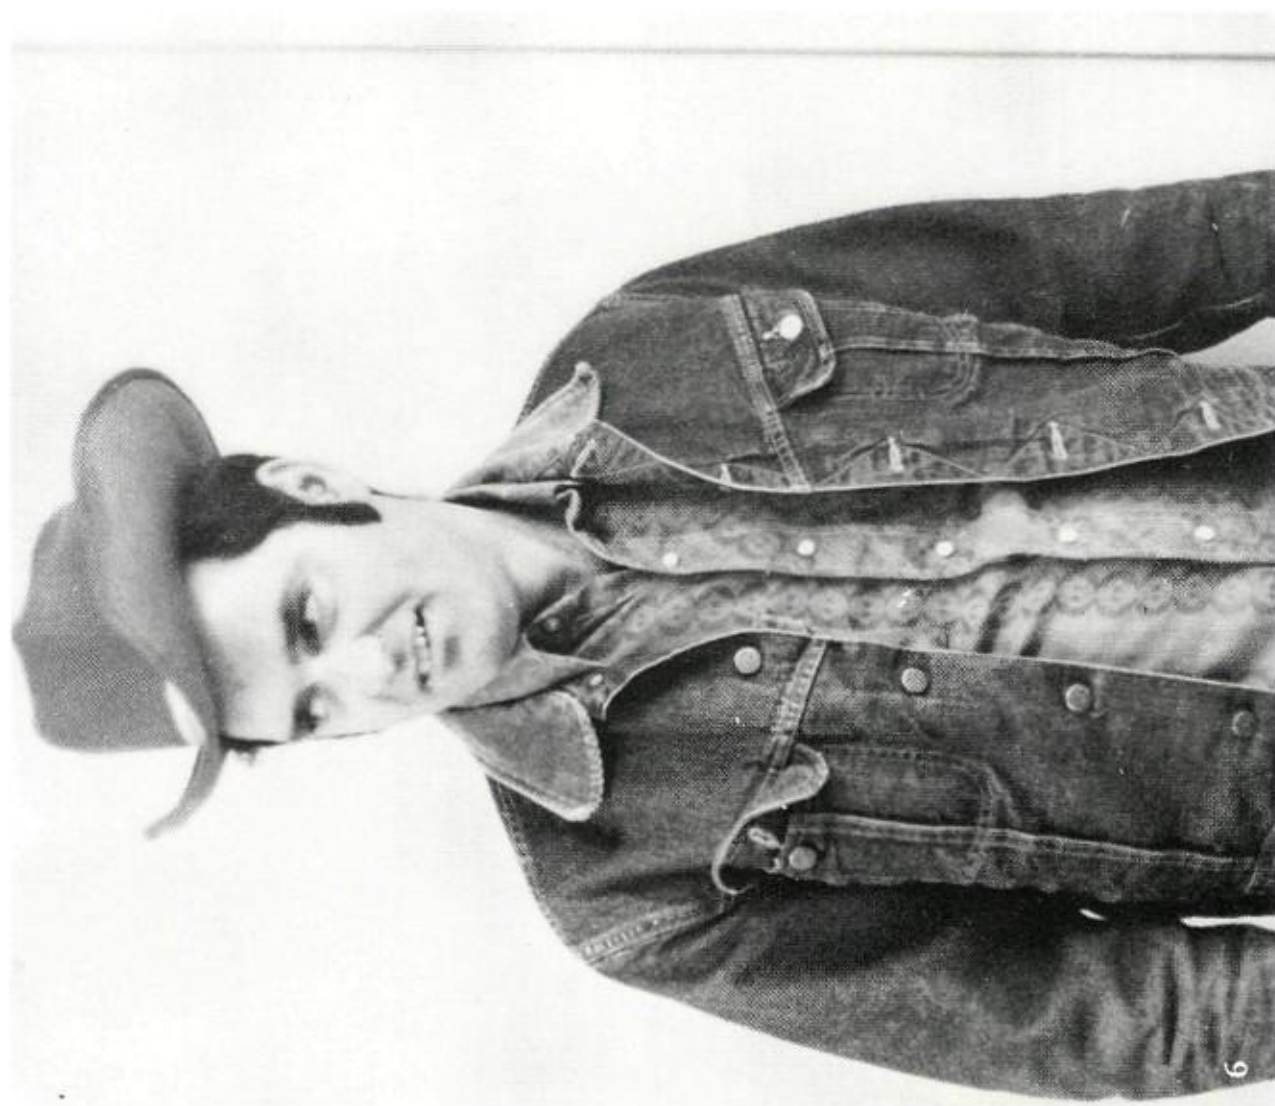

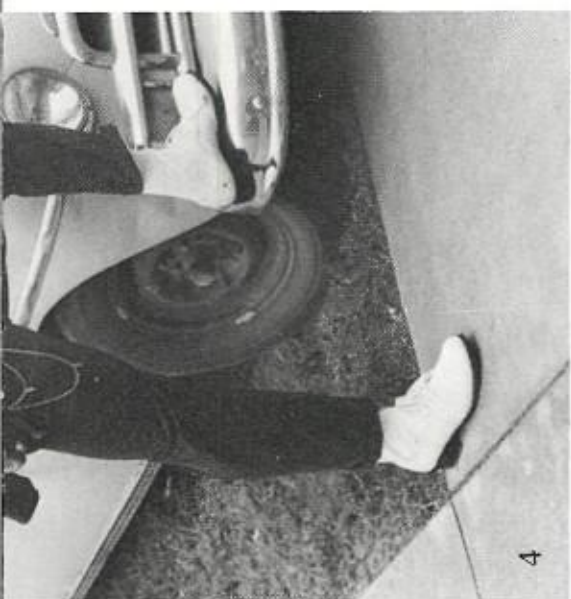

After a week full of building spirit, it reached its climax on Friday. The atmosphere was one of light, bubbly jokes and much excitement, since on this day we would have an hour long pep rally instead of a

half an hour, the Mini-Parade; the Jacksonville Homecoming Parade; the football games against Conway Wampus Cats; presentation of the Homecoming Court and crowning of our 1975-76 Homecoming Queen; and most of all the dance.

Then we dismissed for the Pep Rally. The first half of the pep rally was the Mini-Parade, with the last half consisting of cheers and chants from the cheerleaders.

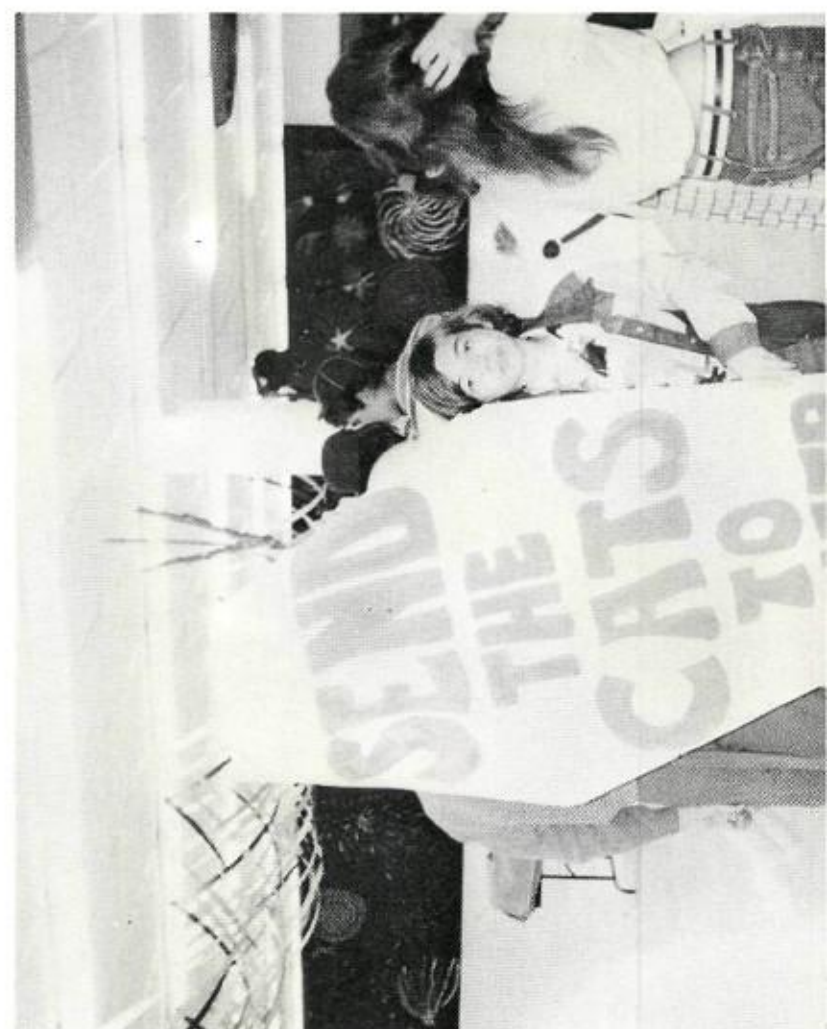

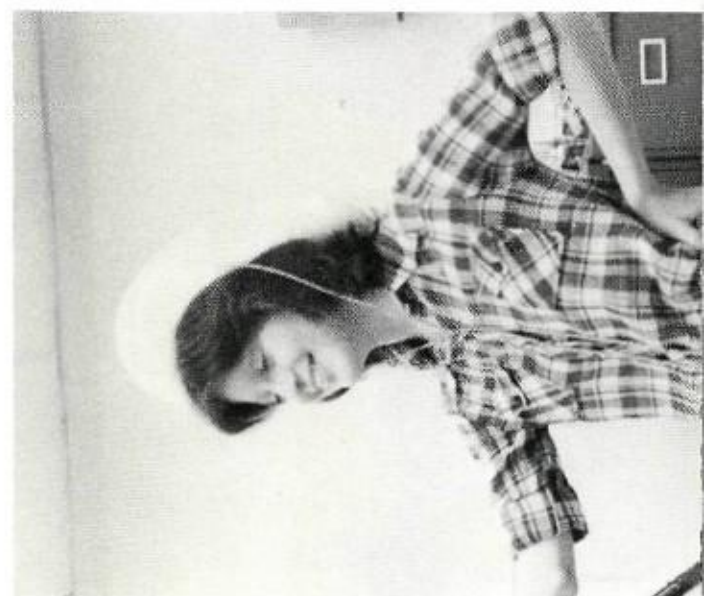

Student Council sponsored the Mini-Parade, which consisted of nineteen entries. First, Second, and Third place awards were given. CCE won the first place prize of \$10.00.

The entries in the parade entered the gym from south, right-hand door. They then paraded around the outer edges of the gym floor, and made their exit through the left-hand door. After the pep rally was over, most everyone from school vanished to go and get ready for the big parade, sponsored by the DECA organization at JHS. This parade started at James St. and Main, then continued down Main St. until 2nd St. The Total number of entries was forty-eight.

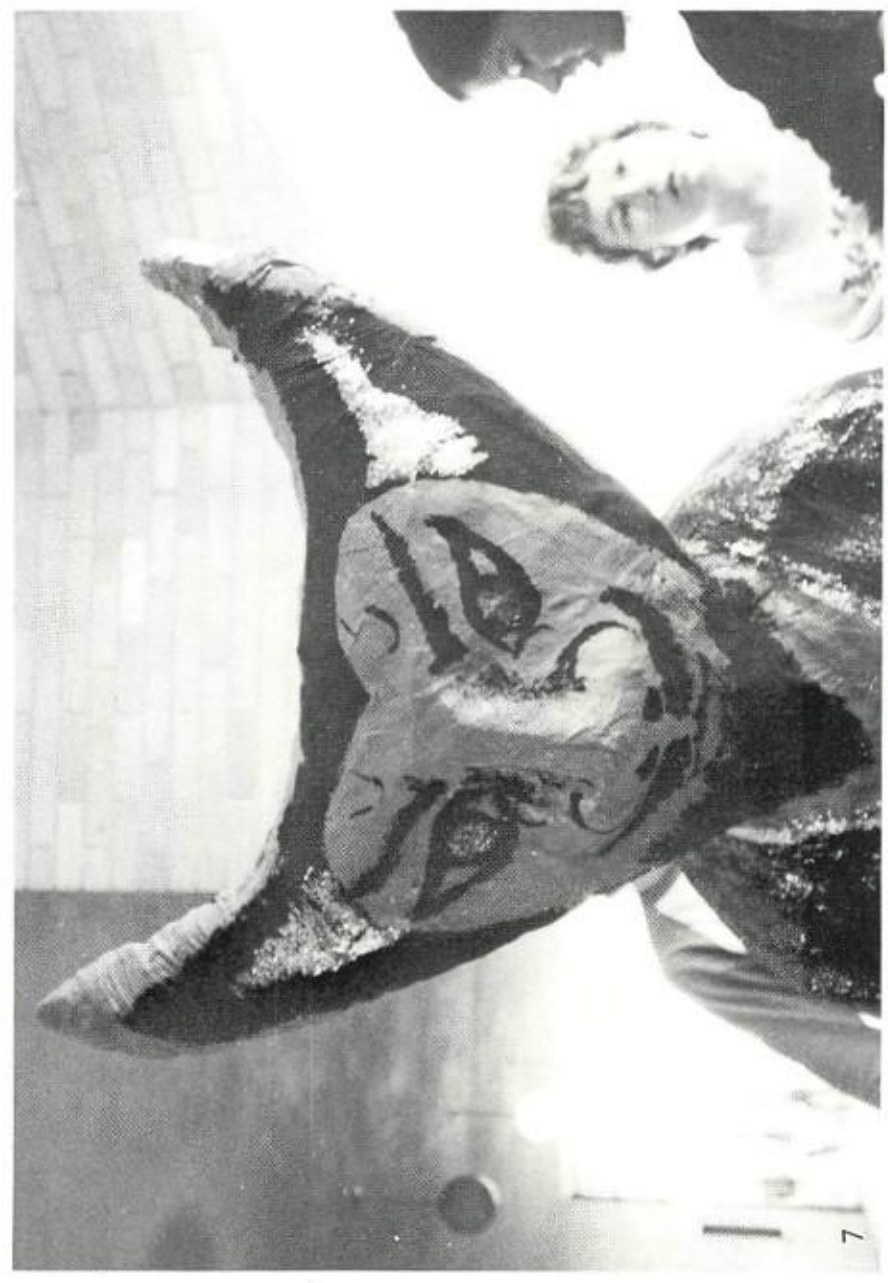

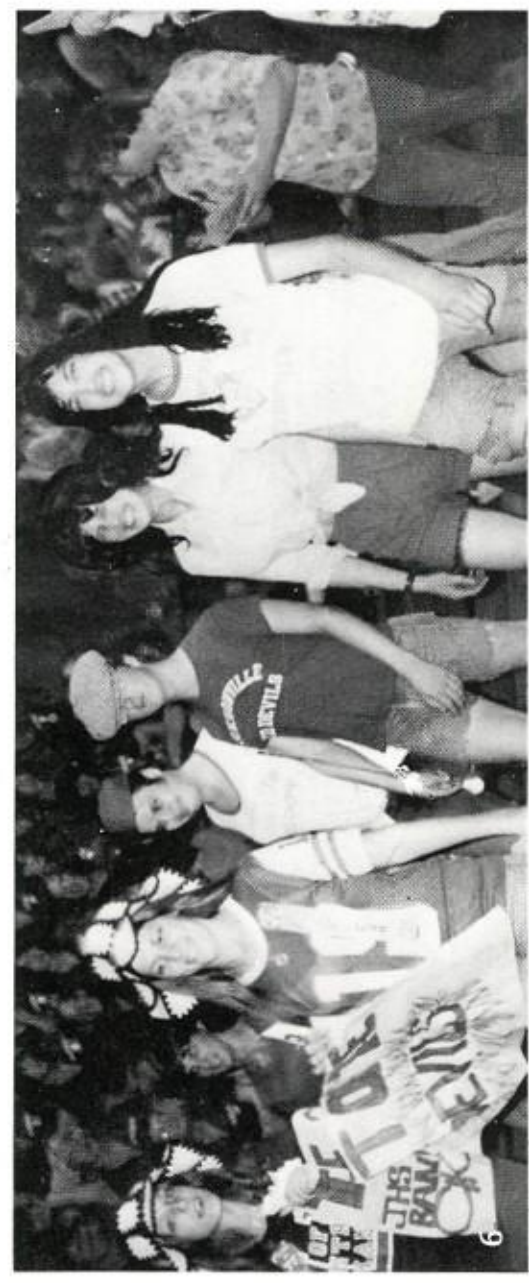

After the parade was over, everyone vanished again, to go home and get ready for the game and pre-game activities, which were scheduled to begin at 7:30 pm.

A little bit before 7:30 pm, the JHS band, ROTC, Devilettes, and A and B-team cheerleaders took their place on the field, and got ready to present the 1975-76 Homecoming Court. Shandy Norsworthy

 was crowned Queen, with Yalounda Jones being crowned as her Maid of Honor. The rest of the royalty was as follows: Seniors: Becky Reed and Mary Boyd, Juniors: Sandra Edmondson, Sandra Sterling, and Gail Williams, Sophomores: Cindy Tharp, Sandra Brown, and Cheryl Ware. The girls were escorted on and off the field by their fathers; then they sat on the sidelines to preside over the football game. And what a football game it was. The JHS Red Devils by-passed the Conway Wampus Cats, 13-7. Outstanding players of that game were Greg Bollen—offense and Eddie Jackson—defense.

When the game was over, the Homecoming dance began. The dance was sponsored by the Student Council, and they did a very good job. The band for the evening was "Marlowe," an integrated band from Memphis. This is the first time they have played at a high school in Arkansas. Before performing at JHS, "Marlowe" had performed in Arkansas only twice, both times at colleges. Their music was a variety of rock 'n' roll and soul. The dress for the dance was casual. Most of the males were in slacks and a nice shirt, and girls in a dress or pantsuit. When Mr. Stuert, co-sponsor of Student Council, was interviewed about Homecoming he said, "Last year's Homecoming was a great success and this year's was a bigger one ... activities had better participation. Decoration was good, band was excellent." When he was asked how he felt about the dress at the Homecoming dance being casual instead of formal or semi-formal, he said, "I think it's good, so that people can come to the dance straight from the ballgame."

WE SANG A SONG AT

It's 12:00 A.M. and Showdown practice is still going on. Everyone is tired and irritable, but tomorrow is the first performance and they have to be ready. Finally, they can go home. "Remember to be back tomorrow morning at 8 o'clock, ready to go," Mr. Hendrix shouts.

Thursday, January twenty-ninth, 9 a.m. . . . half of the student body tries to get good seats in the auditorium . . . 9:10, Mr. Hendrix comes out and talks to the students, telling them to keep on their best behavior . . . 9:15, Showdown is on its way with the glittering letters of its theme, "Sing a Song," suspended behind the band.

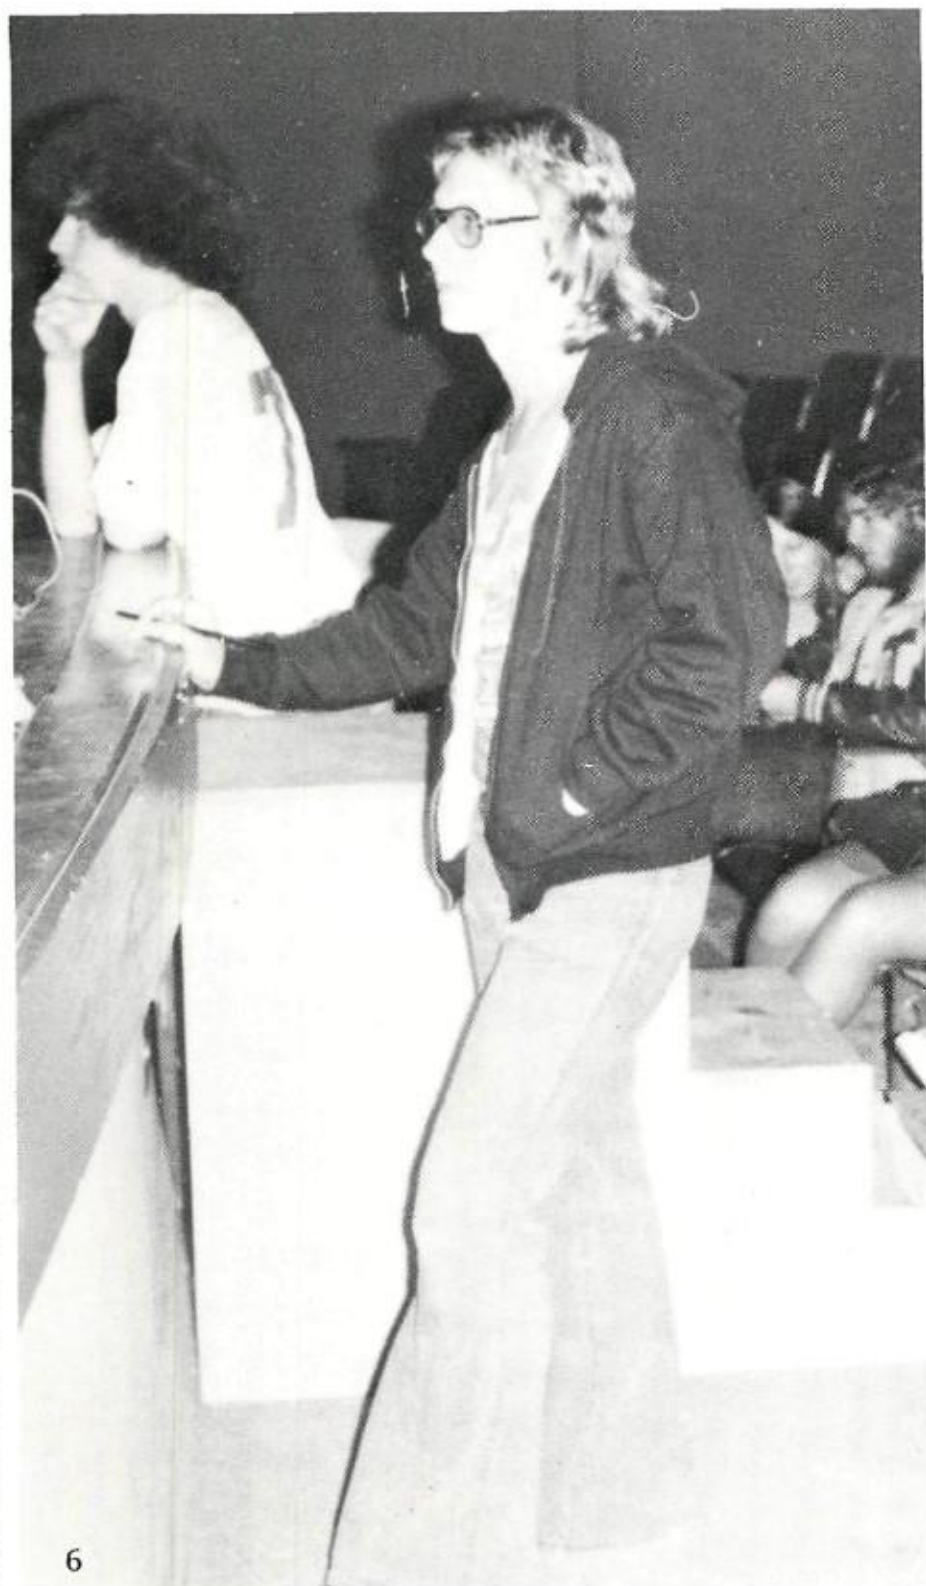

Showdown is a talent show given by the students. It is mostly singing, but a few dance acts were thrown in. This year's sponsors were Mr. Hendrix, Mr. Allen, Mr. Clark, and Mr. 'Chick' Matthews.

Tryouts for Showdown were held in December before Christmas vacation. The participants were announced when they returned to school.

SHOWDOWN (continued)

The back-up band for Showdown this year was "Brittany Jack," which consisted of Eddy Wilkes, bass; Phillip Tirman, lead guitarist and vocals; Timmy Kemp, drums and vocals; and Mike O'Sullivan, keyboard. They performed such songs as "Dream On" and "Freebird". Back up brass section was Will Nelson, Lonnie Ellis, Ricky Brim, and Bennie Cato.

The M.C.'s were Debbie Ray, Larone Donahue, and A. D. Whitehead. Their part in the show was to introduce each act.

Many popular songs were sung, including "Heat Wave" sung by Lorraine Sneed; "Gimme What You Got" performed by

1. Clarence Oliver sings one of the many songs at Showdown. 2. A very touching song is sung by Mary Hawk. 3. Wallace Green watches silently while awaiting his turn for practice. 4. While on stage, Bryan Johnson practices singing his song. 5. Freida McFadden and Eugena Carter wait for their cue to begin singing. 6. One of the favorite performances was "Hop, Skip, and Jump," performed by Robert Ward, James Rayford, and Anthony Steels. 7. Janene Bryant arouses the crowd with her song "Jive Talking." 8. "Brother Louie" was one of the older songs and performed nicely by Cheryl Bolin.

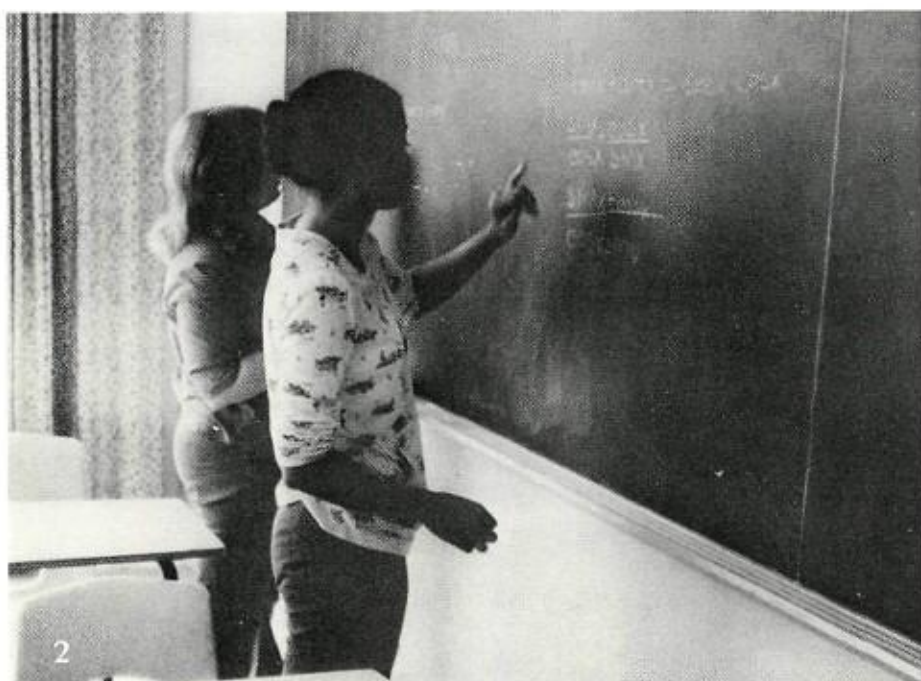

Sandra K. Sanders, Hugh Jernigan, and Verna Buie; and "Rock and Roll All Night" by Triad. One of the dance acts was Hop, Skip, and Jump, commonly known as Anthony Steels, Robert Ward, and James Rayford. This is their second year to perform in Showdown.

Some early hits of the 1970's performed were "Killing Me Softly" with Sharon Reilly, "Brother Louie" by Cheryl Bolin, and "Ain't No Sunshine" with Freida McFadden, Joyce Ross, and Eugena Carter.

The closing consisted of the whole cast parading around to "Get Down Tonight".

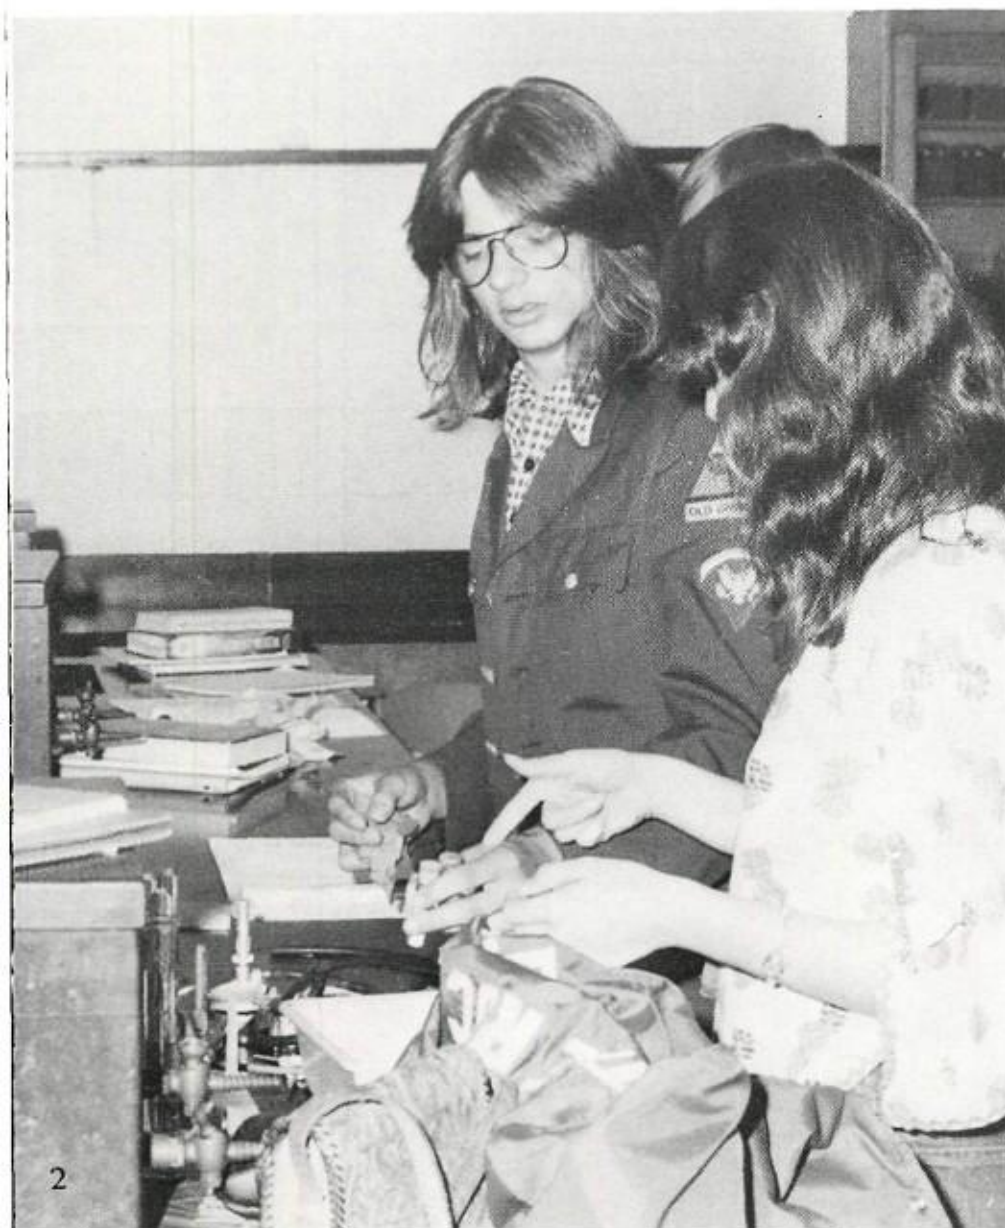

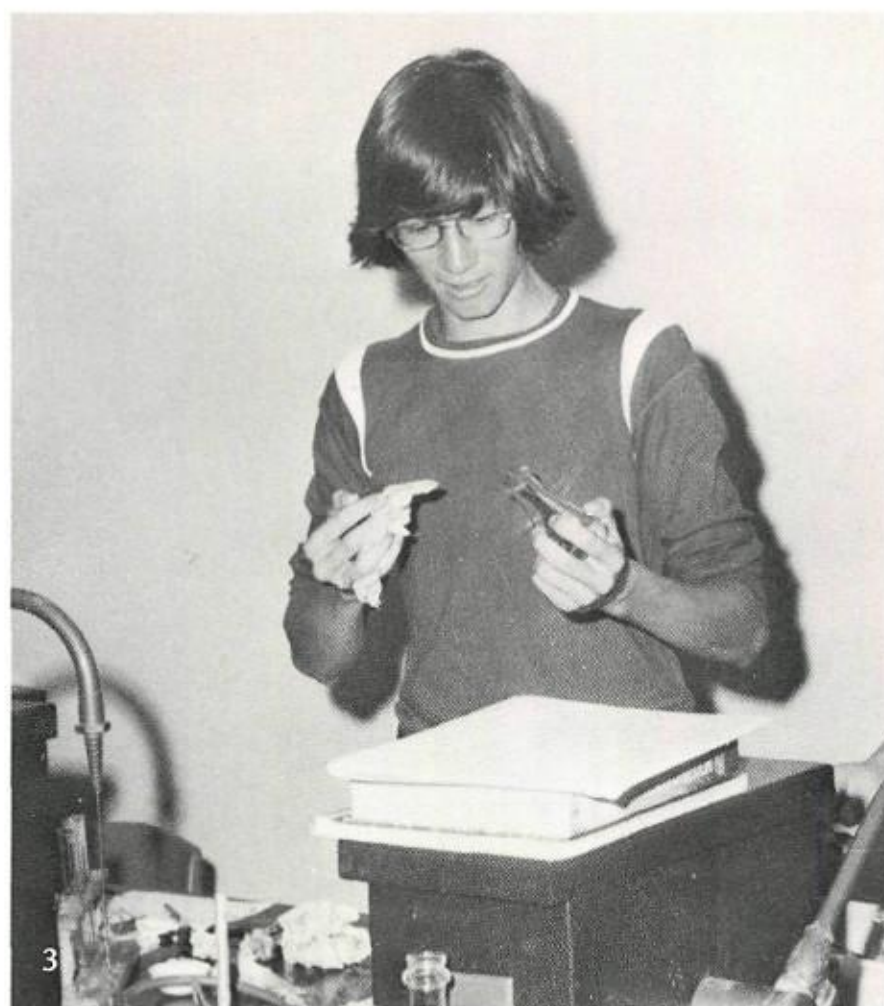

1) Sondra Evans, Sharon Reilly, and Brian Baber, a few of the many students in Foods and Nutrition, enjoy making cookies. 2) In Analysis, Anita Polite solves an identity problem. 3) Many students gather around one table in Child Care while taking notes. 4) Liz St. Martin, an ROTC student, wonders about the many things talked about in World Cultures.

Glassy

1) Cindy Caldwell listens carefully to the instructions in her typing class before she begins. 2) Jim Hughes gets assistance from another student in his Chemistry class while doing an experiment. 3) One of the difficulties in Chemistry is having to clean the beakers and other utensils, as Rick Stearns soon finds out.

Here at JHS, the classes offered are numerous and interesting. They include botany, zoology, trigonometry, three levels of drafting, art, auto mechanics, and different levels of music. At the beginning of the year, students are given a wide selection of subjects to choose from. Unpopular subjects are dropped from the curriculum to allow more room for the popular ones.

The science courses offered are Life Science, Biology, Biology II, Botany, and Zoology. JHS is one of two schools in the state that offers Biology III, which is a zoology course.

Another very extensive department is the Math department. Although this course is required for Sophomores, many Juniors and Seniors continue their studies in this field.

The English and History classes are offered in nine-week mini courses. In English there are such courses as Mass Media, Folklore, World Literature, Science Fiction, and Myth and Legend. A few courses are required: these include British Literature, Composition, and American Literature. The History Department contains a lot of interesting courses such as Sidelights, Media, Civil War, Political Parties, Famous Women, Great Americans, and The Roaring 20's and Dirty 30's. American History is required the first semester to introduce students to the different areas found in History.

For those students who already know what vocational jobs they are interested in there are special courses to further their knowledge in that area. These vocational courses are Auto Mechanics, Health Occupational Education, Electronics, Drafting, Art, and Home Economics.

For the musically inclined, band and choir are offered. The Band Department consists of the Senior Band and 3rd period band. The Choral Department is made up of four choirs and the Madrigals. This year the Concert Choir won first place at the OBU Invitational Choir Festival.

And last, for the people who plan to go into the "Business World," typing, shorthand, accounting, Business Law, and Business English teach the necessary skills.

There is really no need for anyone to complain about his classes at JHS because there's something for everyone.

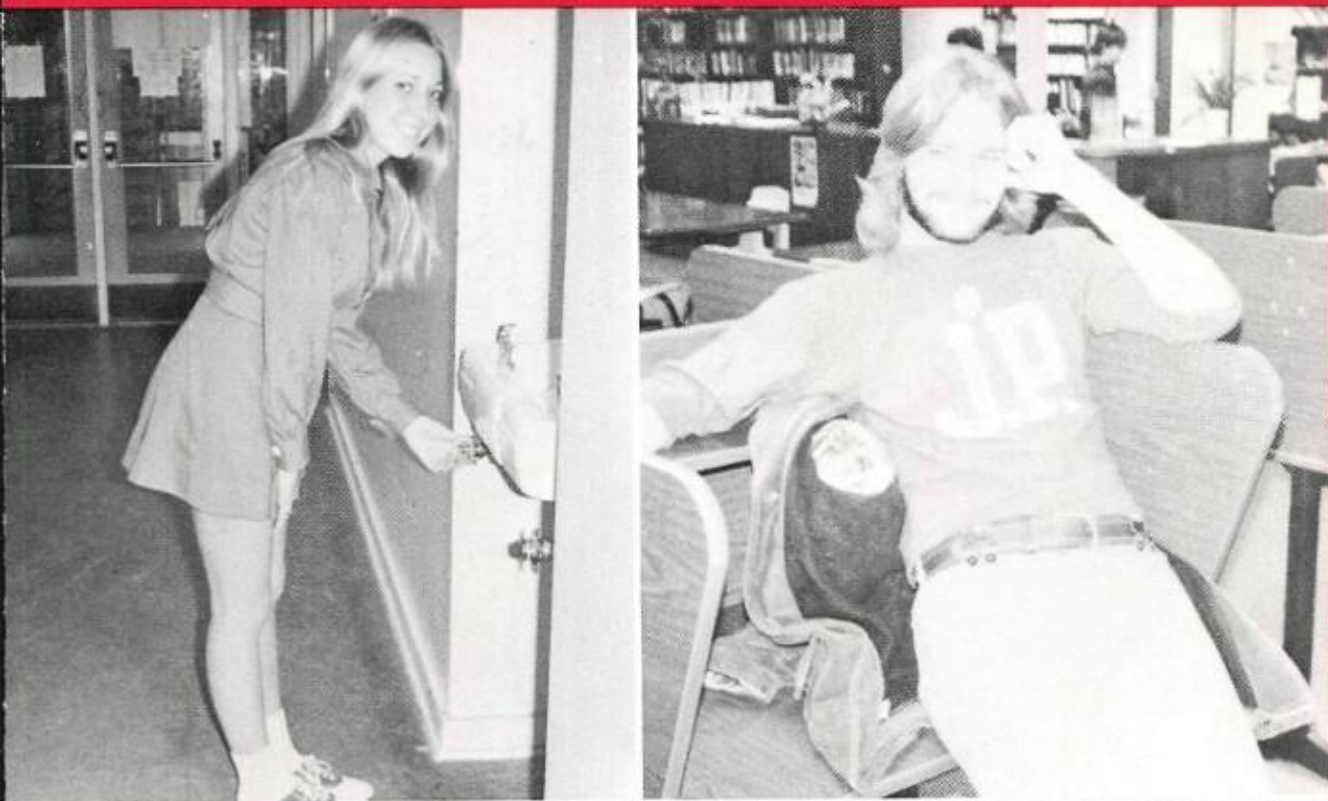

Classes

Here's a Glimpse

Mr. and Miss JHS, Outstanding

of Our Honors

ng Seniors, Homecoming Royalty . . .

When the word honor is mentioned, people simultaneously think awards, recognition, and outstanding people. In Webster's dictionary honor is defined as "recognition, an evidence or symbol of distinction, and an award in a contest or field of competition."

Here at JHS we have many honors distributed each year to students. Honors that are awarded are Homecoming Royalty, Mr. and Miss JHS, Outstanding students, Twelve Outstanding Seniors, Girls' and Boys' State delegates, and Who's Who.

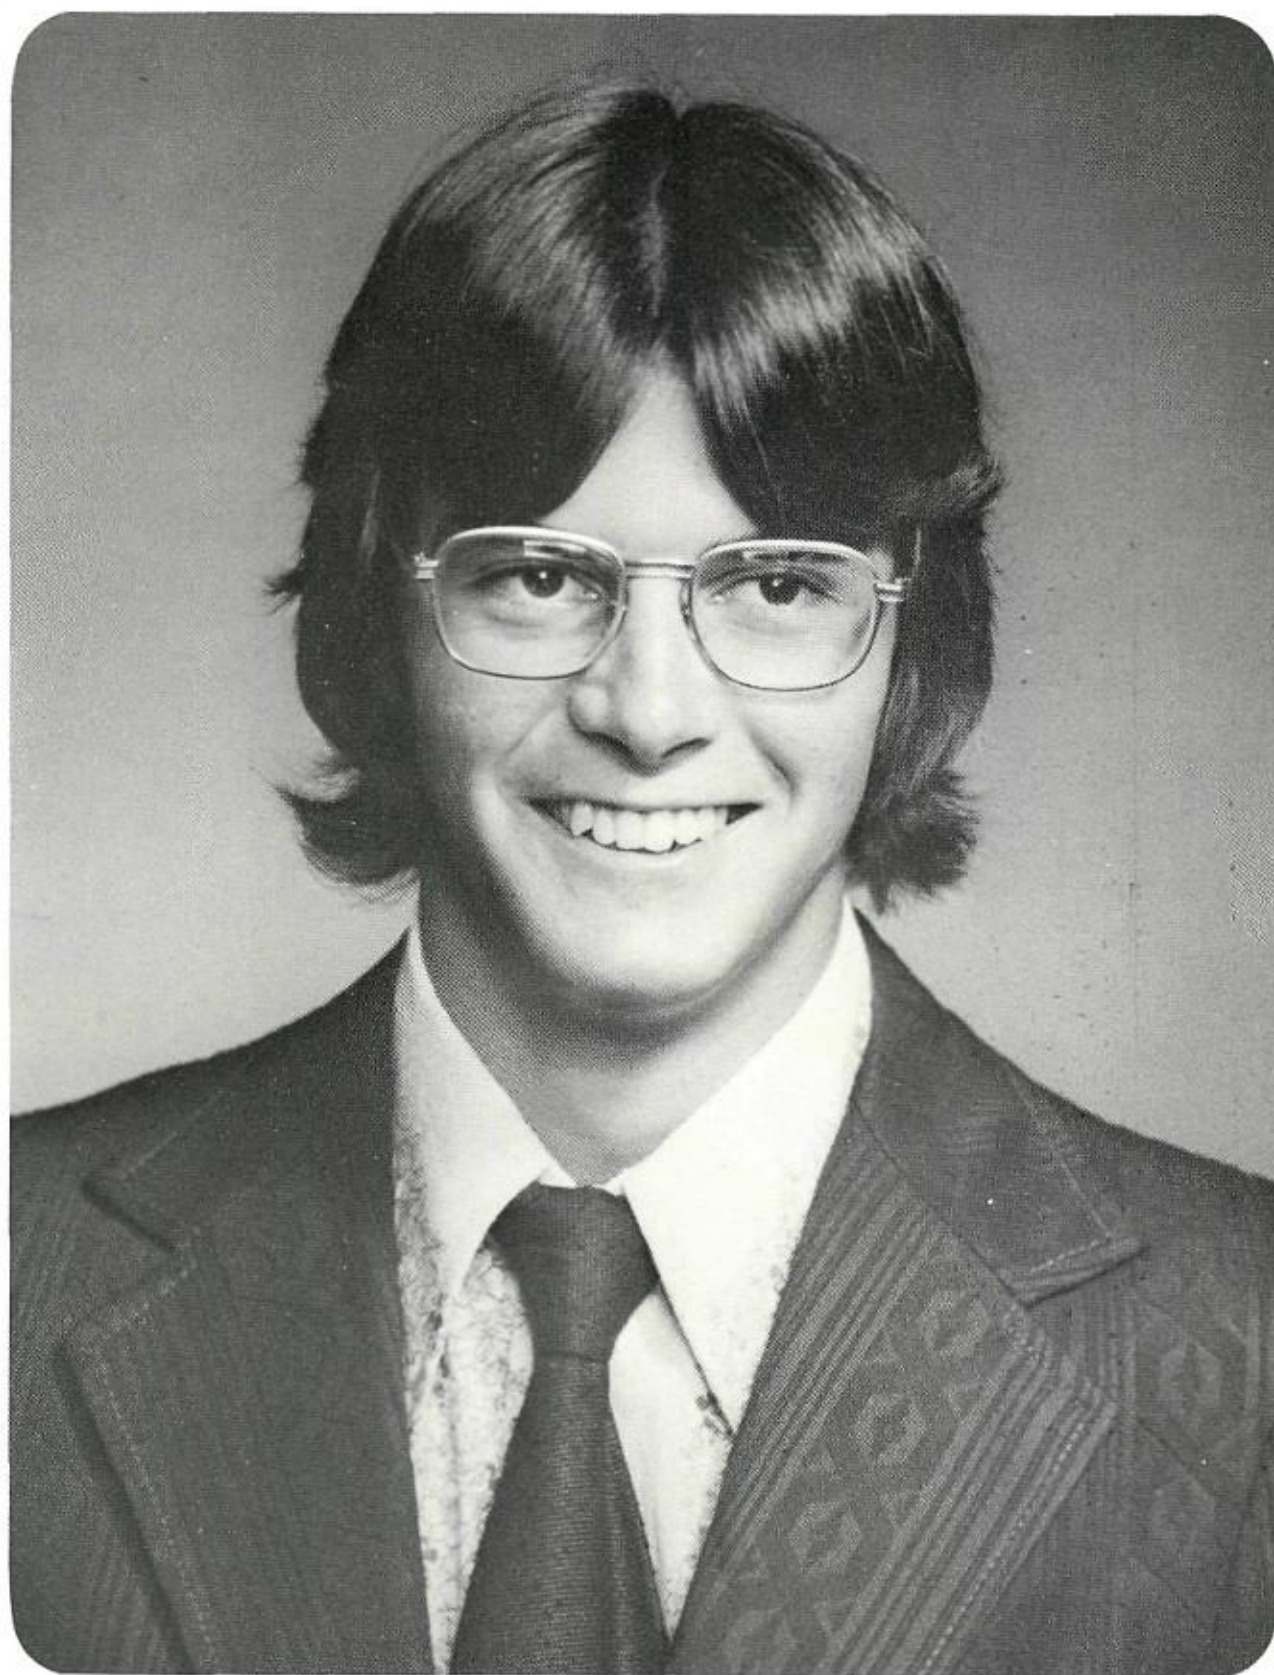

For these awards students are selected in many different ways. The Homecoming Royalty is chosen by the football team. Mr. and Miss JHS are elected by the senior class and the results are announced at the yearbook assembly in May. The twelve outstanding seniors are also announced at the yearbook assembly, but they are selected by the faculty. The scholastic awards that are received by outstanding students in the tenth, eleventh, and twelfth grades are made by the teachers in the respective subject fields. The selection of these students is handled by the student council who present certificates to them at a program in the spring. Girls' and Boys' state delegates are juniors who will be seniors in the upcoming year. A committee of teachers selects these students. The Who's Who election honors forty-four students who were selected by the members of the sophomore, junior, and senior classes.

So look closely and catch a glimpse of our honor students of 1975-1976.

Mr. JHS Pat Bevill

The selection of Mr. and Miss JHS is an honor voted each year to an outstanding boy and girl in the senior class. The members of the senior class elect these two people. Mr. and Miss JHS for 1976 are Pat Bevill and Debbie Ray. Runners-up are Bonnie Brown and Yalounda Jones. Mike Fortson and Lowell Cummings are runners-up for Mr. JHS.

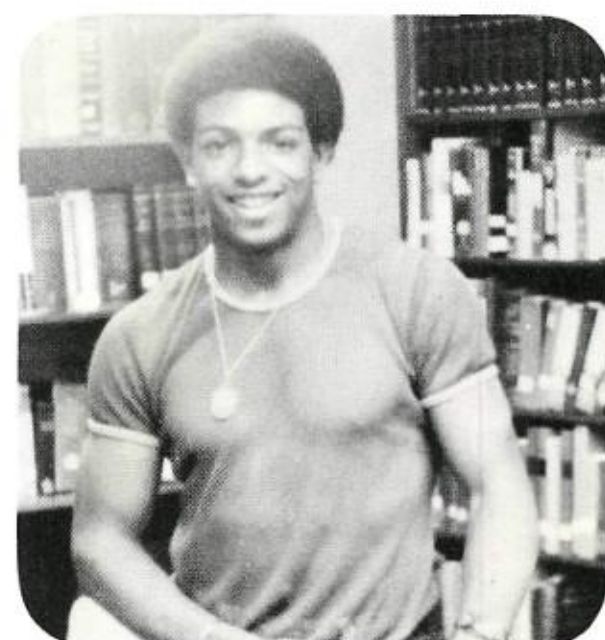

Mr. JHS, Pat Bevill, has been very active in school life. He is a member of Key Club, Beta Club and Student Council. Pat has been a member of Student Council in the tenth, eleventh and twelfth grades, and this year he is president. He is also a member of the student bicentennial committee, and he played on the Red Devil football team during grades ten, eleven and twelve.

TWELVE JHS SENIORS

The selection of the twelve outstanding seniors is made each year by the faculty. Scholarship, leadership and involvement in school activities are the qualities the seniors possess who are selected for this honor. Faculty members were interviewed, and their comments about these seniors are given below.

Pat Bevill is the president of Student Council and a member of Beta Club and Key Club. He has also played on the Red Devil football team for three years. "... quiet, asserts himself in a leadership role... enjoys life, dependable, perceptive... sensitive, considerate... a sly smile that can reach everyone."

Bonnie Brown is a member of Choir, Interclub, Madrigals and All-Region Band. She also attended Girls State. She was chosen Jacksonville's Jr. Miss for '76. "... a spark of enthusiasm every time she steps in the room... charming, talented... a serious student, works hard."

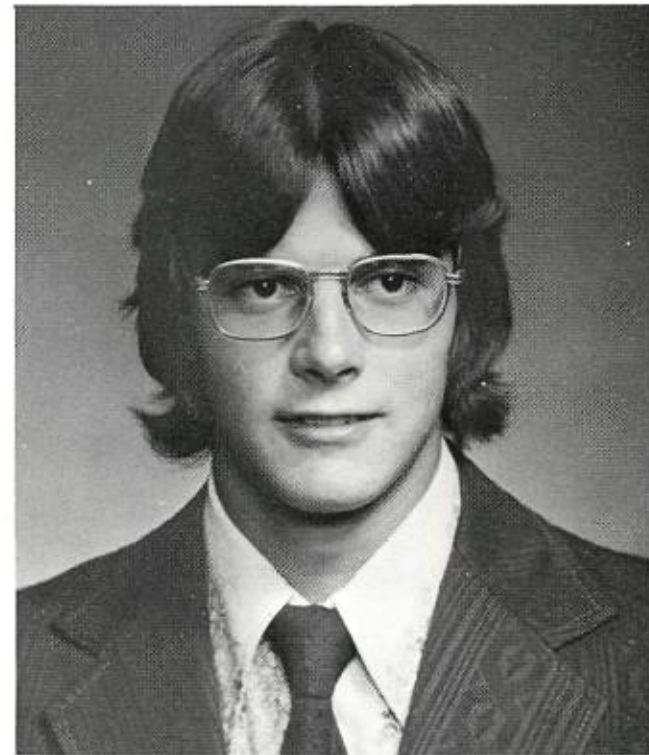

Steve DeSalvo is the drum major of the band. He is also a member of Madrigals, Concert Choir and Beta Club. "... one of the finest musicians I've taught... well-read, sensitive, conscientious... does more work than necessary."

Mike Fortson was elected governor of Boys State in the summer of 1975. At JHS he is vice president of the senior class, president of Interclub and a member of Key Club. He is also a National Merit Semi-

Finalist. "... the most organized dedicated person I've ever seen... clear-headed, disciplined and organized beyond his years... Captain Fantastic."

Valerie Garman is captain of the Devilettes. She is also a member of Interclub, Beta Club and Biology Club. "... a leader, dependable... very high morals... pensive... cheerful and fun to have in class."

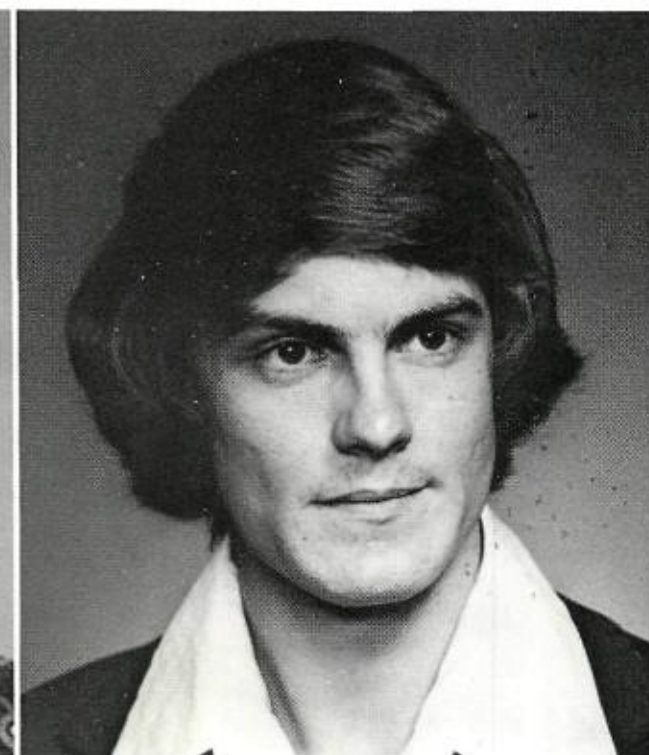

Cynthia Meddress is a National Merit Semi-Finalist. She is a member of Math Club, Beta Club, Biology Club, Interclub and Choir. "... a remarkable young lady... brilliant, persistent... goes beyond what she's supposed to do... a dedicated student."

Shandy Norsworthy Crowned Queen

The Red Devils 1975-76 Homecoming Week reached its climax on the evening of November 7, with the announcement of the Homecoming Queen and her court. Shandy Norsworthy was crowned Queen by Mr. Bobby Lester after the presentation of the Homecoming court and the crowning of Maid of Honor. Yalounda Jones was crowned Maid of Honor by Mr. Ken Turner. Mr. Leonard Halbrook presented both girls with their floral bouquets. Shandy is active in many senior activities such as Gymnastics and F.T.A.

The other senior maids were Becky Reed and Mary Boyd. The Junior class was represented by Sandra Edmonson, Sandra Sterling, and Gail Williams; and the sophomores, by Cindy Tharp, Sandra Brown, and Cheryl Ware.

The Homecoming court was presented flowers by both the A- and B-team cheerleaders. Mary Hawk and Gina Linne served as crown bearers.

Mike Fortson elected Boys State Governor

Jacksonville High School received an outstanding honor this summer with the election of Mike Fortson as Boys State Governor. Mike Fortson, along with seven other delegates from Jacksonville, attended Boys State June 1 through 7. Both Boys State and Girls State were held this year at the University of Central Arkansas in Conway, with Girls State being held the week of June 8th. Jacksonville's delegates for both Boys and Girls State were: Pat Bevill, Karla Boyd, Bonnie Brown, Mike Clawson, Mike Fortson, Mary Hawk, Dwayne Johnson, John Paul Moory, Debbie Ray, Dean Schoenborn, Tom Simpson and Terry Stanford.

Jacksonville also held many other executive offices other than governor on both the city and state level. Every delegate from JHS held some form of office or served as a department head in his political party. All of the delegates to Boys State were given a tour of the State Capitol before their departure from UCA.

Governor Pryor officially installs Mike Fortson as governor.

Jacksonville's delegates to Boys and Girls State were 1st row (L to R): Mike Fortson. 2nd row: Mary Hawk, Bonnie Brown, Debbie Ray, Terry Stanford, Karla Boyd. 3rd row: Dwayna Johnson, Mike Clawson, John Paul Moory, Dean Schoenborn, James Palmer, Pat Bevill, and Tom Simpson.

Marie Koops named 1975-76 Key Club Sweetheart

Marie Koops was presented as Key Club Sweetheart in December during the half-time activities of the Red-White basketball game. Marie was presented a bouquet of roses by Dean Schoenborn, president of Key Club. The four Key Club Favorites are Jeannie Bunch, Sarah Mills, Cindy Quinnelly, and Sharon Reilly. Flowers were presented to the girls by Richard Hartman, Jerry

Byers, Joe Fudge, and Mark Ratcliff.

The girls are nominated by the senior Key Club members and then all the nominees are voted on. The girl who receives the most votes is elected Key Club Sweetheart and the four girls with the next highest number of votes are the four favorites.

Girls receive honors in Jr. Miss Pageants

Cindy Caldwell was named this year's Jr. Miss Jacksonville. This contest is held in connection with the Miss and Little Miss Jacksonville Pageants. Girls between the ages of fourteen and seventeen may enter. This year there were eight contestants. Two runners-up, a Miss Congeniality, and the new Jr. Miss were selected.

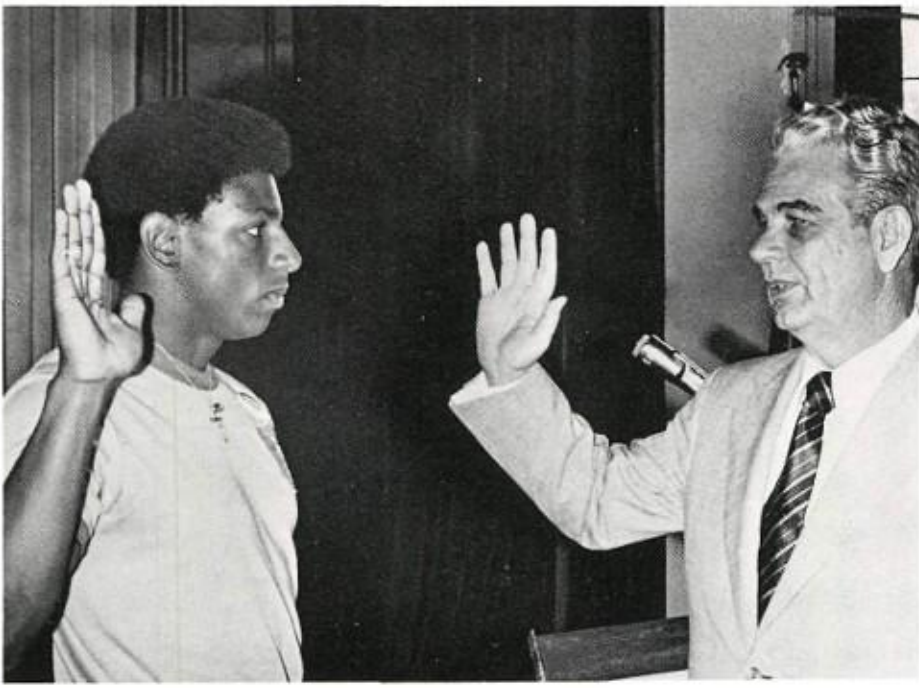

Pictured are (seated) 2nd runner-up, Valerie Lochridge; Jr. Miss Jacksonville, Cindy Caldwell; (standing) 1st runner-up, Brenda Strube; and Miss Congeniality, Diane Reel.

Two students at JHS were awarded titles at the Pulaski County Jr. Miss Pageant. They are Mary Hawk, who was awarded the top honor of Pulaski County Jr. Miss, and Bonnie Brown, who was chosen Jacksonville Jr. Miss. They also attended the state pageant.

Interclub coordinates school activities

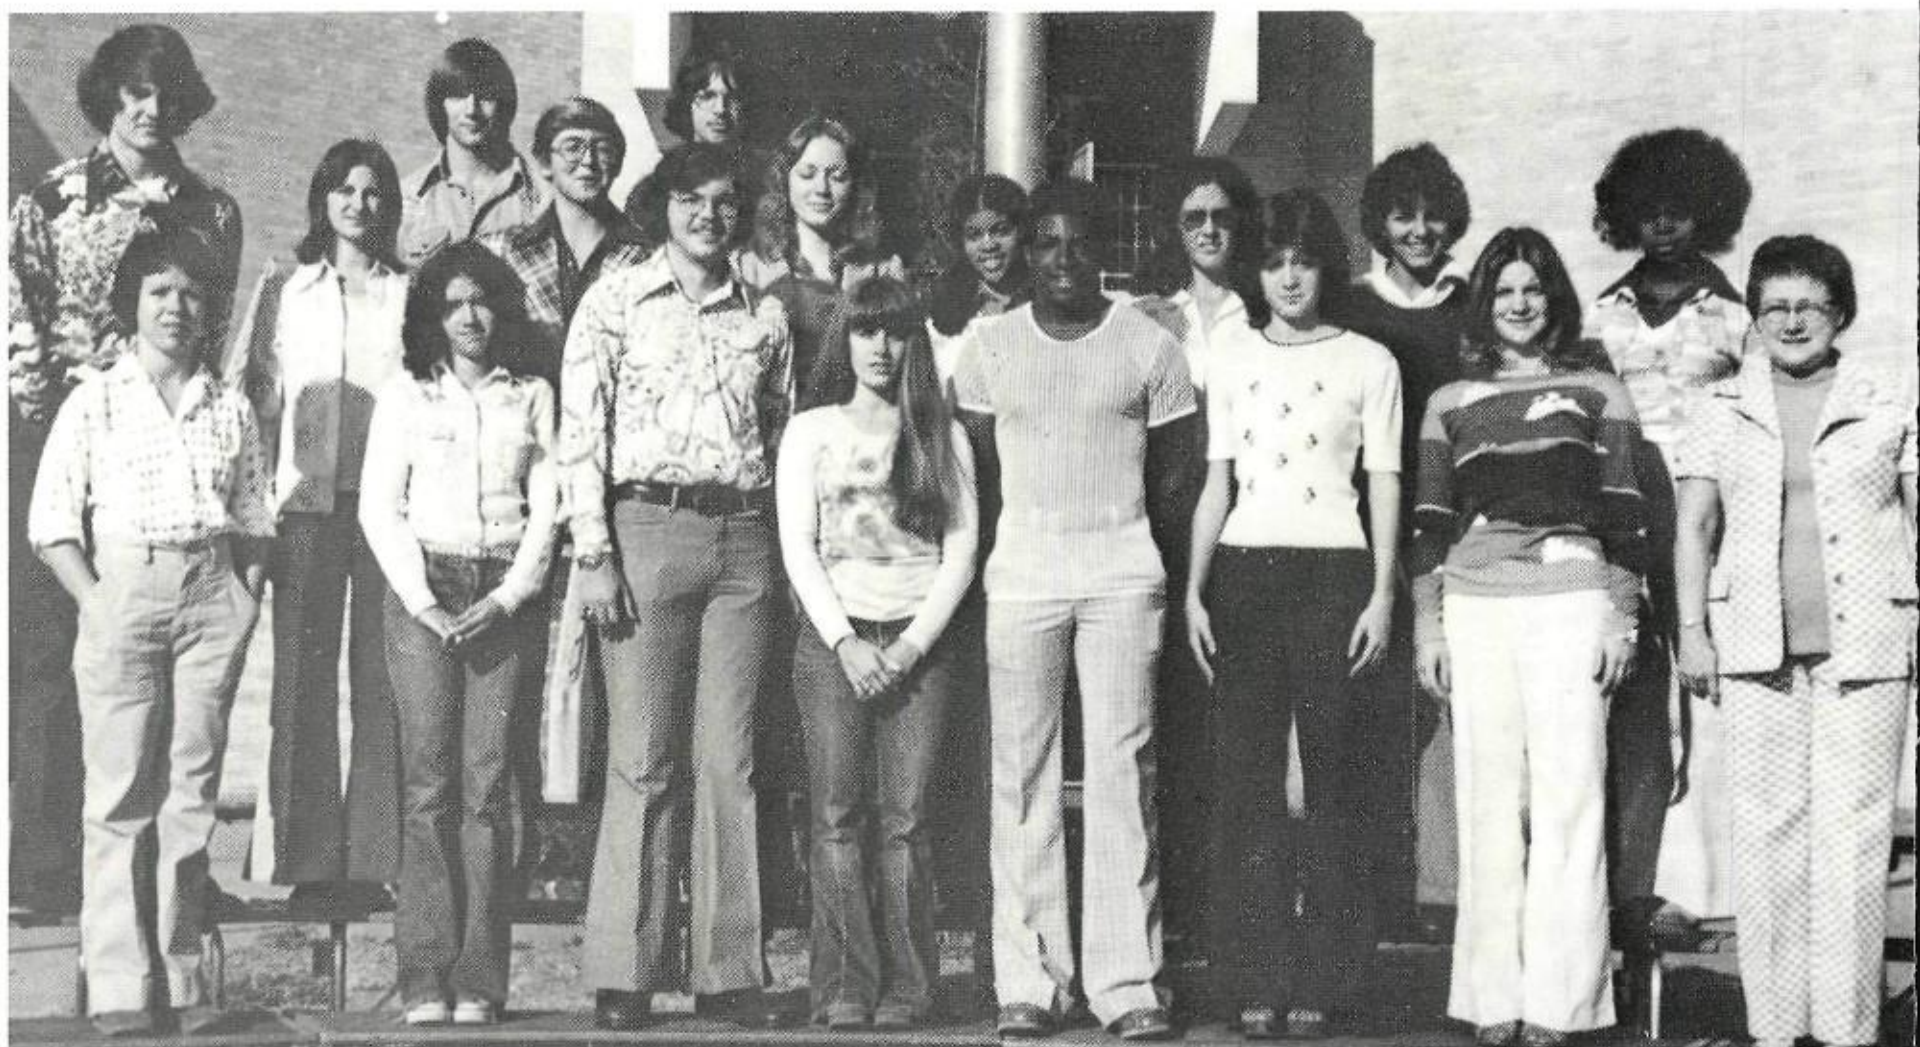

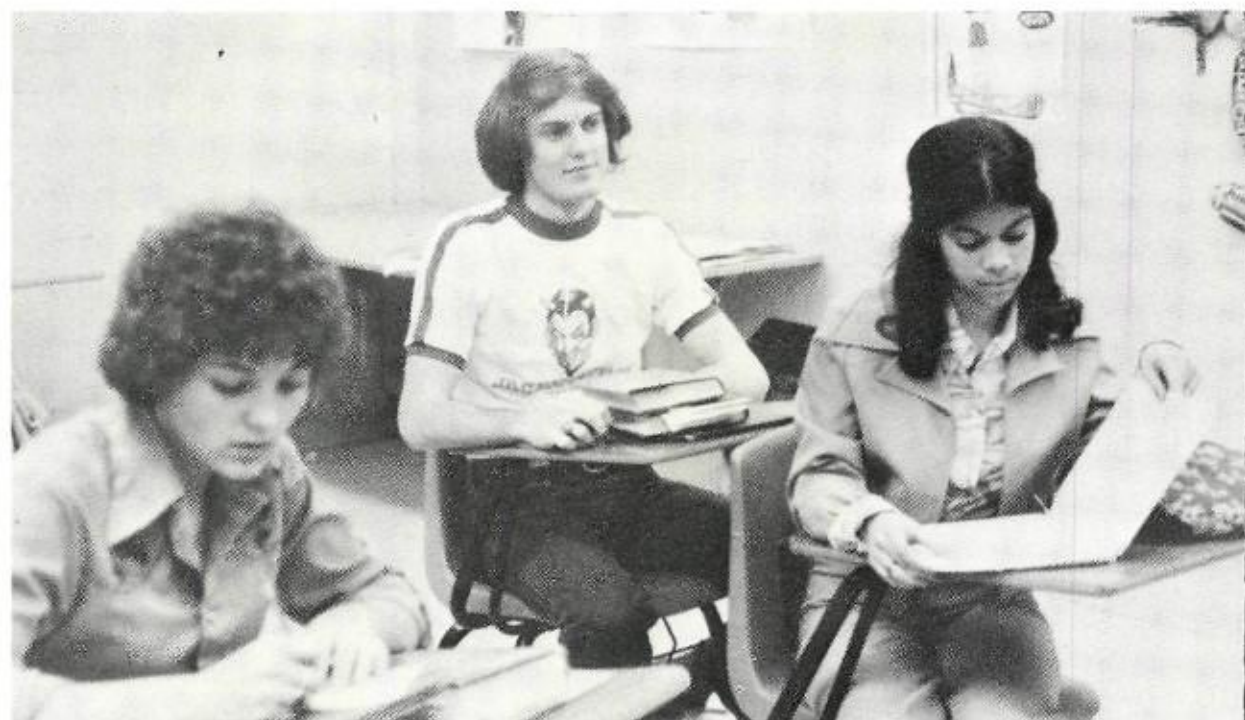

The JHS Interclub Council serves the faculty and students of JHS by coordinating school activities.

During the year, the council was responsible for several projects: football banners, distribution of rock gardens, homecoming activities, and SOS (Save Our School). The project promoted pride in school facilities and demoted vandalism.

Interclub is composed of the presidents of each school's club or organization. The Vice-President of Student Council is automatically Interclub Council President.

The officers are President, Mike Fortson; Vice-President, Dean Schoenborn; Co-Secretary, Debbie Ray and Cindy Meddress. The sponsor of Interclub is Mrs. Billye Shore.

Key Club celebrates 50th anniversary

Development of leadership and initiative is observed in Key Club members. The majority of their activities are service-type projects. Among the Key Club's many activities of the year, the club selects Key Club Sweethearts, sponsors Faculty-Key Club Basketball game, and sells senior shirts and J.

H. S. tee shirts. For entertainment, the club agenda includes a hay ride and dinner at Bonanza Steak House. This year Key Club celebrates their 50th anniversary, 1925-1975.

Each member must maintain a 2.6 grade average and be sponsored by a Key Club

member.

Sponsors are Mr. McDaniels and Mr. Lewis. Officers are: Pres., Dean Schoenborn; V. Pres., Joe Fudge; Sec., Mark Ratcliff; Treas., Dwayne Johnson; Historian, Jerry Byers.

Beta Club grows to 101 members

Preparing an individual for his place in the world is Beta Club's main objective. Beta Club is a service-leadership organization. There are a total of 101 members. In January, the club attended the State Convention at Little Rock, where they nominated a candidate for President of the State Beta Club.

To be eligible for Beta Club a student must be recommended by an English teacher; have a 3.00 grade average; be screened by a board of teachers and students; and have the principal's approval.

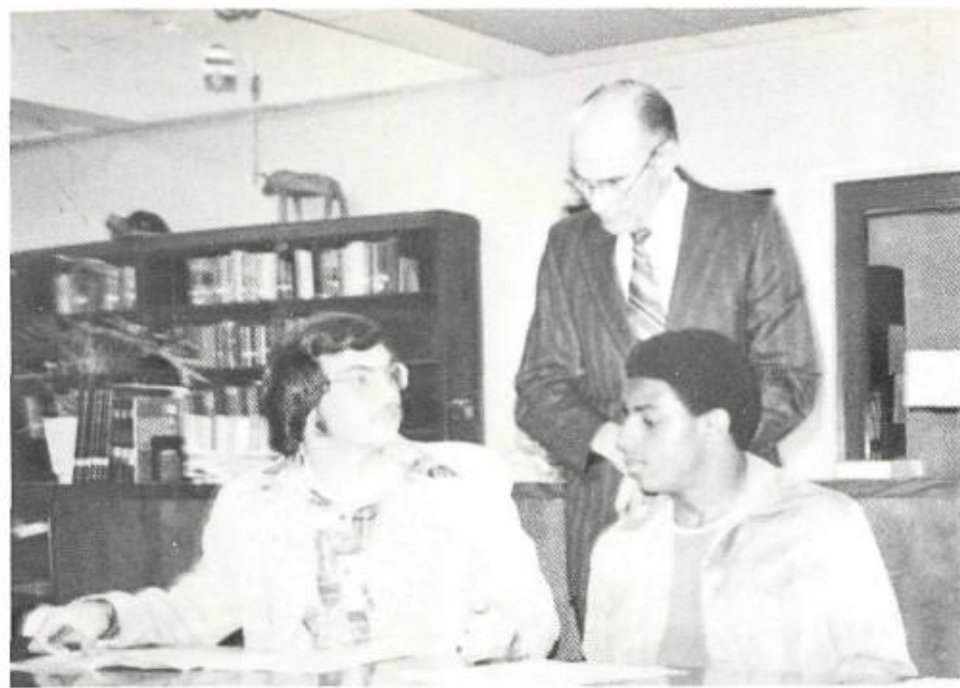

Mrs. Hammons is the club's sponsor.

Beta Club members attend the annual Beta Club Breakfast at Ramada Inn. Cynthia Meddress, Yalounda Jones, Mike Clawson and Pam Meddress enjoy the good food.

Math Club membership expands

Promoting interest in higher mathematics is one of the main goals of the members of Mu Alpha Theta (Math Club). New members were initiated in the middle of December; the initiation ceremony included a brief history of Mu Alpha Theta, presentation of certificates, and a reception.

During the last two years the club has expanded from thirteen members to the present membership of sixty members. Mem-

bers are required to have at least a 3.0 academic grade point average, be enrolled in a fifth semester of college preparatory math (Algebra II), and be invited by a faculty sponsor.

The sponsors are Miss McAlister and Mr. Hall. Officers are: President, Dean Schoenborn; Vice President, Mike Fortson; Secretary, Anita Polite; Treasurer, Leslie Moilanen.

HERO develops occupational skills

Hero is a club designed for students who are enrolled in Home Economics Related Occupations courses.

Hero helps youth look realistically at the world of work. Members participate in simulated, or on the job training in day care centers, kindergartens, food service operations, clothing skills, and a number of other jobs which may lead to future vocations.

Hero encourages youth to reach out and to become involved in the lives of others, in leadership, and in decision making experiences.

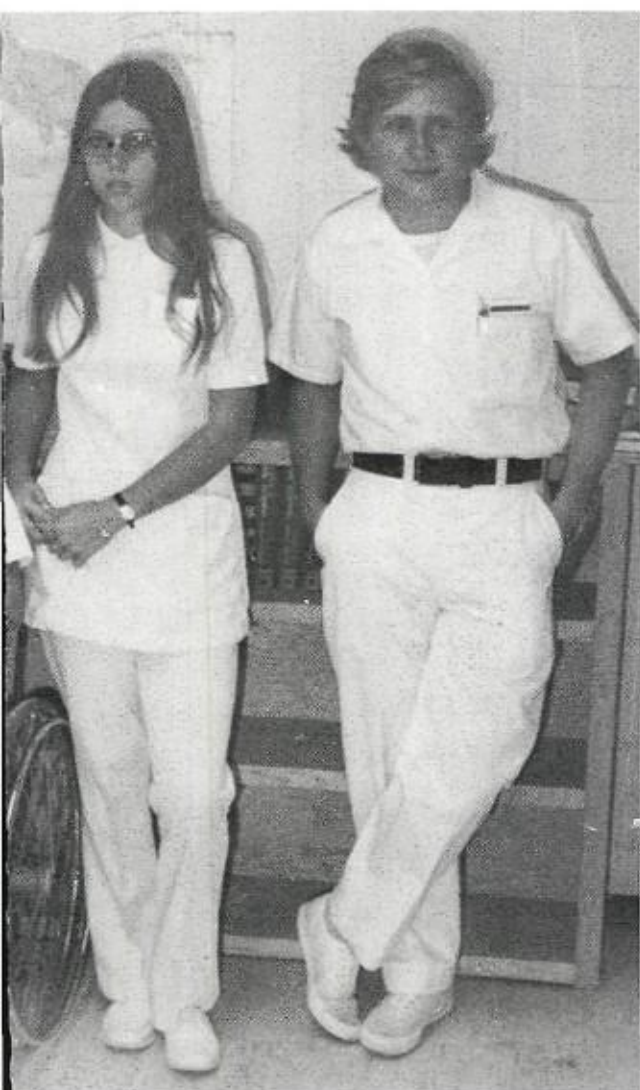

Hero is concerned with helping individuals develop to their full potential and achieve satisfying personal home and family lives.

Hero members Dana Johnson, Jodi Matteson, and Linda Duch participate in JHS mini parade and Jacksonville Christmas parade.

HOE trains students in health fields

The HOE chapter in VICA is concerned with the health field. HOE students work as nurses's aides, dental assistants, medical office assistants and physical therapists.

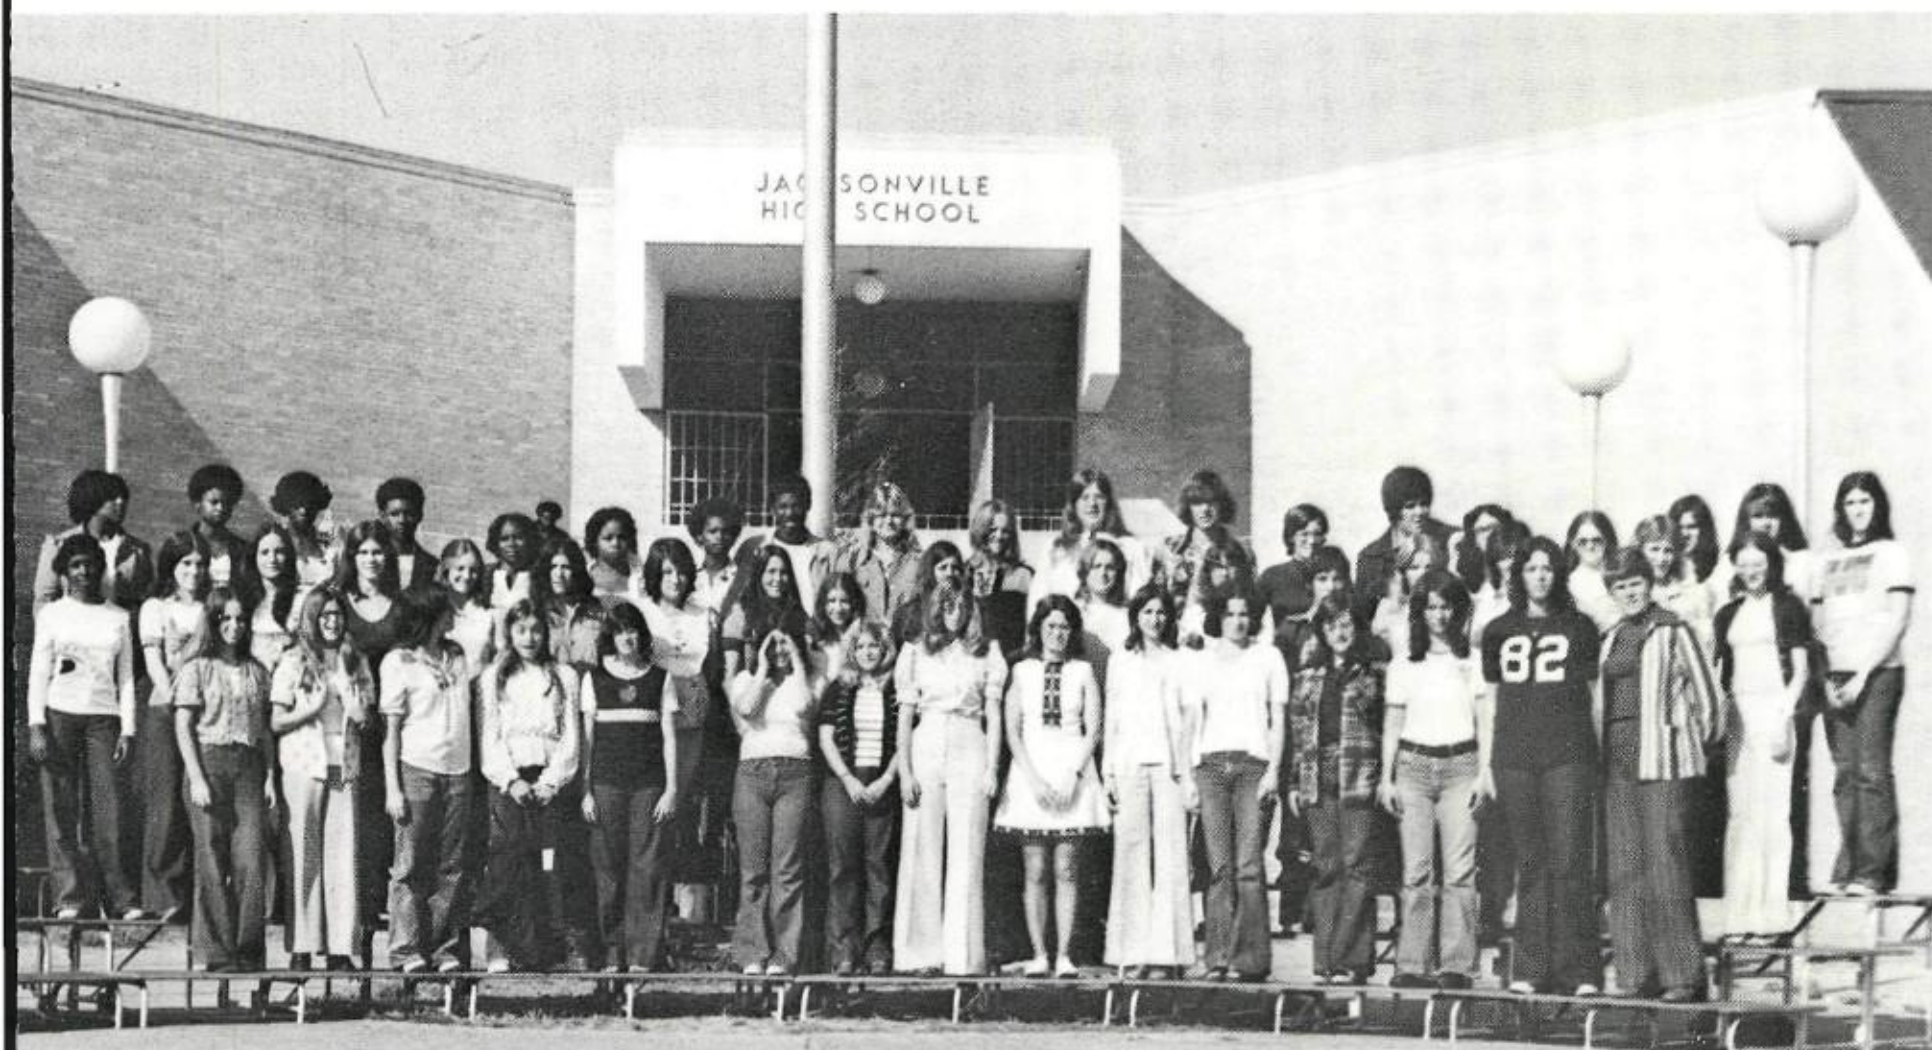

To become a member of HOE a student must be currently enrolled in HOE I or HOE II. Fifty-four members are enrolled this year.

Officers attended an officers clinic held during October. HOE attended the VICA state convention held in April.

Mrs. Margaret Sanders is sponsor of HOE.

Biology Club becomes the P. C. E. Y. B.

The Biology Club was started in the 1974-1975 school year, and it has a current membership of fifty-four. The members are comprised of students enrolled in Advanced Biology and Zoology.

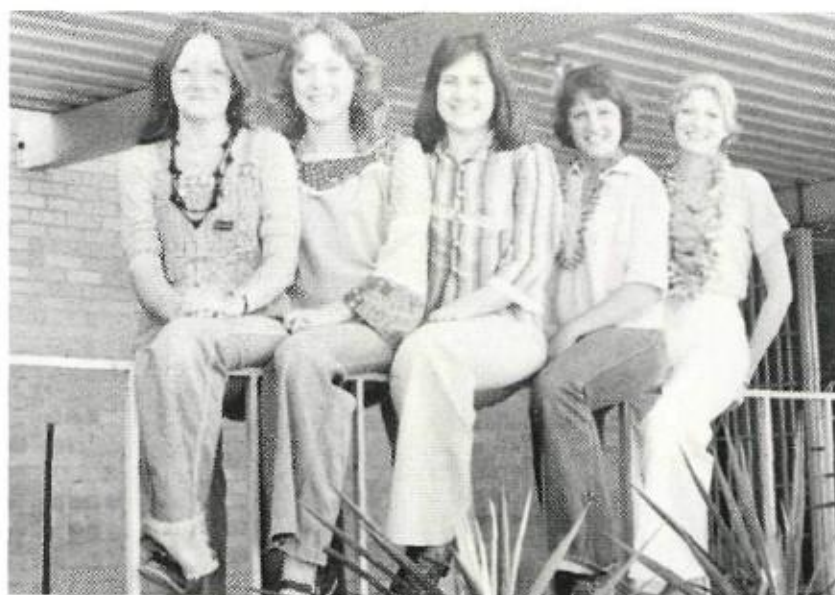

Some of the club activities included: Construction of the JHS greenhouse; the annual Buffalo River Float Trip; serving as part of the Jacksonville Bicentennial Committee; and various fund raising projects such as selling terrariums.

During the current school year, the Biology Club was designated as the Pulaski County Environmental Youth Board which works in conjunction with the U.S. Soil and Water Conservation Service. The highlight of the Youth Board activities included the sending of five students to the national convention in Honolulu, Hawaii, and attending the N.A.C.D. state convention in Little Rock.

The officers of the club are: President, Bobby Collins; Vice President, Diane Sutton; Secretary, Cindy Meddress; and Treasurer, Gwen Williams. The sponsor is Mr. Ron Coward, Biology I, II, and Zoology instructor at JHS.

Art Club promotes art appreciation

The promotion of art appreciation and understanding is the main purpose of the Art Club.

The club is composed of thirty-two members. To remain a member of the club a student must not miss more than three consecutively scheduled meetings.

Club members help make decorations for proms and also work on stage scenery. Art Club participated in the Homecoming and Christmas parades.

Ramona Autrey and Cathy Porter are the club sponsors.

Officers of Art Club are: President, Betsy Barr; Vice President, Nancy Matthews; Secretary-Treasurer, Patty Groves; Reporter, Von Neely.

Five delegates go to Oklahoma

The major purpose of Model United Nations is to give students an opportunity to learn about the foreign policies of countries by representing them.

Over twenty-five students from JHS participated in the activities held December 5-6, 1975, at the University of Central Arkansas at Conway. Jacksonville represented seven countries with at least four people in each delegation. Five students represented JHS in a nation wide simulated United Nations held at Oklahoma. This was the first time JHS had participated in any such activity out of the state.

The sponsors of Model U.N. are Mr. Ron Lewis and Mr. William Jones. The head delegates and their countries are as follows: Alisa Holley—Malti; Becky Capshaw—Ivory Coast; Earline Timple—Sierre Lome; J. B. Hall—Kamin Republic; Cindy Boyd—Singapore; Tommy Gannon—Haiti; Rosanne Romontio—Bhutan; and Mike Hunter—Paraguay.

Drama Club presents "Our Town"

The JHS Drama Club consists of seventy-two students who are interested in Drama. The club annually hosts "The Night of One Act Plays" in February and later in the year, the American Legion Oratorical Speech Contest.

On October 30, 1975, the Drama Club presented "Our Town" by Thornton Wilder. They also sponsored a car wash at the Jacksonville Fire Station. The money went to purchase a make-up kit for the club's productions.

All Drama Club students are eligible to compete in the State Speech Festival held at the Arts Center in Little Rock. They are also allowed to attend all Drama Workshops, sponsored by the Thespians.

Youth for Christ sponsors rally

Christian uplifting and spreading the news of God are the main goals of Youth for Christ. The club meets twice a week, and there is usually a guest speaker. During the meeting the club members discuss personal experiences with God, sing, and learn interesting facts about Christ.

This fall, Youth for Christ sponsored a rally. The rally was held in the Jacksonville High School Auditorium; Tom Ervin, Dave Boovier, Chris Horan, His Gang, and the Sounds of Joy were the guests. The club also participated in the mini-parade and Campus Clean-Up.

The officers are: J. B. Hall, President; B. J. Phillips, Vice President; Anita Polite, Secretary; Tim Goforth, Treasurer; and the faculty sponsor is Mrs. Glenda Arant.

The Jacksonville High School Chess Club promotes interest in the game of chess. Throughout the year, the club members compete against each other and hold chess tournaments.

There are no special qualifications for membership; every student is eligible.

Mr. Screeton is the Chess Club Sponsor.

ROTC develops superior leadership

Colonel James Callihan and Senior Master Sergeant Dana Browning have instructed the Jacksonville High School Reserved Officer Training Corps for three years. Each year the number of cadets enrolled in R.O.T.C. and their participation in activities has increased. There are no special requirements to qualify as a J.R.O.T.C. cadet. This year's unit consisted of five flights: A Flight, B Flight (both consisted of first year cadets), C Flight (second and third year cadets), D Flight (first year cadets), and E Flight (second and third year cadets). A Flight and B Flight were instructed by SMSgt Browning and C Flight, D Flight, and E Flight were instructed by Colonel Callihan. R.O.T.C. was taught under a military atmosphere; Wednesday was the classified uniform day on which all cadets were required to dress in full uniform and go through a military inspection. Once a month an I.G. Inspection was held in which an outstanding cadet of each flight, the outstanding cadet of R.O.T.C., and the outstanding flight were selected. The flight that

received the most demerits for their appearance and attitude received the "Booby Boot."

First year cadets studied drill movements, the aerospace environment, and the theory of aircraft flight. The second and third year cadets studied in intense detail aviation fundamentals and the organization of the United States Air Force. As a unit the cadets developed superior qualities of leadership.

This year R.O.T.C. participated in several activities. To start off the year, male cadets were invited to attend a Pentathlon sponsored by the Army. The Pentathlon included events such as running, swimming, rifle shooting, and obstacle course. At the first football game the R.O.T.C. Colorguard presented the colors and received the "Bicentennial Flag." The Colorguard and Mens' Drill Team were invited to march at the Conway Livestock Parade in September. The Colorguard and Mens' Drill Team participated in numerous activities including the Jacksonville High School Homecoming

Parade, Homecoming pre-game and halftime activities, Arkansas-Air Force Academy Football game in Little Rock, Jacksonville Christmas Parade, Christmas Parade in Little Rock, and the Little Rock Air Force Base Dedication Ceremony. The Colorguard also presented the colors at the pep assemblies, home football games, and at the Jacksonville Southside Junior High School Homecoming game. The Drill Teams competed in two drill meets this year, the first meet was held at Henderson and the second in Russellville. In January R.O.T.C. sponsored a rose-carnation sale; the roses and carnations were delivered to homerooms on February 13, for Valentine's Day. R.O.T.C. took two out of state trips this year; on February 21st, cadets attended a Bicentennial Parade in Shreveport, Louisiana, and in March several cadets visited the Air Force Museum in Dayton, Ohio. At the close of the year in April, the traditional Military Ball was held; all A.F.J.R.O.T.C. cadets at Jacksonville High School were asked to attend this last event.

Drill Teams place in meet

In November the Girl's Drill Team and the Men's Drill Team competed in their first drill meet of the year. The meet was held at Henderson. The drill teams Commanders, Linda Munnerlyn and Ronnie Henderson engaged their drill teams in several weeks of long vigorous practices. As a result of these practices, both drill teams came back winners. The Men's Drill Team placed second and the Girls placed fourth.

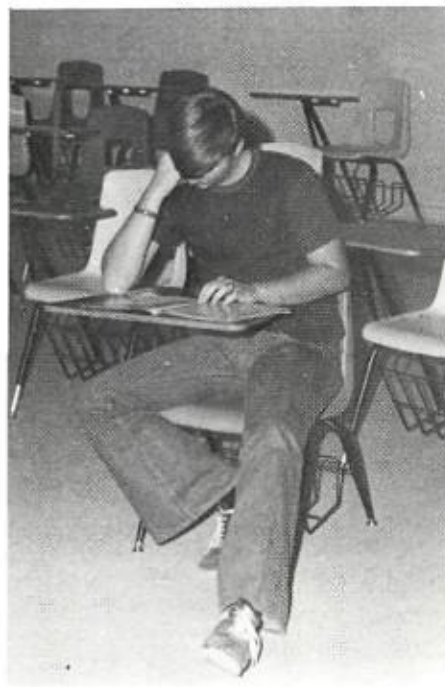

During the last part of the first semester, a new Drill Team was introduced to the Jacksonville High School Reserved Officer Training Corps—a Co-ed Drill Team. Cadet Jeff Henderson was selected as the Co-ed Drill Team Commander. Although the Co-ed Drill Team was organized late in the school year, the drill team was quite active.

The Drill Teams also participated in a Drill Meet at Russelville.

Choral department visits elementary schools

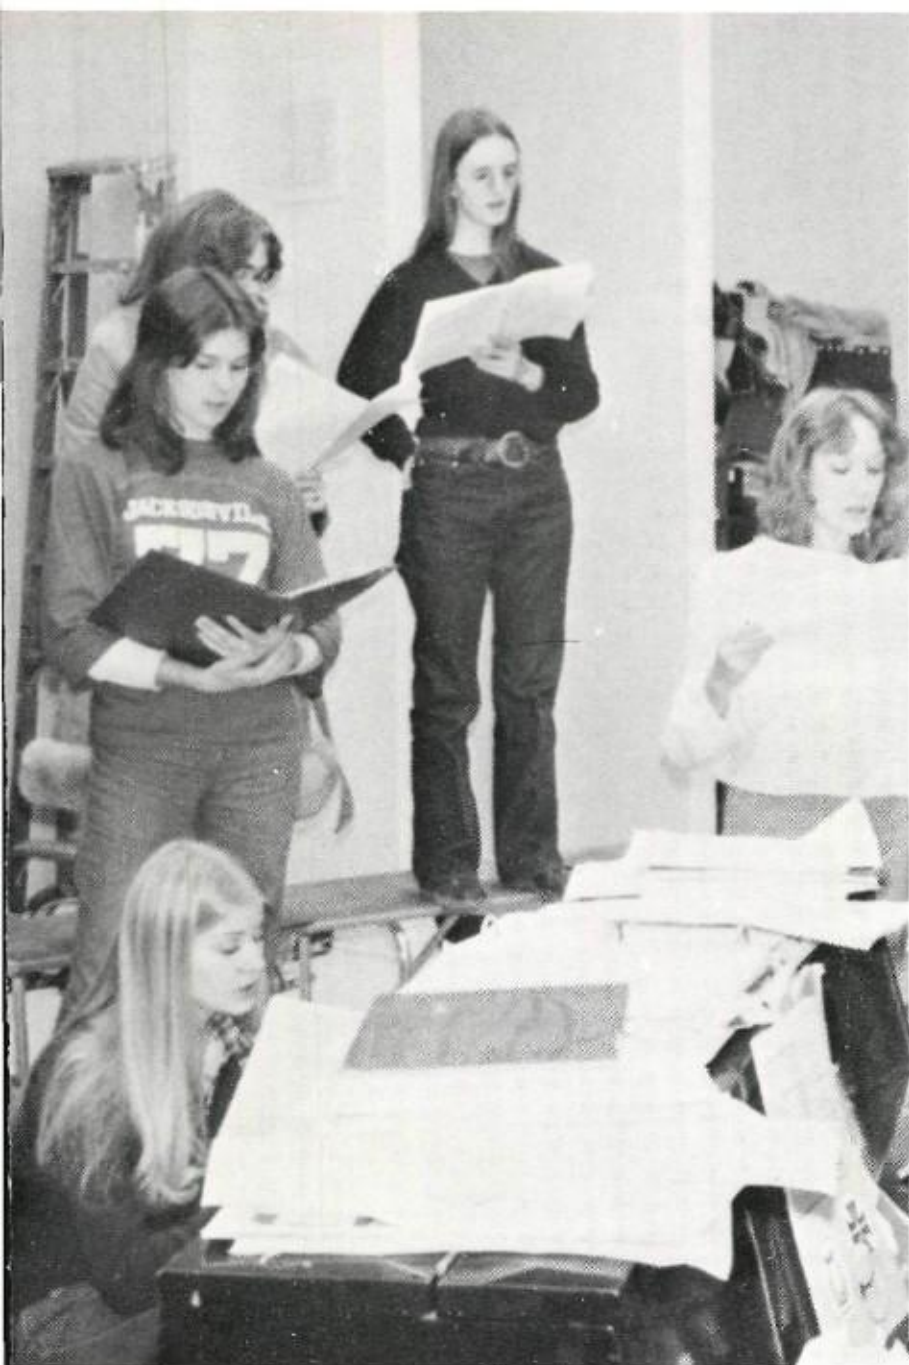

The Choral department is in its fifth year under the direction of Mr. Don Davis. He has done much for the choir students, such as planning many activities and performances for them. The Concert, Sophomore, and Girls choir performed at several elementary schools. They put on a skit including the songs "Twas the Night Before Christmas" and "Rudolph." The Sophomore choir sang those songs and members of the Concert Choir participated in the skit.

During the month of October, all the choirs sold popcorn. The profit from the sales was put into the choir treasury. The choirs also sold glass candles just before Christmas. The money from these sales went to pay for school expenses, as well as gasoline for the buses used on trips.

Another of the activities this year was the musical "Oklahoma." There were tryouts for the parts and it was performed on April 26, 27 and 29.

JHS Band hosts new music reading clinic

The Jacksonville High School Band, under the direction of Mr. Wayne Wilson, attended and performed at eleven football games, including a spectacular bicentennial half-time show for the JHS Homecoming. The band participated in the Homecoming and the Jacksonville Christmas Parades.

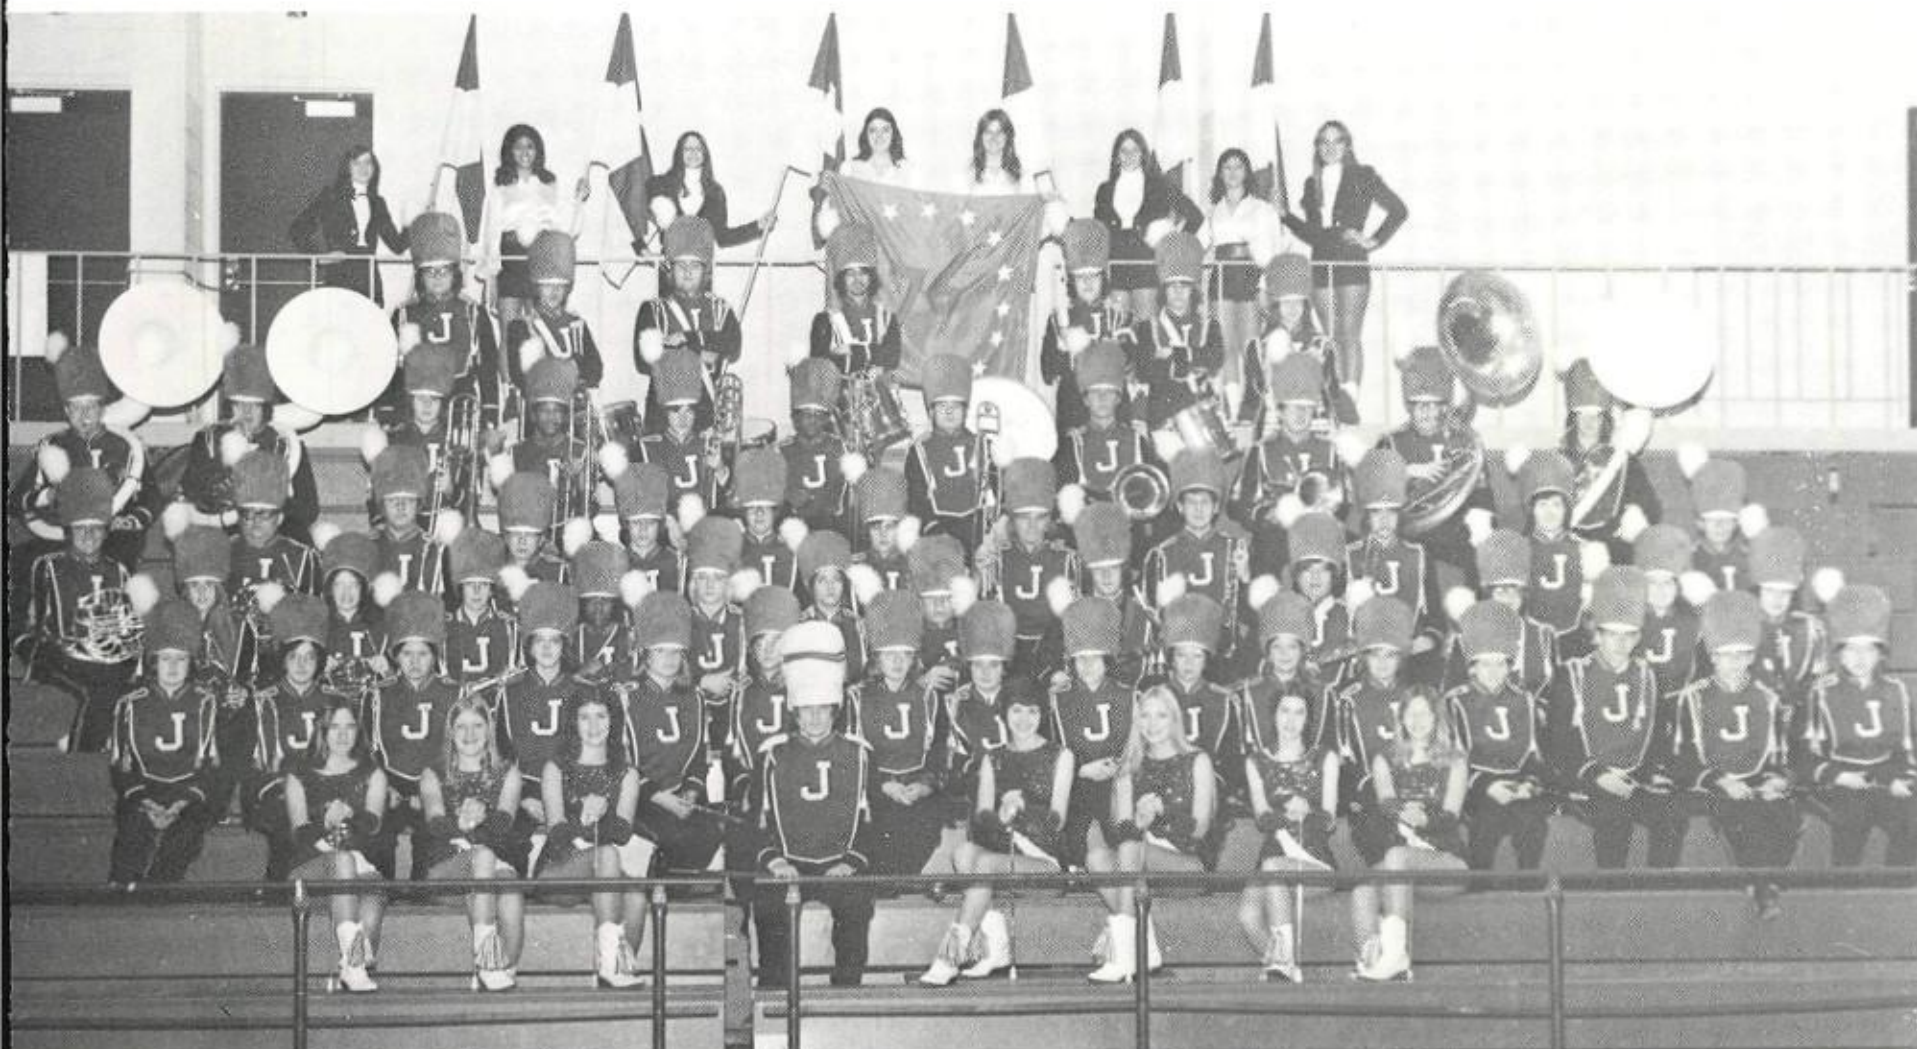

The Pep band played for several home basketball games and a number of pep rallies.

Both the senior and the varsity bands attended the All-Region Solo and Ensemble Contest, and a sight-reading clinic. During November, the JHS Band hosted a new music reading clinic for band directors from all over Arkansas.

This year the senior band numbers eighty-eight members, and the varsity band has forty members.

A-team cheerleaders go to Ole Miss

GO DEVILS is the cry heard from these twelve girls as they lead cheers and promote spirit for J.H.S.

On April 19, 1975, the girls tried out in front of five judges who were professional cheerleaders. The result of the try-outs was twelve cheerleaders and two alternates.

Under the direction of Mary Hawk, captain, the girls began practice for camp. They attended Ole Miss cheerleading clinic. This was the first year for the J. H. S. cheerleaders to go out-of-state. During their week at camp, they won several awards including a superior trophy and a spirit stick.

Mrs. Dixie Buchanan became the new sponsor at the first of the year. Football season brought some changes to the squad with Kim Nichols and Debbie Keister (in the group picture opposite page, upper right), resigning and alternates Mary Boyd and Carmella Smith replacing them.

Besides cheering at the games, the cheerleaders led pep rallies, gave the football and basketball players "pep-cards" on their lockers, and made stuffed footballs and basketballs for the senior team members.

The squad announced their first annual Outstanding Cheerleader Award at the senior football pep rally. Jeannie Bunch received this honor.

Devilettes participate in half-time activities

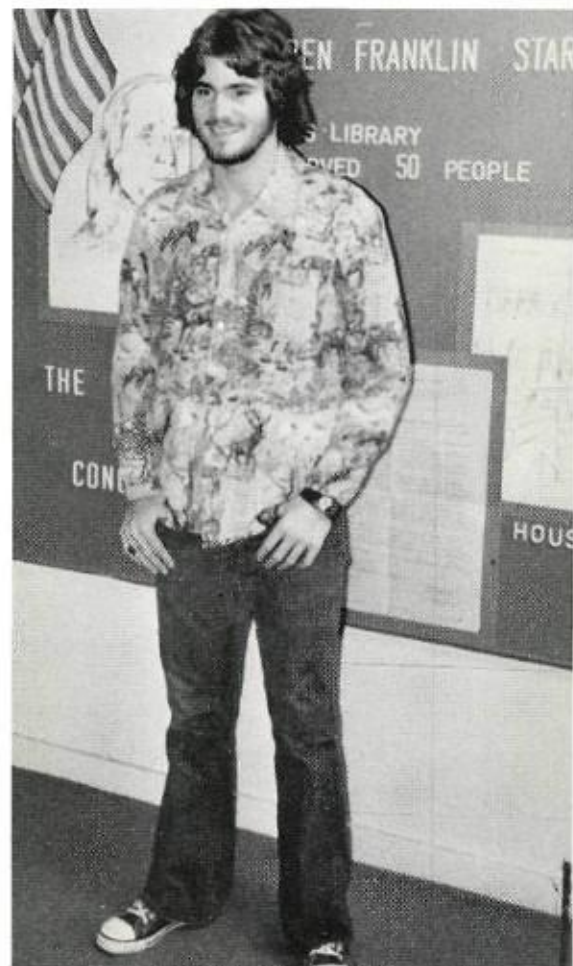

The J.H.S. Devilettes are the main participants in the half-time activities during both football and basketball games. They also represent Jacksonville in both the Jacksonville and the Little Rock parades. The Devilettes are also responsible for many of the posters supporting the Jacksonville Red Devils.

The Devilettes compete twice a year against other drill teams in the state. The girls brought back the first place trophy this summer from the drill team camp at U.C.A. They enter many different categories during Sweepstakes competition such as high kick, prop, and jazz.

This was Miss Cindy Gladney's first year as the Devilette sponsor.

B-Team Cheerleaders Back-up Spirit

Six sophomore girls belong to the group known as the B-team cheerleaders. Their purpose other than assisting the varsity cheerleaders during pep-rallies and to cheer on the sophomore/B-team football and basketball players.

The girls were chosen in April of '75 by five professional cheerleaders. When the new B-team cheerleaders were announced, the girls voted **Susan Moory**, captain, and **Dina Davis**, co-captain. Along with the varsity cheerleaders they went out-of-state to the Ole Miss Cheerleading Clinic.

Their sponsor is Mrs. Dixie Buchanan.

Pep Club spreads school spirit

The new year of 1976 has brought a lot of changes to JHS. Pep Club is one of them. The club was started in the early part of December. The official name for the club is the Jacksonville Senior High Pep Club. Its purpose is to get more school spirit among students. The captains are Karen Gentry, Doris Champ, Kathy Champ, and Andrea Johnson. The Pep Club hasn't been able to participate in school activities yet, but they hope they can add a lot more spirit during games and pep rallies. Mrs. Jefferson is sponsor of the club which has twenty-five members. They meet three days a week at 8:00 to practice their cheers and motions.

FTA attends convention at Hendrix

The purpose of the Future Teachers of America is to develop leadership and a professional attitude among students interested in the teaching profession, and the history and development of our nation's schools.

Members of FTA observed Future Teacher week during April by teaching elementary classes. In March FTA attended a convention held at Hendrix College in Conway. FTA participated in both the Christmas and Homecoming parades.

Each year FTA selects the Teacher of the Year. They base their vote on participation and interest of the teacher in the school. Teacher of the Year for 1975-76 is Mrs. Tommie Anthony.

Sponsors of FTA are Mr. Tom Nipper, Mr. Joe Hill, and Mrs. Carole Provin.

Officers are: President, Debbie Ray; Vice President, Mark Ratcliff; Secretary, Sharon Reilly; Treasurer, Jeanne Hobbs; Historian, Patti Havens; Parliamentarian, Doug Walley.

FBLA creates interest in business occupations

The Future Business Leaders of America seek to create more interest and understanding in the intelligent choice of business occupations.

Students must have taken one business course or be currently enrolled in a business course to become a member.

Jacksonville High School FBLA received its charter November 1, 1972. Since that time, the club members have participated in district and state conventions which are held each year. At these conventions the members compete with other members throughout the state in various business skills.

Officers of FBLA are: President, Kim Nichols; Vice President, John Elder; Secretary, Linda Roberson; Treasurer, Kathy Flanagan; Historian, Ramona Healy; Parliamentarian, Bill Tolleson; Reporter, Monica Rees.

Trident informs J. H. S. of current news

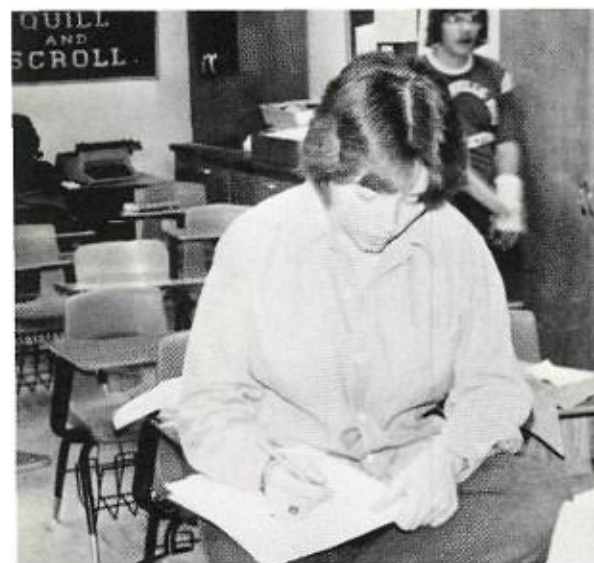

The Trident Staff provided the Jacksonville High School faculty and student body with current news events through the production of the Trident. The Trident exclusively informed students of school activities and sports.

In the spring, the staff attended the annual Arkansas State University Journalism Day. At this event the staff competed individually with high school journalists throughout Arkansas to test their knowledge of journalism. The staff also attended the Arkansas High School Press Associative Convention at Little Rock.

Trident staff members are selected by the sponsor Miss Connie Shrout, and they are required to have had completed two semesters of Journalism I.

The Editors are: Trident Editor, Mike Clawson; Associative Editor, Jodi Matteson; News Editor, Juanita Duke.

Yearbook staff presents 1976 Red Devil

1

Mrs. Dixie Martin—Advisor

With all of the talk about things increasing today, the Red Devil staff of 1975-76 had a few increases they were proud of. The book was extended sixteen pages bringing it to a total of 264 pages. Two other increases were advertisement sales and membership. Last year the staff had only ten members, compared with eighteen this year.

Some members of the Red Devil staff attended workshops this summer at Ouachita Baptist University and again in November at Central High in Little Rock.

This year's book was edited by Patti Havens and co-edited by Steve Thompson.

At an assembly in May, the '76 Red Devil was presented to the student body.

This year's theme "Here's Looking At You" seemed appropriate as a way of assessing JHS's part in '76!

Football, Basketball,

view of Sports

Sports are always an important part of the school year at JHS. This year's sports curriculum included football, basketball, track, golf, gymnastics, and girls athletics, which is in its first year.

The girls athletic department includes volleyball and track. Coach Cindy Gladney is the head of the department. Fifty-four girls are currently enrolled in this program.

The football win-loss record for this year was 4-7. Head coach Bill Reed along with Coaches Puyear, Burk, Emory, and VanHoose were proud of the team this year. Bobby Casey, senior, made All-Conference, first team.

Coach Hamilton is a new member of the staff. His main job was to coach the basketball B-team.

JHS is very proud of all of the athletic programs, and of the fans that supported them. So let's take a look at sports.

Track, Golf . . .

FOOTBALL '75

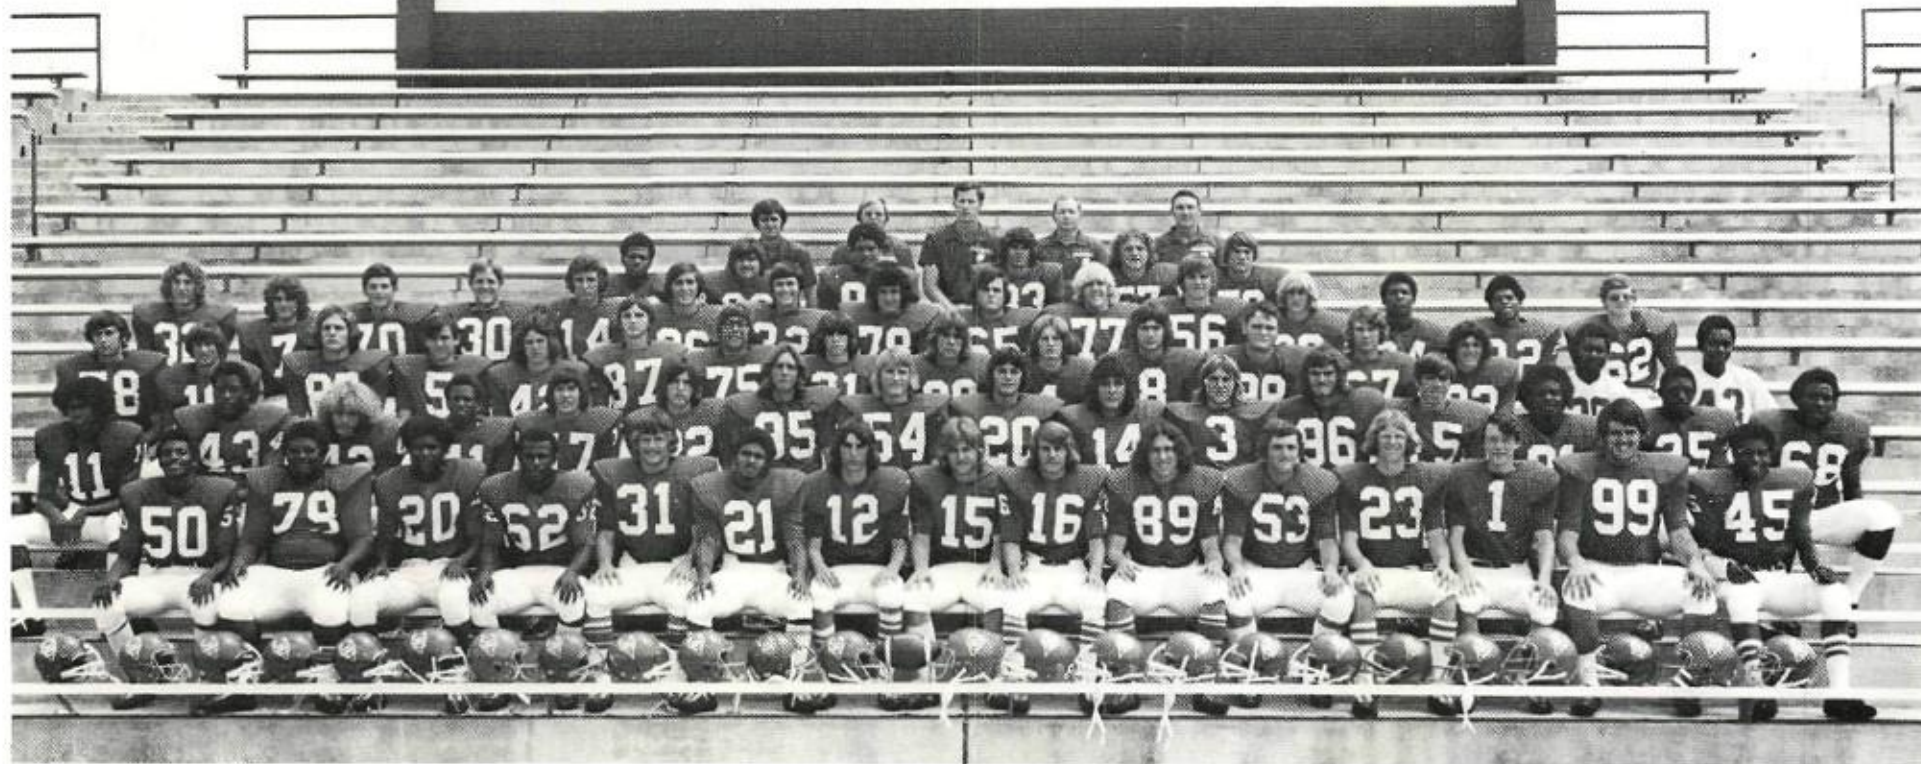

The Jacksonville Red Devil football team played eleven games in the 1975 football season, winning four games while dropping seven. Even though the overall season was disappointing, there were many high points during the season, and the team was backed by its fans at every game.

The '75 season will be remembered by the Devils upset of top-ranked Jonesboro and Bobby Casey was named to the first-team all conference. The defense played well throughout the year, and Coach Reed commented that, "Our inability to score kept us from winning."

Below: Coach Reed instructs the Devils in off-season drills. Right: Coaches of the Red Devil football team: Puyear, Emory, Reed, Burk and Van Hoose.

Devils show strong defense

Sylvan Hills

The Jacksonville Red Devils opened their 1975 football season against Sylvan Hills on September 5. Sylvan Hills scored in the second quarter, and held on to win the game 9-0.

The first score of the game was set up by a costly turnover, early in the second period of play. A pass from Devil quarterback **Jerry Gordon** was picked off by Bear defender **Glen Cope** on the Sylvan Hills 27. The Bears initiated a drive deep into Red Devil territory. With a first down on the Devil four yard line, the Jacksonville defense mounted an exciting goal-line stand. With the pressure on, Bears halfback **Russell** was held with small yardage. The next play called off a quarterback sneak, but the Devils stopped the Bears cold. Jacksonville was penalized the following play, giving the Bears a third and one situation. Ripe for a touchdown, it was Sylvan Hills' turn to be penalized, a five yarder. With third and six, running back **David Hill** got the call, but Jacksonville threw him for a timely four-yard loss. With three minutes left in the half, Sylvan Hills put the ball through the uprights for a 3-0 lead.

Another turnover, also setting up a Sylvan Hills score, occurred as the Devils began a post-kickoff drive from their eight yard line. The offense moved the ball down to their 28, but with third and 11, **Jerry Gordon** was mobbed by Bears as he attempted to pass, and Sylvan Hills recovered the resulting fumble on the Devil 16.

The Bears drive ended when **Russell** dived over the goal from the three. The point after was no good, and the Bears led by a score of 9-0 with 2:36 left in the half.

The second half was scoreless, with Jacksonville fumbles ending any chances for a Red Devil score. Jacksonville's **Matt Henry** was the leading runner in the game, with eleven carries for 89 yards. Jacksonville's defense showed it could play well in any situation and that it could also play well under pressure.

Hot Springs

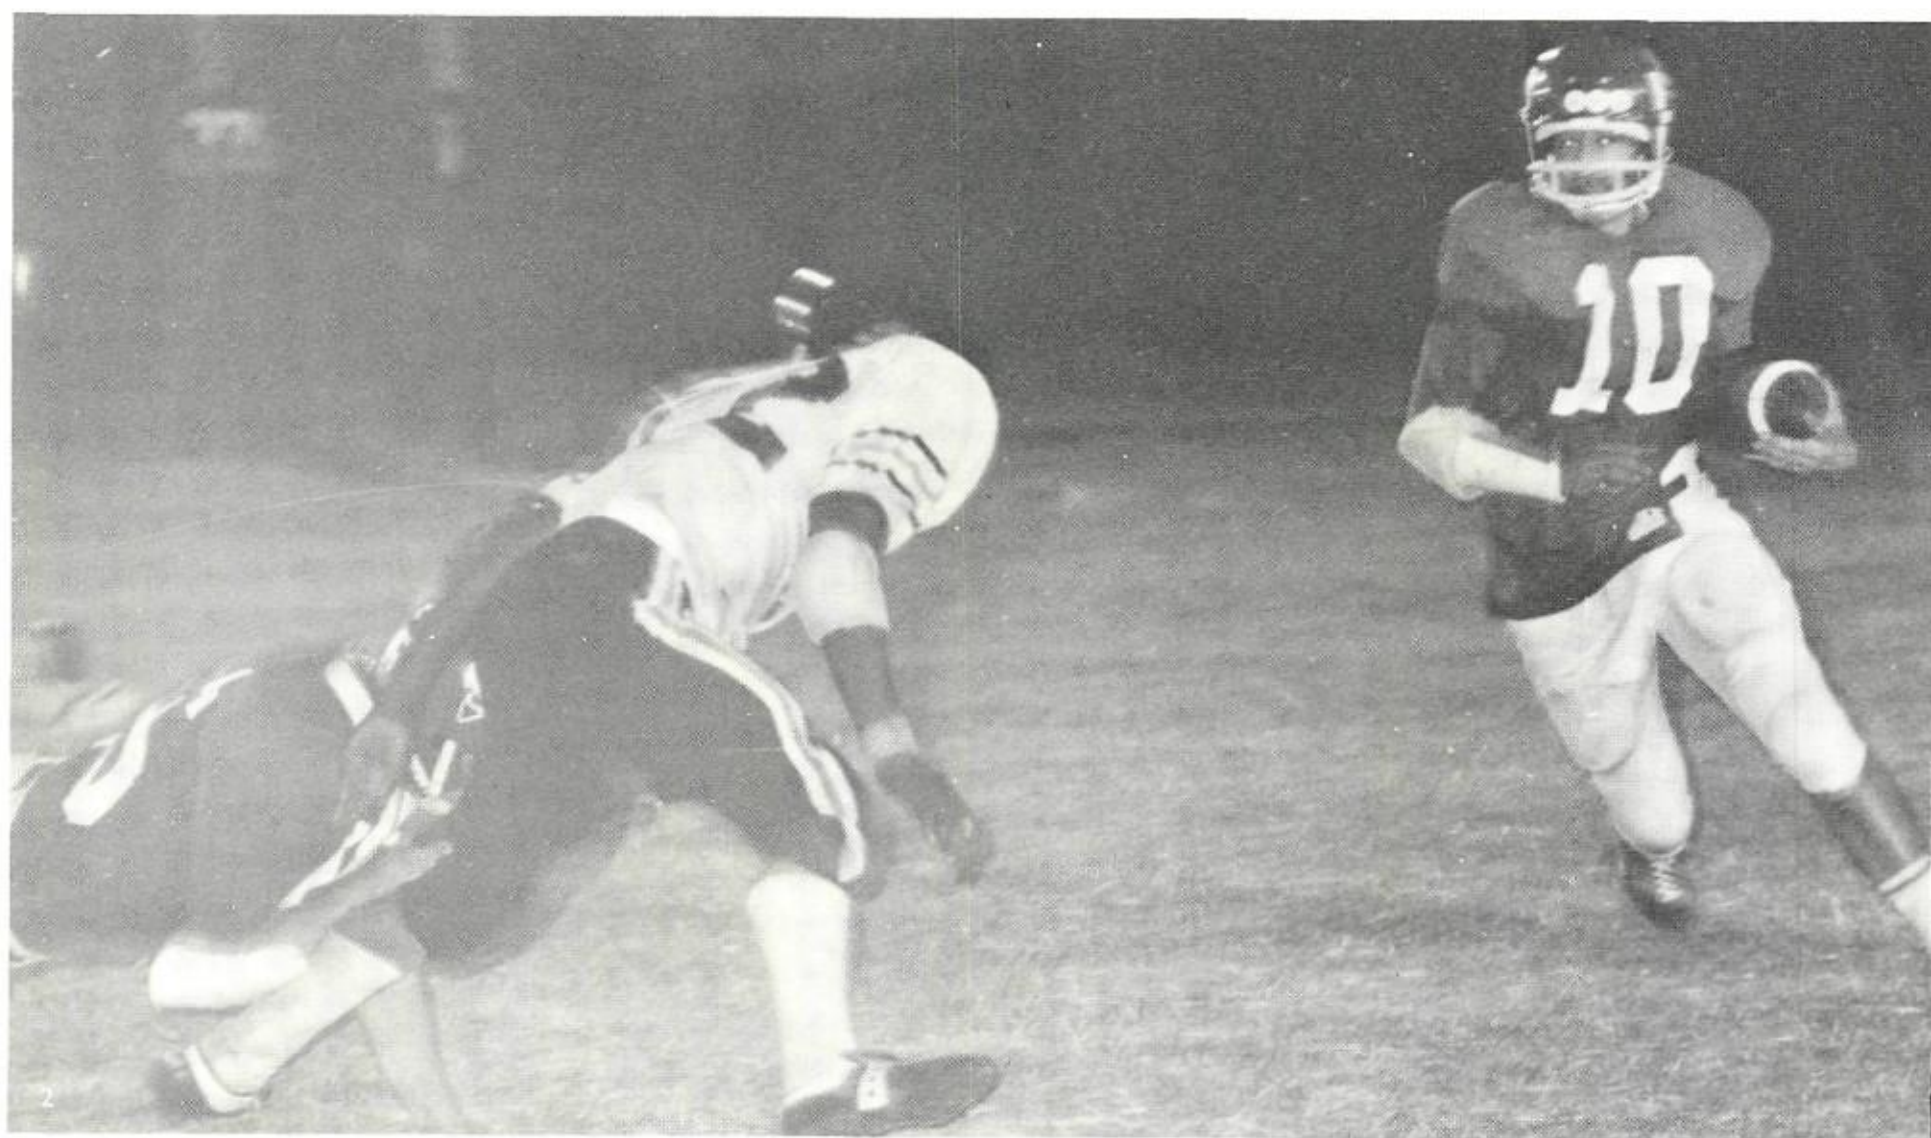

Jacksonville's second game of the season

ended in disappointment as the Trojans of Hot Springs came from behind to win a close one 10-9.

From the very start the game was dominated by a very tough Red Devil defense. In

(Continued on Page 111)

the first quarter action, good defense was shown by both teams. Late in the period a 49-yard Jacksonville drive was stopped at the 19, where **Joe Holcomb** attempted a field goal. The try was good, and the Devils were out in front in the closing seconds of the first quarter. In the second quarter the Trojans had possession of the ball far into Jacksonville territory through a Devil fumble, but the Jacksonville defense held, and at half-time the score was 3-0 Jacksonville.

Hot Springs returned after the half with another drive, but once again a strong Devil defense put an end to the drive on the eight. The teams exchanged punts, and the Red Devils took over on the Trojan 49. On the first play, **Matt Henry** broke upfield and ran for a 49 yard touchdown. The extra point was no-good because of a missed snap, and Jacksonville kicked off to Hot Springs with a nine point lead.

On the Trojans next possession, a freak play occurred which gave them their first score. Quarterback **Dennis Smith** passed to **Nelson Thompson** on a third and nine situ-

ation on their own 15. **Thompson** fought to the 50, where the ball was fumbled. But a Trojan guard picked up the ball and made his way in for a touchdown. The point after was good, and the score was 9-7 Jacksonville.

In the final quarter Jacksonville could not get a drive started, but the Devil defense held for four downs early in the quarter in a Trojan first and goal situation. Punts were exchanged, as neither team was able to mount a drive. As time was running out, Hot Springs blocked a Devil punt and took over the ball on the Jacksonville 27. On third and four, **Smith** again connected with **Thompson** on a pass, and the Trojans threatened on the Devil's four yard line. Hot Springs decided on the field goal, and the attempt was good, giving them a one point edge over Jacksonville.

After receiving the following kick, the Devils tried two pass plays which left no more time on the clock.

Helena

The Red Devils of Jacksonville High brought home their first victory of the season as the Devils soundly defeated the Helena Cougars 26 to 0 on September 19.

On the first play from scrimmage, **Tony Tademey** scrambled 34 yards to the Cougar 39. With **Jerry Gordon** at quarterback, **Tademey**, **Henry**, and **Fortson** alternately carried the ball, and Jacksonville scored its first touchdown in seven plays and 68 yards rushing. The point-after was good by **Joe Holcomb**, and Helena received the kick. The Cougars failed to move the ball through fumbles, and were forced to punt. The Devil offense took over, but lost the ball on a fumble at the Cougar 20. Later Helena was again forced to punt, and the Devils again took over on the Cougar 44 yard line. After a five yard gain by **Tademey**, **Fortson** caught a 10 yard pass to the 29. Carrying on the next four plays, **Fortson** plunged over for a touchdown from the two yard line. The PAT was no good, and Jacksonville led 13-0 at the half.

The Cougar's only strong drive came in the second half when they moved down to the Devil eight. The drive ended when **Anthony Steels** intercepted a Cougar pass and ran it back 50 yards.

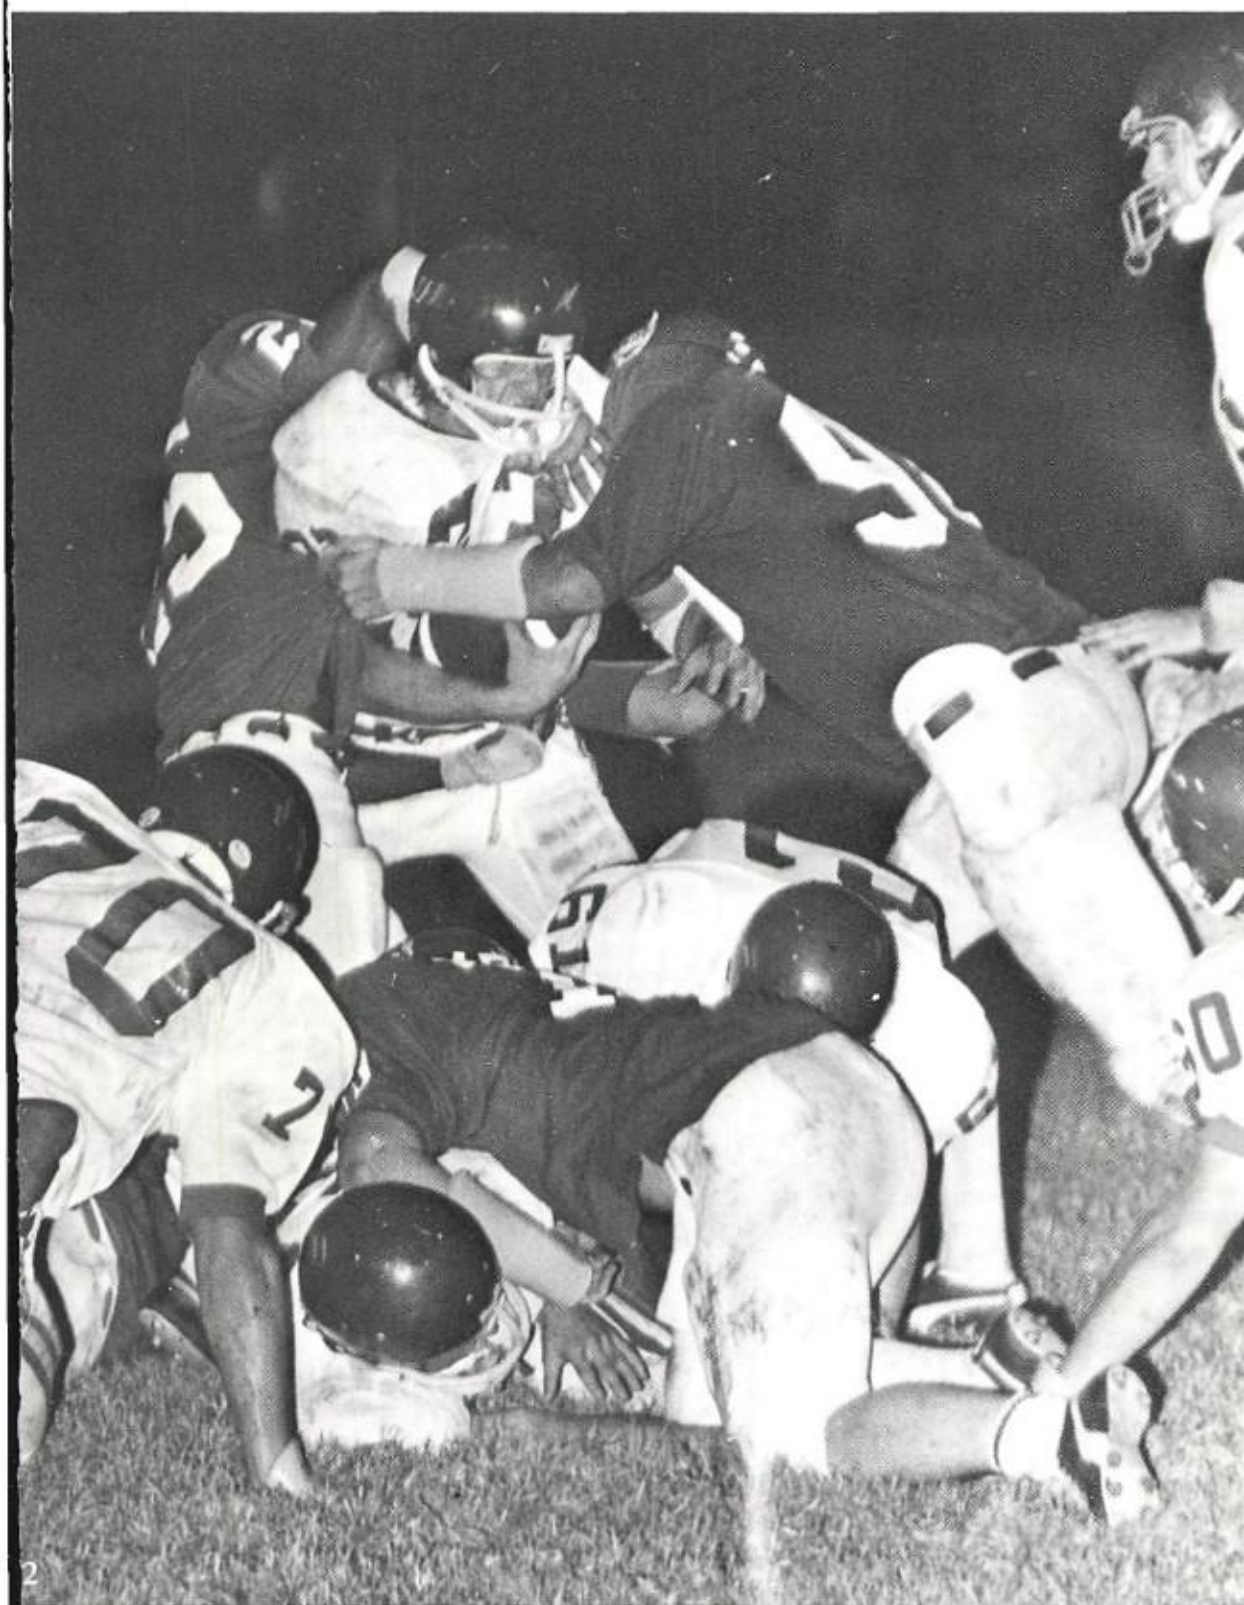

As the Devil offense took over, rain began to fall, and with only 40 seconds gone in the fourth quarter, **Fortson** scored his third touchdown amid the pouring rain.

Helena received the kick and after five minutes, the Devils recovered a fumble on the 25. **Gordon** hit **Ken Temply** for 20 yards, and two plays later **Tademey** carried it across for six more Devil points. The extra point by **Holcomb** was good. Helena then again failed to move the ball, and punted to Jacksonville with 58 seconds left, giving the Devils a 26-0 victory.

Mills

On September 25 Jacksonville met and defeated the Comets of Little Rock Mills, giving The Devils an even record of two wins and two losses.

(Continued on Page 112)

(Continued from Page 111)

On the Devils first ball possession, Mills picked off a Jacksonville pass on the Devils' 41, and then proceeded to move the ball forward to the Devil 9 yard line and first down. But a holding penalty and an aggressive Devil defense moved them back to the 34 with fourth down coming. The Devils received the ball on their own 5 but later were forced to kick it away on the seven. Mills took over on the Jacksonville 37. On the following play they completed a pass, and with a Jacksonville penalty, found themselves on the Devil two. On the next play Mills scored, but were called back because of an offside against the Comets. The Jacksonville defense then overpowered the Comets for four plays, and Jacksonville took over. The game's only score in the first half came as a Devil drive took the ball down to the Mills three-yard line. On third down Fortson carried from the two for six points. The point after was good.

In the second half, Mills only score came on the opening kickoff, which was returned 89 yards by Kenneth Pigea for a touchdown. The PAT was good, and tied the game. Jacksonville then fumbled the ball on the first play from scrimmage, giving the ball to the Comets on the Red Devil 30. Neither team could move the ball, then late in the third quarter, Anthony Steels intercepted a Comet pass which set up a Devil touchdown from the Comet 19 with Henry carrying around end. But the touchdown was called back because of offside on the Devils. On the next play Gordon threw to Ken Temple for a touchdown from the 24 yard line. Holcomb kicked the point, and the score remained 14-7 for the remainder of the game, giving the Red Devils their second win.

Texarkana

The Jacksonville Red Devils suffered a huge defeat as the Texarkana Razorbacks trounced them 30-0.

The Devils failed to sustain any kind of drive during the game. On Texarkana's first

possession they ran for two first downs in the first two plays. The Devil defense managed to stop them and the Devils got the ball on their own 41 yard line.

The Devils received a short spurt of energy but the drive fell and the Devils punted the ball away.

The Razorbacks could not be stopped as they drove to the 26 yard line where Randy White kicked a field goal and the Hogs led 3-0. The Devils still failed to mount a drive and

kicked the ball away to the Texarkana 34 yard line. There the Hogs took off and **Ronnie Robertson** broke loose at the 23 to score six. The point after was good and the Hogs lead was stretched to 10-0.

The second half was all Texarkana as they scored twice. One score was on a Devil fumble at the 41 which took only two plays to produce the score and the other on a **Ray Cardwell** punt to Hog's **Robertson**, who ran it back 80 yards for the score. That made it 24-0 Hogs.

The Devils threatened a drive late in third quarter as **Jerry Gordon** connected on passes of 16 to **Joe Towsley** and 20 and 27 to **Mike Fortson**. But a Devil fumble halted the drive. The Hogs then returned the ball back and the Devils took over at the 30. **Jerry Gordon** raced 21 yards to the nine. They could get no closer as the Hogs threw them back to the 20. Then on a fourth down **Joe Holcomb's** kick fell short.

Late in the fourth quarter **Jerry Gordon** fumbled and a Hog defender picked it up and raced 30 yards for the score. The point after failed and that's the way it stayed 30-0. Jacksonville then fell to 2-3.

Jonesboro

Jacksonville Red Devils upset 10th ranked Jonesboro 6-0 in a hard fought game. The only score came as **Eddie Jackson** ran back a Jonesboro fumble 96 yards.

Both offenses never got on tracks as both teams produced defensive play after play.

In the second quarter the Devils drove the ball to the 17 yard line then turned it over on a fumble. The Hurricanes then drove 11 yards and fumbled back to the Devils. But the drive was futile as the Devils turned the ball over again on four down.

The only good drive of the night was by the Hurricanes as they drove from their 41 to the two yard line. The Devil defense withstood them on two downs and drove them back a yard. On third down and three, a Jonesboro halfback fumbled the ball and **Jackson** recovered it and raced 96 for the score. The point after was no good and the Devils led 6-0 at the end of the first half.

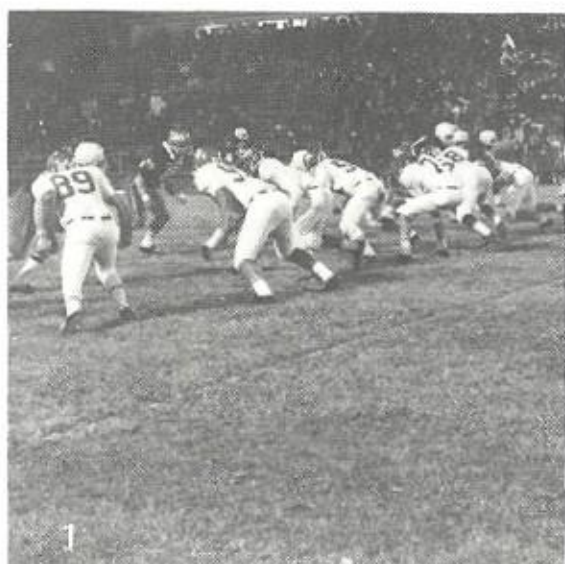

The second half was all defense as both teams dominated with defense. **Ray Cardwell** led the Devils with 18 tackles and **Eddie Jackson** who had two pass interceptions as well as the long scoring run.

Catholic

On Friday, September 17, the Jacksonville Red Devils traveled to War Memorial Stadium to do battle with the Catholic High Rockets. The game was very hard fought, but at the end of the half the scoreboard showed the Rockets on top by the score of 15-7.

The Devils turned the ball over four times in the first half, running only six plays during that period. The defense played well, and their efforts held three Rocket drives in the first half from ending in scores for Catholic. The defense was sparked by good plays from Devils Brennan Hammond, Mark Dewey, Rocky Mantooth, and Ray Cardwel. Cardwel was also credited with three punts for a total of 116 yards.

Catholic was the first to score with a touchdown from middle linebacker Buddy Beavers. Beavers recovered a Devil fumble and ran it back all the way for six Rockets points.

After making changes in its offense the Devils came into the second half to win. The Devils drove 69 yards with the ball, and taking the ball on the five yard line, Mike Fortson charged over the goal line for six points. Joe Holcomb's kick was good, and the game stayed tied 7-7 until the fourth quarter.

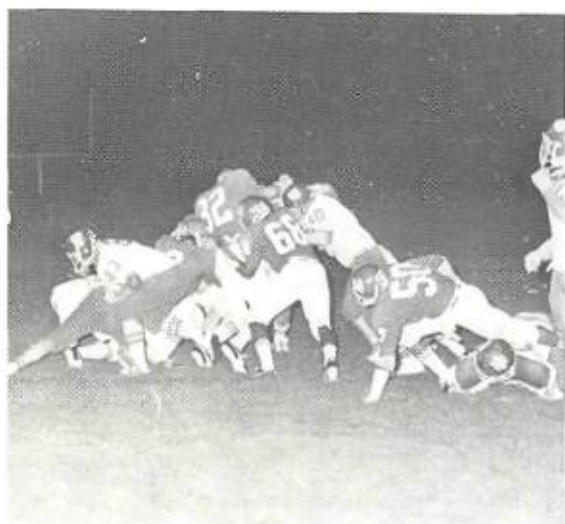

The tie was broken as Rocket Hank Hooper got through the Jacksonville defense for a touchdown. With the score 13-7, Catholic attempted a two point conversion. The attempt was good, and the score was 15-7 in favor of

Catholic.

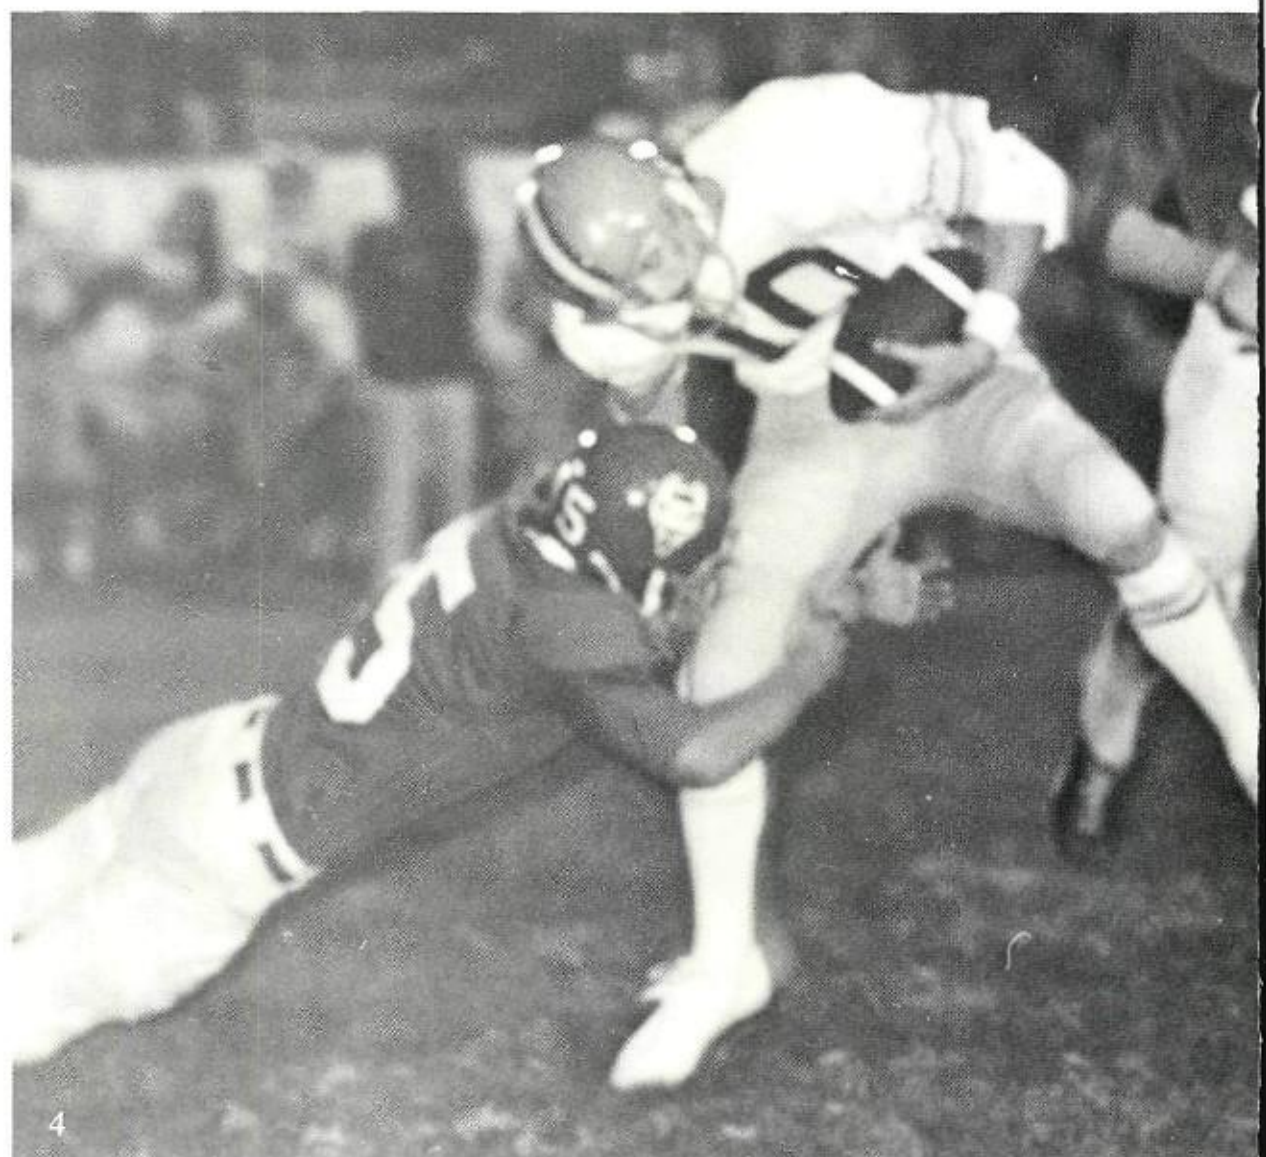

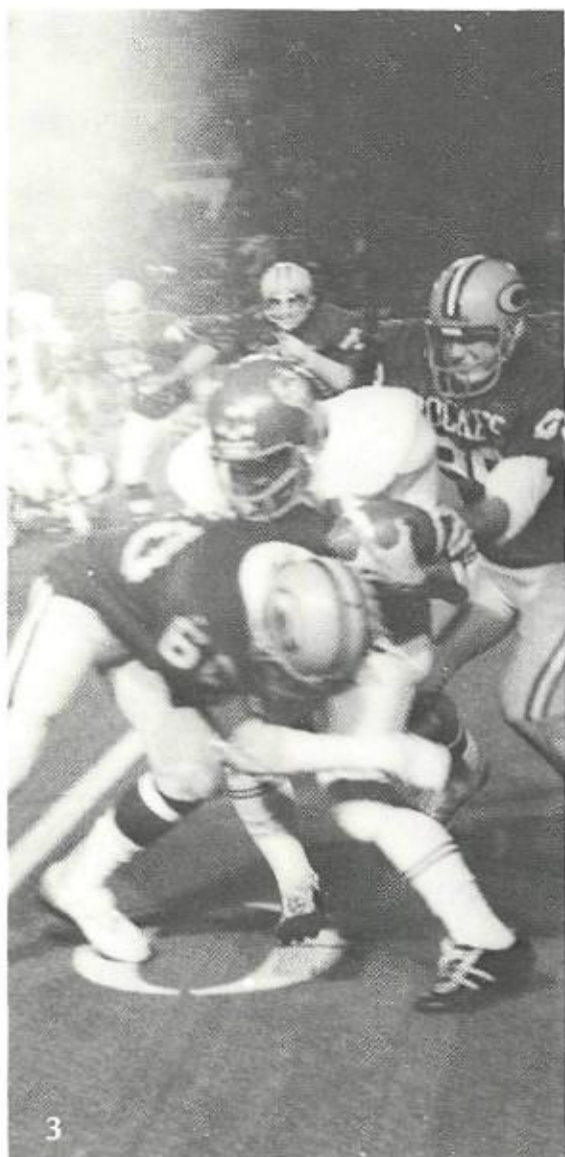

The Devils had two chances to score in the fourth quarter. As Jacksonville was punting, Catholic was called for clipping, and the Devils retained possession of the ball on their own with a first and ten. The Red Devil offense failed to move the ball again. In the first seconds of the game, Jacksonville again had the ball, and went to the air. The offense moved the ball 45 yards, but failed to score as time ran out.

Coach Puyear, as he was watching films of the game, said, "If there hadn't been so many turnovers in the first half and the defense held in the second, it would have been a different story." Puyear also remarked on the fine job the defense did, playing during all but four of the first half, and in holding the Rockets during the second half.

Red Devils Jerry Gordon, Matt Henry, Hugh Jernigan, Bryan Johnson, and Tony Tademey combined in rushing for 135 yards and 24 carries. Forty-five yards were also gained on passes by Gordon. Other statistics in the game were: eight Devil first downs with four penalties and four turnovers.

1. An aggressive Devil offense comes off the line as the ball is snapped. 2. The Devil defense does it again as they stack up a Sylvan Hills runner for a loss. The whole defensive line was in on the tackle. 3. Tony Tademey is stopped for a loss by two Catholic defenders. 4. Mike Stoneking puts a hard hit on a Russellville runner.

McClellan

Jacksonville received the kick-off and started a drive with three penalties on the first three plays against McClellan. The Devils got no further the next three plays and oiley Ray Cardwell got off a poor punt and McClellan got the ball on their own 43 yard line. The Lion's could move neither. An exchange of punts and McClellan had the ball back at their own 35 yard line. In two plays the Lions were at the Devil 33. The Devil defense then went to work and stopped McClellan on fourth and two.

The Devils offense still couldn't get on tracks and punted away to the 22 yard line of McClellan.

The Lions finally got it in gear and drove the ball 78 yards in 12 plays. Rusty

Tripp carried the ball in from the seven yard line for the score. The point after was good and McClellan lead 7-0, early in the second quarter.

With a minute left the Lions intercepted a Jerry Gordon pass. Unable to move the ball the Lions kicked a 26 yard field goal with three seconds left. That made it 10-0 at the half.

Late in the third quarter the Lions drove to the three yard line where Greg Mogness went over for the score. The kick was good and the Devils fell behind 17-0.

In the fourth quarter the Devils were hampered with three turnovers. With this the Lions scored once more from the two. The kick was wide and that's the way it stayed 23-0.

Russellville

The Red Devils of Jacksonville outplayed

their opponent Russellville, everyplace except on the scoreboard. It was an all defense game like the games Jacksonville has played before.

The Devils outgained the Cyclones 78 yards total offense. On their first possession the Devils drove the ball to the 27 yard line before turning the ball over. Again on their second possession they drove to their 16 before turning the ball over again.

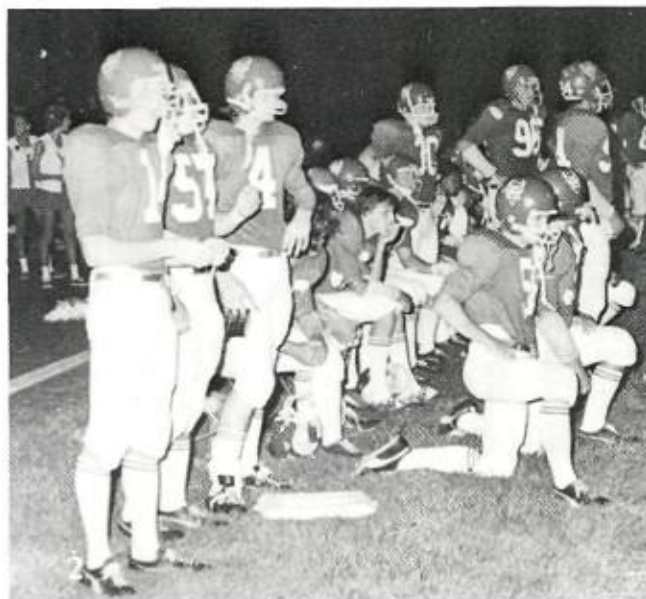

"We moved the ball well but then stopped ourselves," said head football coach Bill Reed. "We stopped ourselves twice with penalties, once by losing a fumble and one on the 'punt'."

'That punt' came early in second quarter when another Jacksonville threat was stalled at its own 45. Ray Cardwell was back to punt and the left side of the Cyclones defense broke through and blocked the punt. The Cyclones took over at the Devil 29 yard line. Aided by a trick penalty the Cyclones pushed it over the score. The point after was good.

The Devils came back with a sustained drive that again fizzled at the goal. The drive depended on draw plays at crucial moments for long gainers. At the Cyclone 10 Greg Bollen rolled around to the right but under-threw his receiver on fourth and four.

"We had the ball about 60 percent of the time," said Reed "but could not overcome our inability to score."

The Devils received the second half kick and quickly mounted a drive and a near score. Long runs by Fortson and Henry kept the drive alive, but it was finally stifled by the Cyclone defense.

Late in the third quarter Jacksonville had the ball first down at the 35. A fake sweep halfback pass was called, but the play failed and was intercepted.

Then the Cyclones mounted a good drive. Terry Crakk finally crossed the goal from the 17 yard line. The point after was good and the score was 13-0 Russellville.

The following kickoff was taken by Fortson and returned to the 35 yardline. On second down Bollen connected with Ken Temple and the Devils had the ball at the 47 yard first and ten. The Cyclone defense held them and forced a punt. But the Devils tried a fake punt with Gordon passing over the head of the receiver.

On the last play of the game Gardon intercepted a long pass and returned it 55 yards as time ran out.

Conway

Jacksonville's Red Devils put it all together before a spirited crowd on Friday, November 7, and defeated their opposing team 13-7. The reason for the spirit; it was the 1975 Jacksonville Homecoming Game, and the night's activities began with the defeat of the Conway Wampus Cats.

With Jacksonville receiving the opening kick, Mike Fortson returned the ball to the

29. Jacksonville failed to make a first down, and Ray Cardwell punted. The Conway receiver was stopped on his own 27. After being stopped by the Devil defense, the Cats punted to the end zone, giving Jacksonville a first down from the 20. Jacksonville again failed to advance and punted. A bad bounce gave the ball to the Cats at the Devil 33. The cats made the best of good field position, and managed to score on a fourth and one situation. The point after was good.

The half ended with the score 7-0 Cats' favor, as no other scores were made in the first half. The second half opened as Jacksonville kicked to Conway. A Conway drive into Red territory was ended as Dewey and Steels blocked the Conway punt. The fired-up Devils then started a drive of their own, as the game's momentum seemed to change. The score didn't come, however, as the drive stalled on the Wampus Cat 13.

After a series of unsuccessful plays, the Cats punted back to the Devils. The punt was fielded by Gordon and returned nine yards to the Cat 35. Piloted by Bollen and aided by Henry, Fortson, and Jernigan, the drive ended as Jernigan scored on a third and three. Holcomb's point after attempt was good, tying the game 7-7.

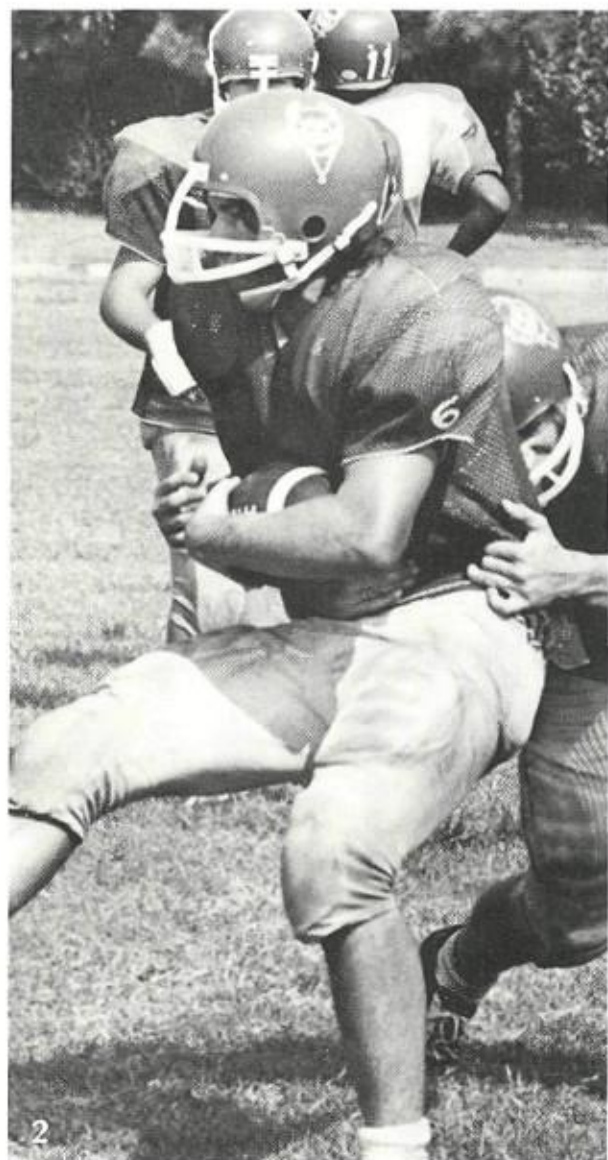

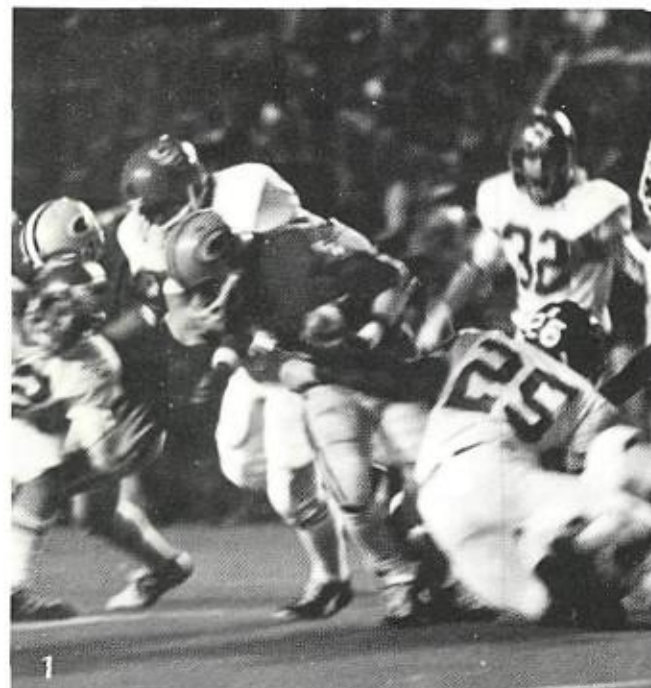

The Cats received the kick-off, but failed to advance. Jacksonville received the punt, but was also stopped. The punt was downed at the Wampus 15, and the impenetrable Devil defense held them to only four yards. The Devils got the ball back, but an illegal procedure penalty forced the Devils again to kick it away. With Conway on their own 16 the Devil defense took over, and the second and 10, a Conway back fumbled, with Devil defender Mark

Ratcliff making the recovery.

With first and goal, David Gertsch took the ball to the seven. A second down pitch-out to Fortson failed to gain yardage, making it third and seven. Bollen took the snap, and faking a pass to another receiver, hit Mark Dewey, who danced in for the second Devil touchdown. With the score

13-7, it was up to the defense to hold a still tough Conway team. They did just that, and with 54 seconds left, the Devils offense ran out the clock, winning before a Homecoming Crowd by a score of 13-7, giving the Devils a record of 4-6, and ending a four-game Wampus Cat winning streak.

Benton

On November 16, the Red Devils met Benton at Benton for the last game of the season. Benton won the game 7-6, but as Coach Reed had put it during the week that it would go down to the wire. It went a little bit further than that.

The Panthers took the opening kick-off to the Devil 26. On first and ten the Panthers tried an option play that the Devils read perfectly. Matt Henry hit the pitch man who then fumbled with the Devils recovering the ball at the 21 yard line.

The Devils couldn't sustain a drive and kicked the ball away to the 50 where the Panthers took over. Benton couldn't do much with it either. On the ensuing punt the Devils were called for roughing the kicker and the ball was brought back.

With the ball at the 36, the Panthers started a drive. But on third down the Panthers

fumbled and Jacksonville recovered as the first quarter ended.

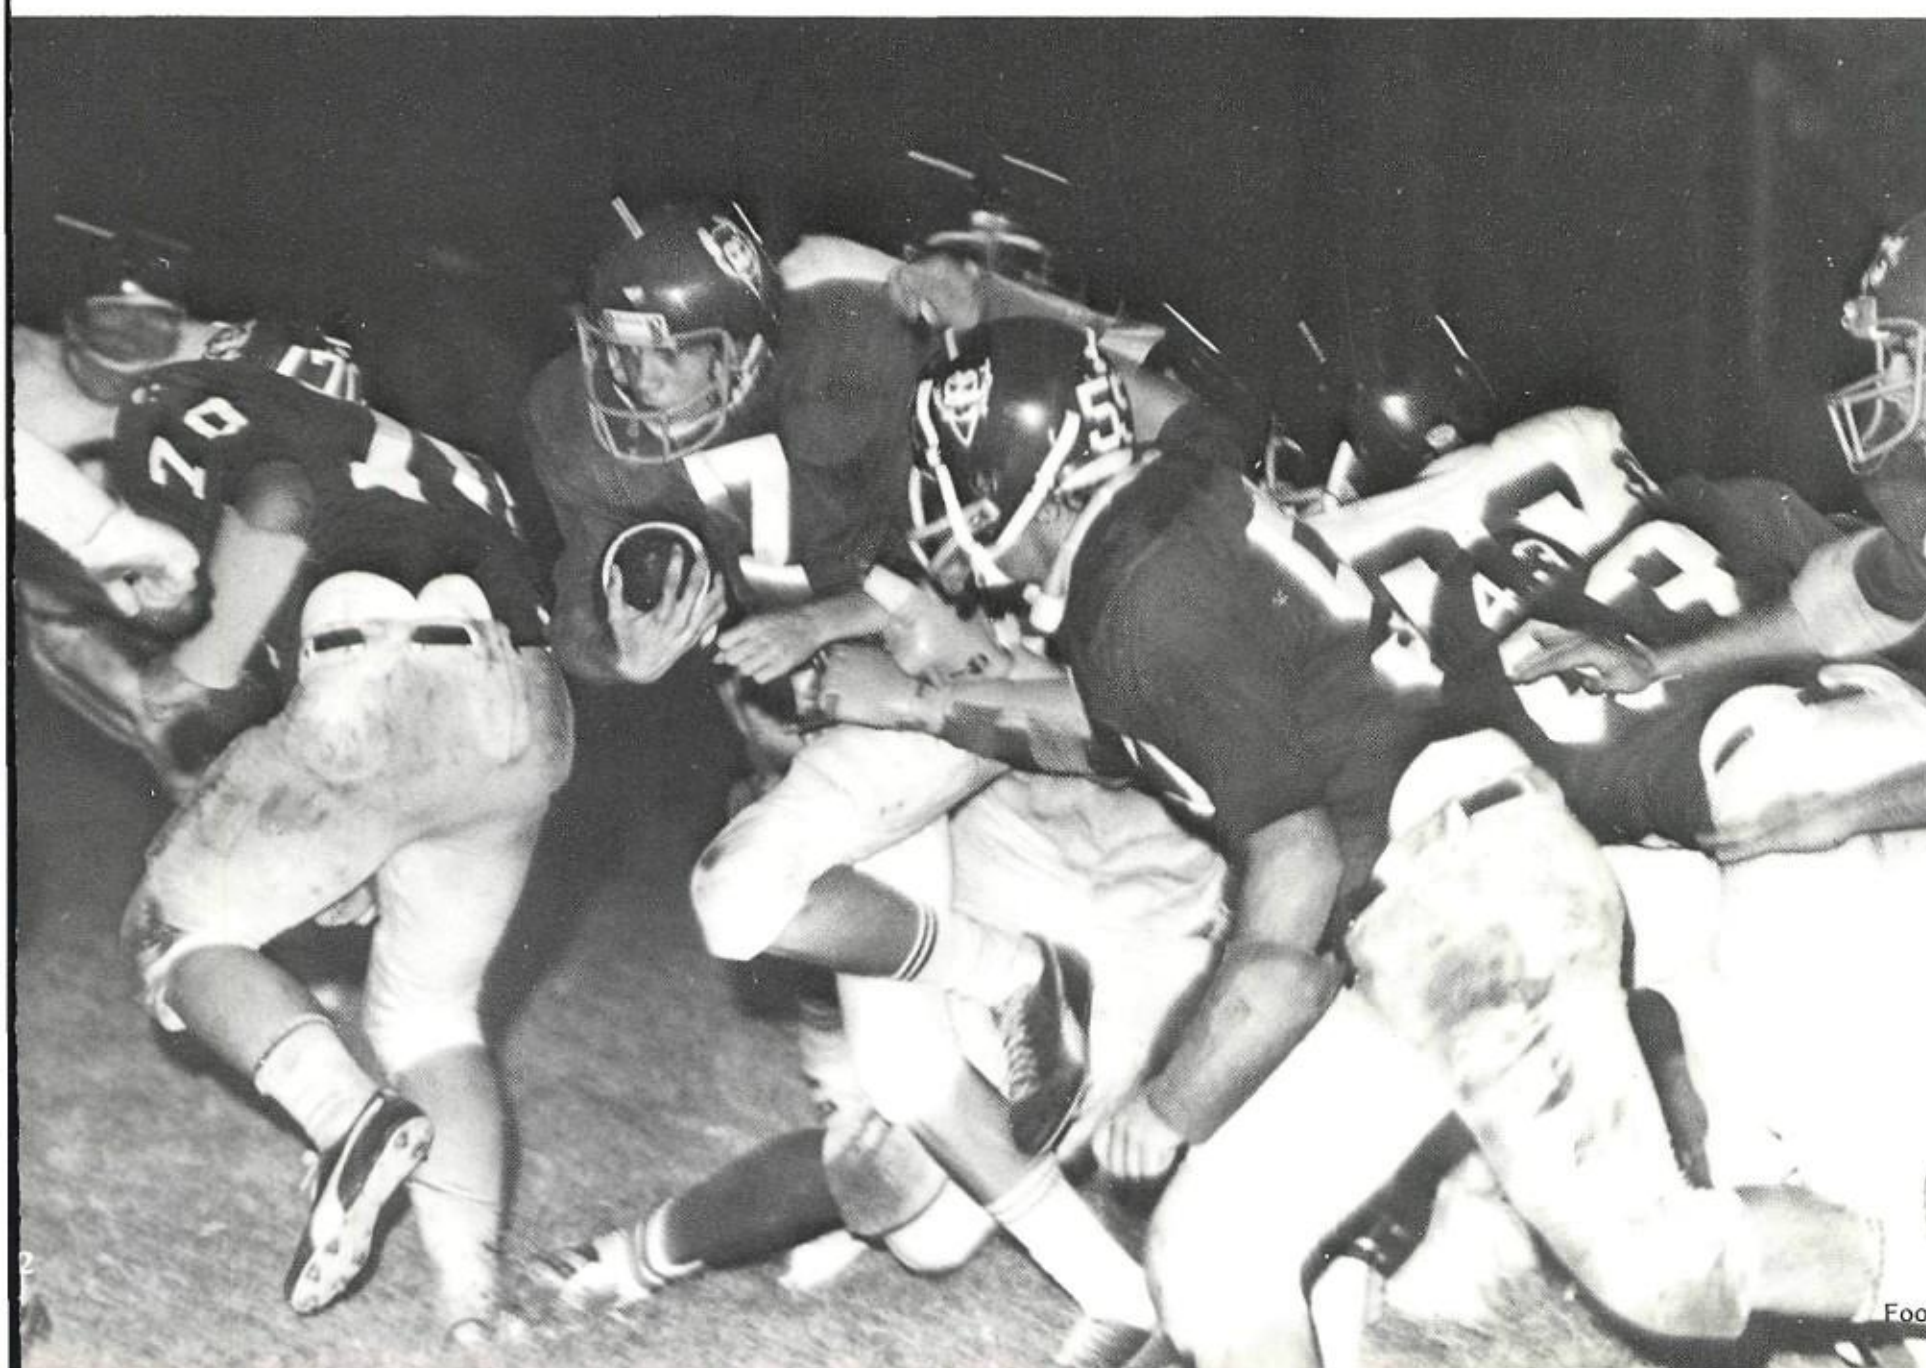

The second quarter opened with the Devils starting from their 36. On the first play from scrimmage Mike Fortson carried the ball 24 yards but couldn't hang on to the ball any longer as the ball was jarred from him. Benton recovered the fumble but the possession was shortlived as the Devil defense forced them to punt. A fake punt was called, but the Devils read it perfectly. The Devils got the ball then but it wasn't long before they had to punt it away.

The Panthers started a drive that carried them to the Devil 13. On first down Benton quarterback dropped back for a pass. He threw it into the wrong hands. It was picked off by Mike Polston who returned it four yards out of the endzone. The half ended before the Devils could start rolling.

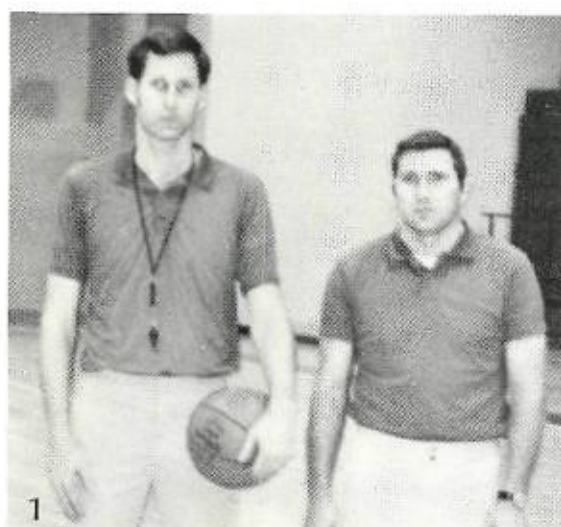

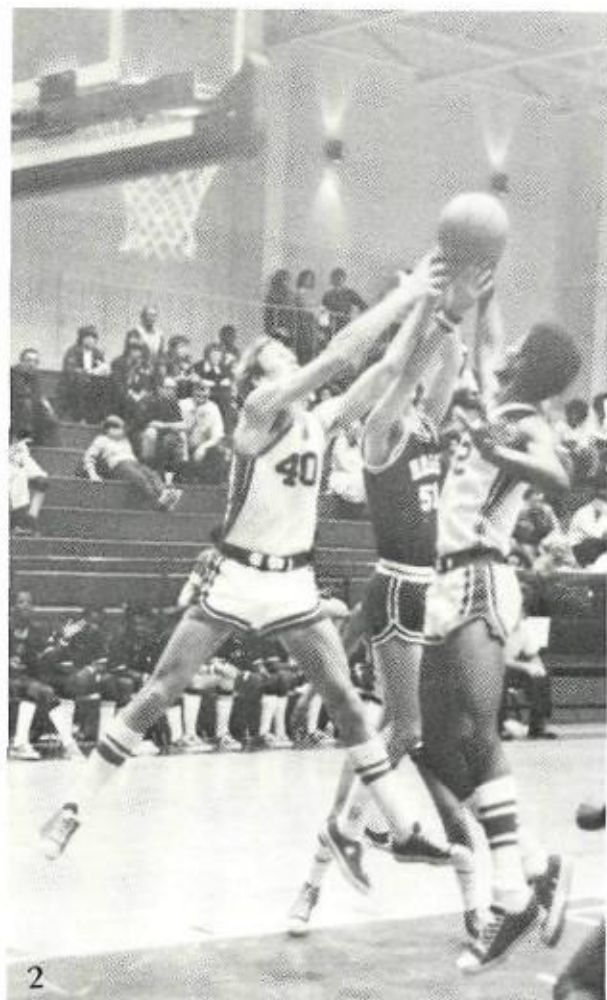

Early in the fourth quarter Benton began a drive that finally ended in a score.

The loss brought the Devils disappointing season to 4-7. The Devils wound up with sixth place in conference.

BASKETBALL 1975-76

The 1975-1976 Red Devil basketball team ended this year's season on February 27. Although the team was very young, a strong will to win helped them to a conference record of five wins.

Several times during the season, the Devils were tied for high spots in the conference standings by winning some tough games.

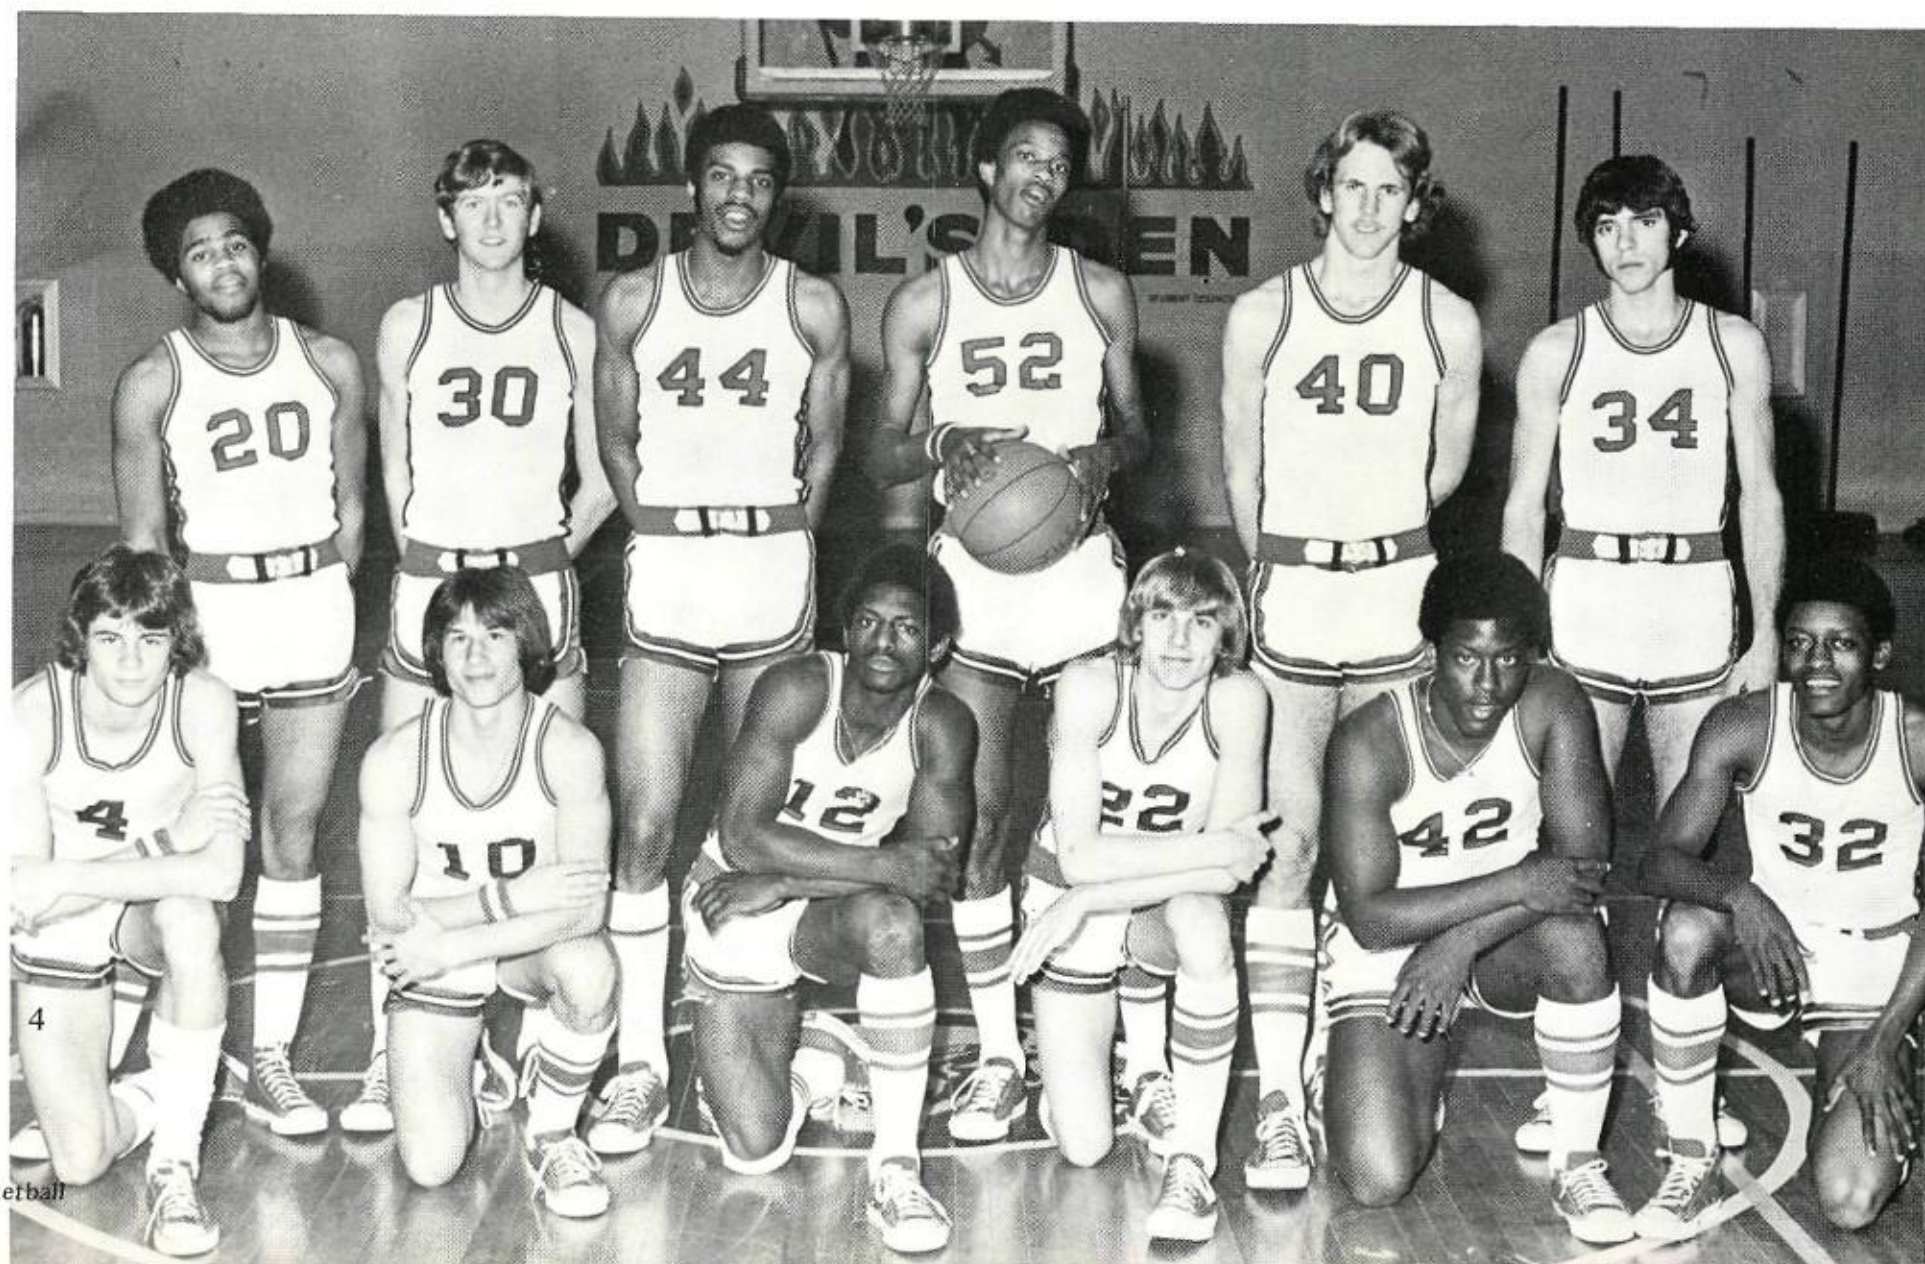

Coach Mike Burk summarized by saying, "We didn't win as consistently as we wanted. We had a lot of young players and had no returning starters to build a strong team around. Our team should be even stronger next year."

Parkview

The 1975-1976 Jacksonville Red Devils' Basketball season opened with Jacksonville meeting Little Rock Parkview in a tough first game.

During first quarter play the teams paced each other score for score, but in the second period Parkview gained a six point lead with four minutes in the half. The first half ended 37-27 Parkview.

With Fred Jackson and David Willis scoring for Jacksonville, the Devils tried to catch up. But it was no use, as Parkview remained ahead, finally winning by a score of 74-48.

Stuttgart

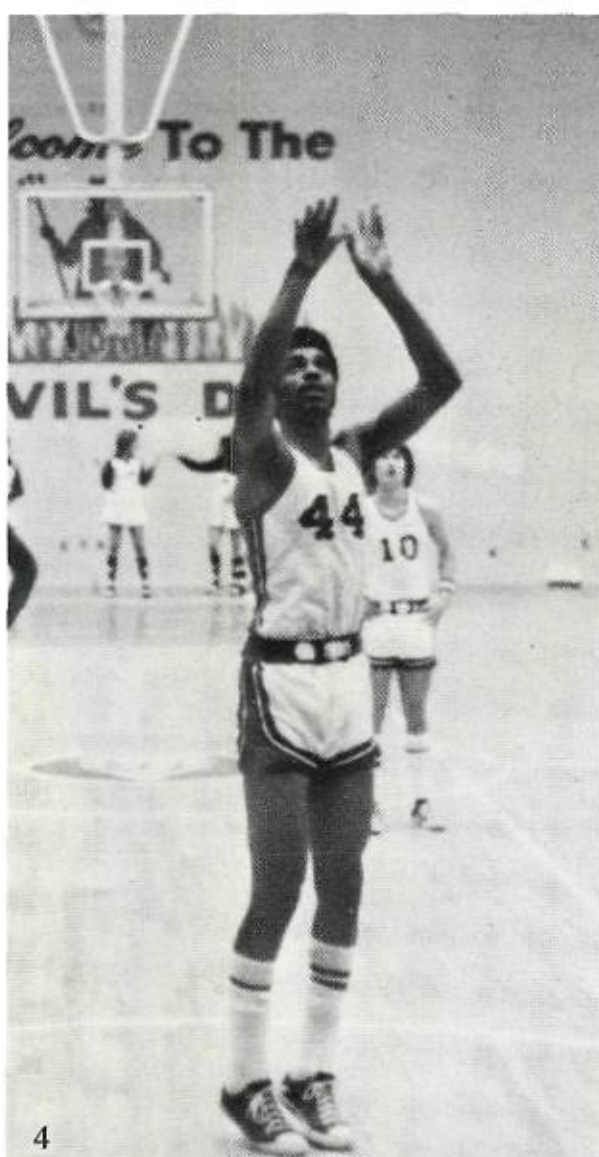

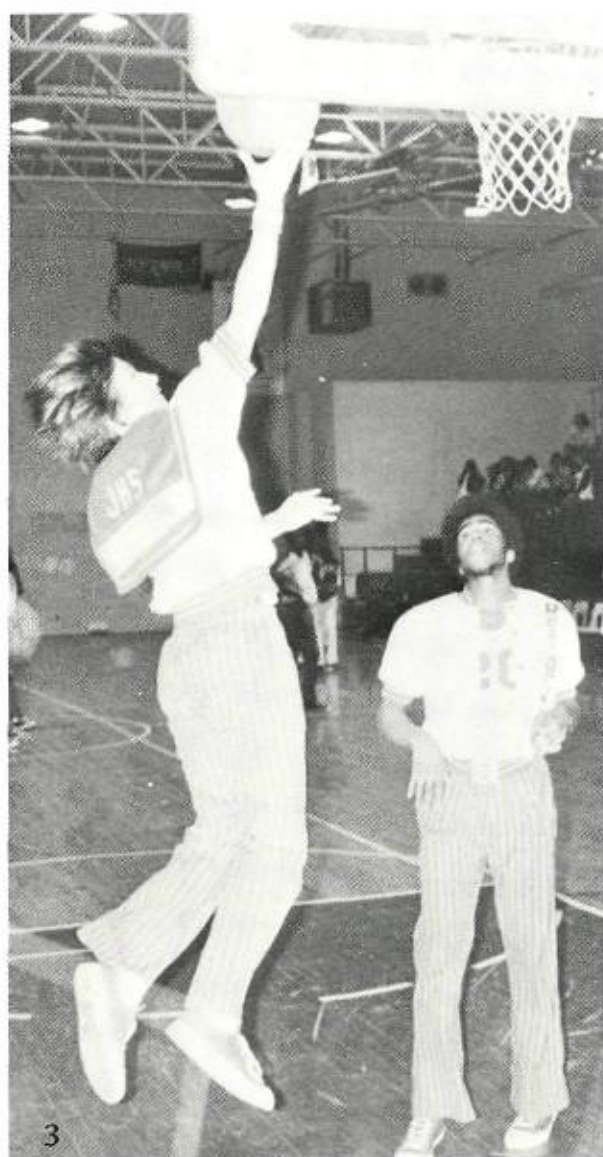

The Devils played Stuttgart on December 8; the Ricebirds were soundly beaten by the Devils.

At the end of first quarter of play, the Devils were in front 11-8, and from there, the lead was quickly increased. In the third quarter, though, the Ricebirds had shortened Jacksonville's lead to just two points; then a play later tied it at 31 all.

Fourth quarter play saw the Devils lose their lead, then tie and go ahead. The Devils played good basketball, and won 53-40.

Pine Bluff forfeited to the Devils, upping their record to 2-1.

Eddie Jackson and David Willis warm up before a home game. 4. Concentration pays off as Tommy Williams sinks a free throw. 5. Chuck Utley waits to pass to an open Devil.

Mills

The Devils saw action in the Pulaski County Basketball Tournament as they met the Comets of Mills for the right to play in the title game against Sylvan Hills.

The Devils gained momentum several times during the game, but could not seem to catch fire and rally. The game ended with the Comets winning 61-38.

Lonoke

Jacksonville, having a good lead at the half, seemed to have the game won, but, playing catch up ball, Lonoke increased the pace of the game during the

second half.

The game was tied up 41 apiece until 1:57 left in the game. Lonoke took the lead and won 48-41.

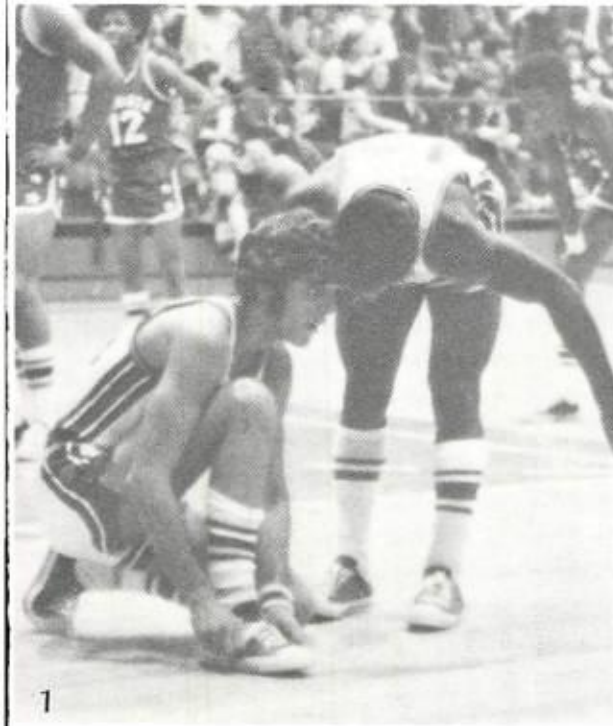

Central

Central, the defending AAAA state champions, was ahead of Jacksonville at the end of the first half by a score of 39-23.

The Devils, having made only three of nine free throw attempts, were unable to overcome the lead which Central built in the first half.

Searcy

The Red Devils played against a very strong Searcy team on January 5, and put them down 66-43 in a very hard played game. (Cont'd on page 122)

Searcy, led by a 6-6 guard who had scored 23 points a game, had the lead four times during the game, but each time the lead was lost to the hustling Devils.

Playing man to man, the Red Devils held Lion's 23 point scorer to only 14 points. Tommy Williams hit 23 for Jacksonville, with Anthony Steels connecting for 14.

Waldron

After beating Searcy, the Devils traveled to the UCA tournament, and there they were eliminated by Waldron.

Jacksonville added to Waldron's accurate shooting by giving the ball away 21 times during the game and committing 32 fouls. Although the defense did not move well, the Devils fought all the way, not giving up even though they were behind. Coach Burk remarked, "After the first quarter, we played even or outplayed Waldron." Waldron held on to win the game and eliminate Jacksonville.

Texarkana

On January 23, the conference leading Texarkana Razorbacks came to the Devil's Den to battle Jacksonville.

Behind by one point after the first quarter, Jacksonville turned it around in the second quarter to lead 28-27 at the half.

The Razorbacks regained a good lead in the third quarter with strong rebounding, but the Devils stayed within three points of Texarkana.

In the fourth quarter the Razorbacks outscored the Devils by four, giving them the edge over the Devils 68-61.

Benton

Jacksonville upped its conference record to 2-2 January 27, and proved they could play well under pressure as they defeated Benton in a very close game.

Although the game was played without

a scoreboard clock, the official time was kept at the scorer's table.

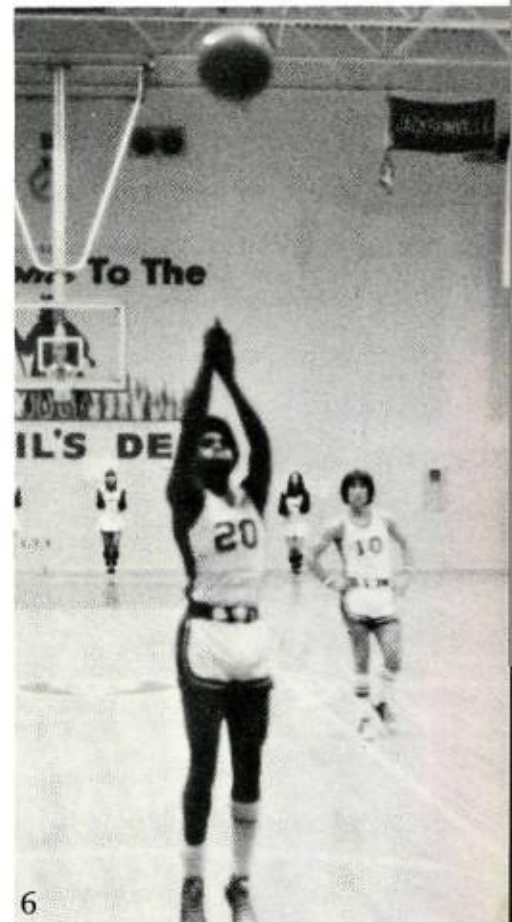

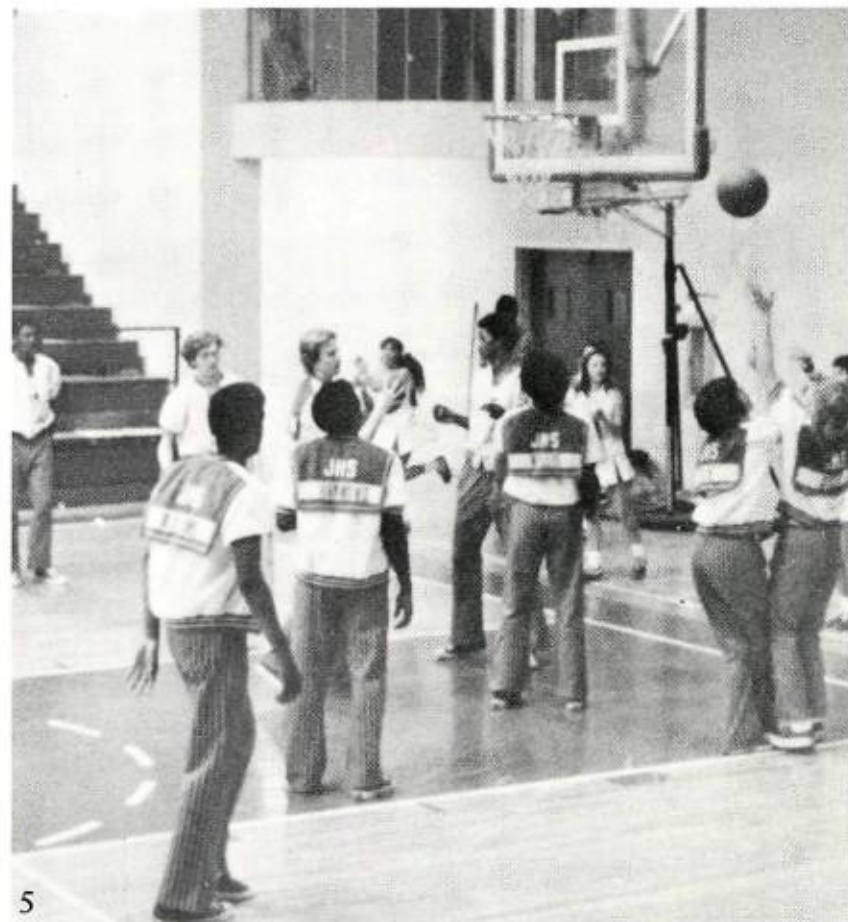

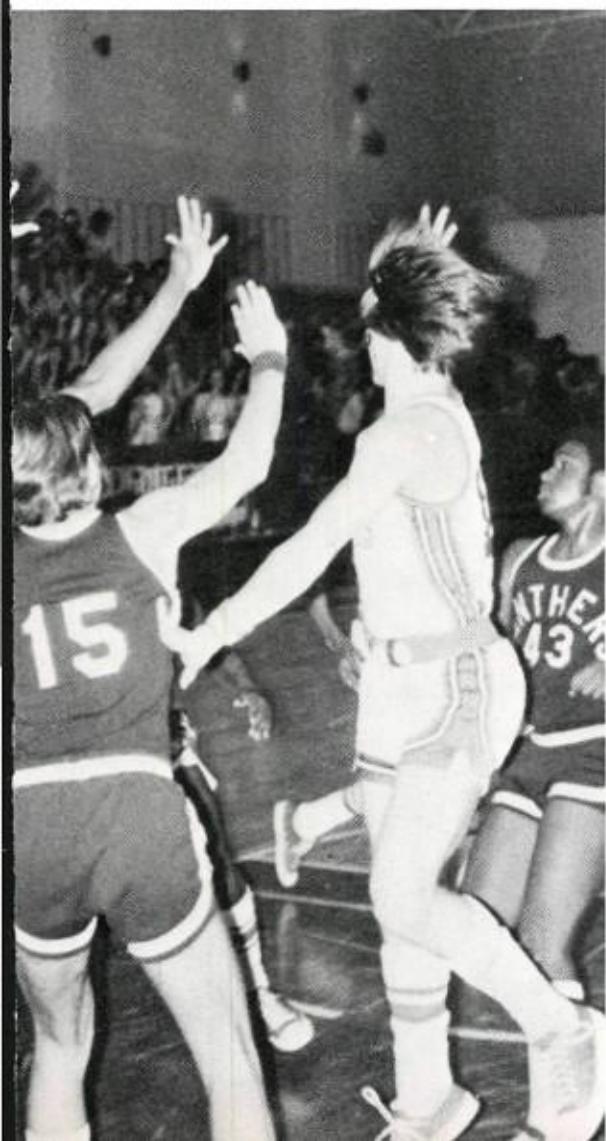

With the aid of Devil fouls, Benton tied the game once in the third. In the fourth, the Panthers narrowed the lead to one. But the Devils were in control, and won 47-46.

Parkview

The Devils traveled on January 30 to meet Little Rock Parkview in a hard fought and close game.

With good ball control, Jacksonville

1. Coach Burk and Red Devil team watch the action intently. 2. Opponents wait for Eddie Jackson to bring the ball down court. 3. David Willis leaps as an opposing player attempts to shoot over. 4. Eddie Jackson gives off inside as he drives to the bucket. 5. The Red Devils warm up for a big Conference game. 6. David Willis shoots a foul shot.

Even Parkview's press in the fourth quarter failed to slow the Devils as they led by five with three minutes to go. But Parkview finally gained a lead with two steals and twelve points. The final score was 51-48.

Mills

The Jacksonville Red Devils came on strong February 3 and defeated the Mills Comets by a score of 46-40. Winning this important game moved Jacksonville into a second place tie in the AA-Central conference.

The lead changed from team to team all through the game until the fourth quarter when Jacksonville went ahead and stayed ahead in spite of Mill's defensive efforts.

The win tied the Devils with Sylvian Hills, giving them a 3-2 conference record.

Hot Springs

Jacksonville looked very strong against an always tough Trojan team on February 6. The Trojans did not seem to be able to stop the Red Devils rebounding or their inside game, not could they overcome the strong Red Devil defense.

Although Jacksonville dominated the game, Hot Springs fought all the way to the end of the game. Jacksonville, though not quite shooting as well as usual, controlled most of the game. At half time Jacksonville led 34-23, and the final score was Devils 51, Trojans 36.

Sylvan Hills

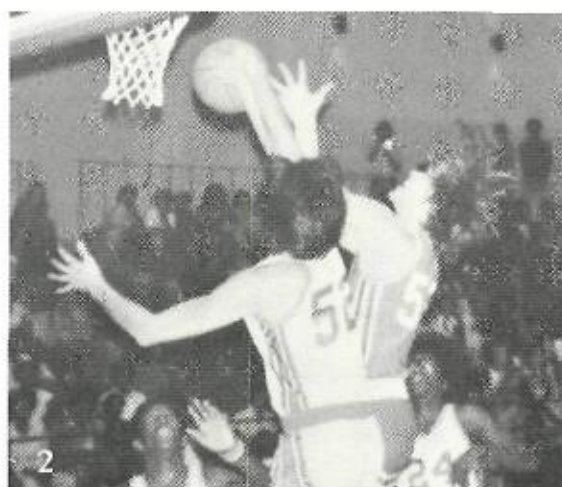

A fast-breaking Bears team came to Jacksonville and met the Devils head on in some fast-moving basketball action on February 10. The game was for the sole ownership of the conference second place position.

Trying to stop the Bears' fast break, the Devils ran into foul trouble early in the game, and the first quarter ended with Jacksonville trailing by two. With the score knotted at 28 all the third period started. The Devils started falling behind slowly in

the fourth quarter with the game ending 64-59 in favor of Sylvan Hills.

McClellan

All alone in third place, and trying to get back into the conference race, the Devils faced the Lions of McClellan on February

13. Both teams played well, but McClellan wasn't about to give anything to the Devils. Jacksonville was out in front during the first quarter, leading at the end of the period 10-9.

McClellan, with 23 free throws, led the last three quarters of play, however, and the Lions came out on top 55-46.

Benton

Tied for third place with Hot Springs, Jacksonville traveled to Benton. Hitting from all over the court, Benton managed to drop the Devils by a score of 61-47 to prolong a five game winning streak.

The Panthers hurt the Devils in the first and third quarters, and the loss gave the Devils only a slim chance for a place in the state tournament.

The Devils came back on February 26, firmly defeating Hot Springs 61-53.

Mills

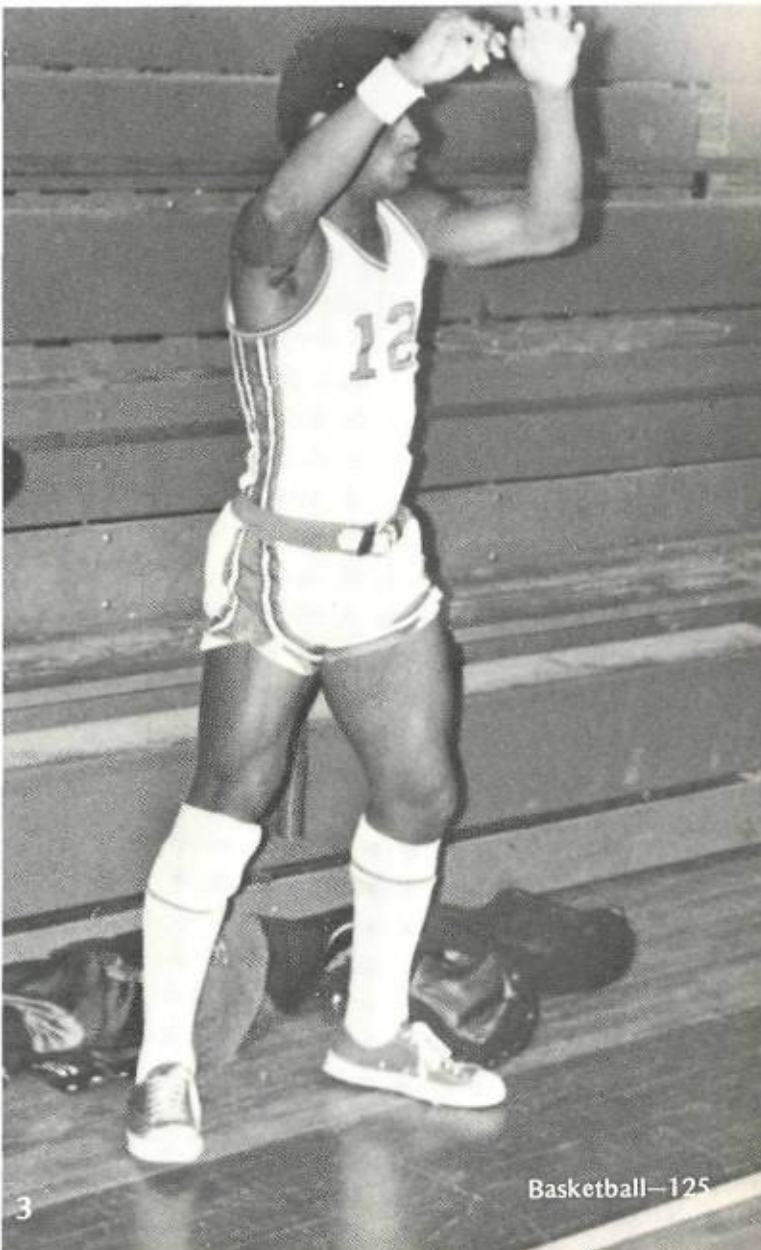

The last of Jacksonville's hopes for a play-off berth crumbled February 27, as the Devils fell to Little Rock Mills.

The loss put Jacksonville in fifth place with Hot Springs in the AAA-Central conference, and the coin toss on the 28th was won by Hot Springs, putting the Trojans in the Playoffs.

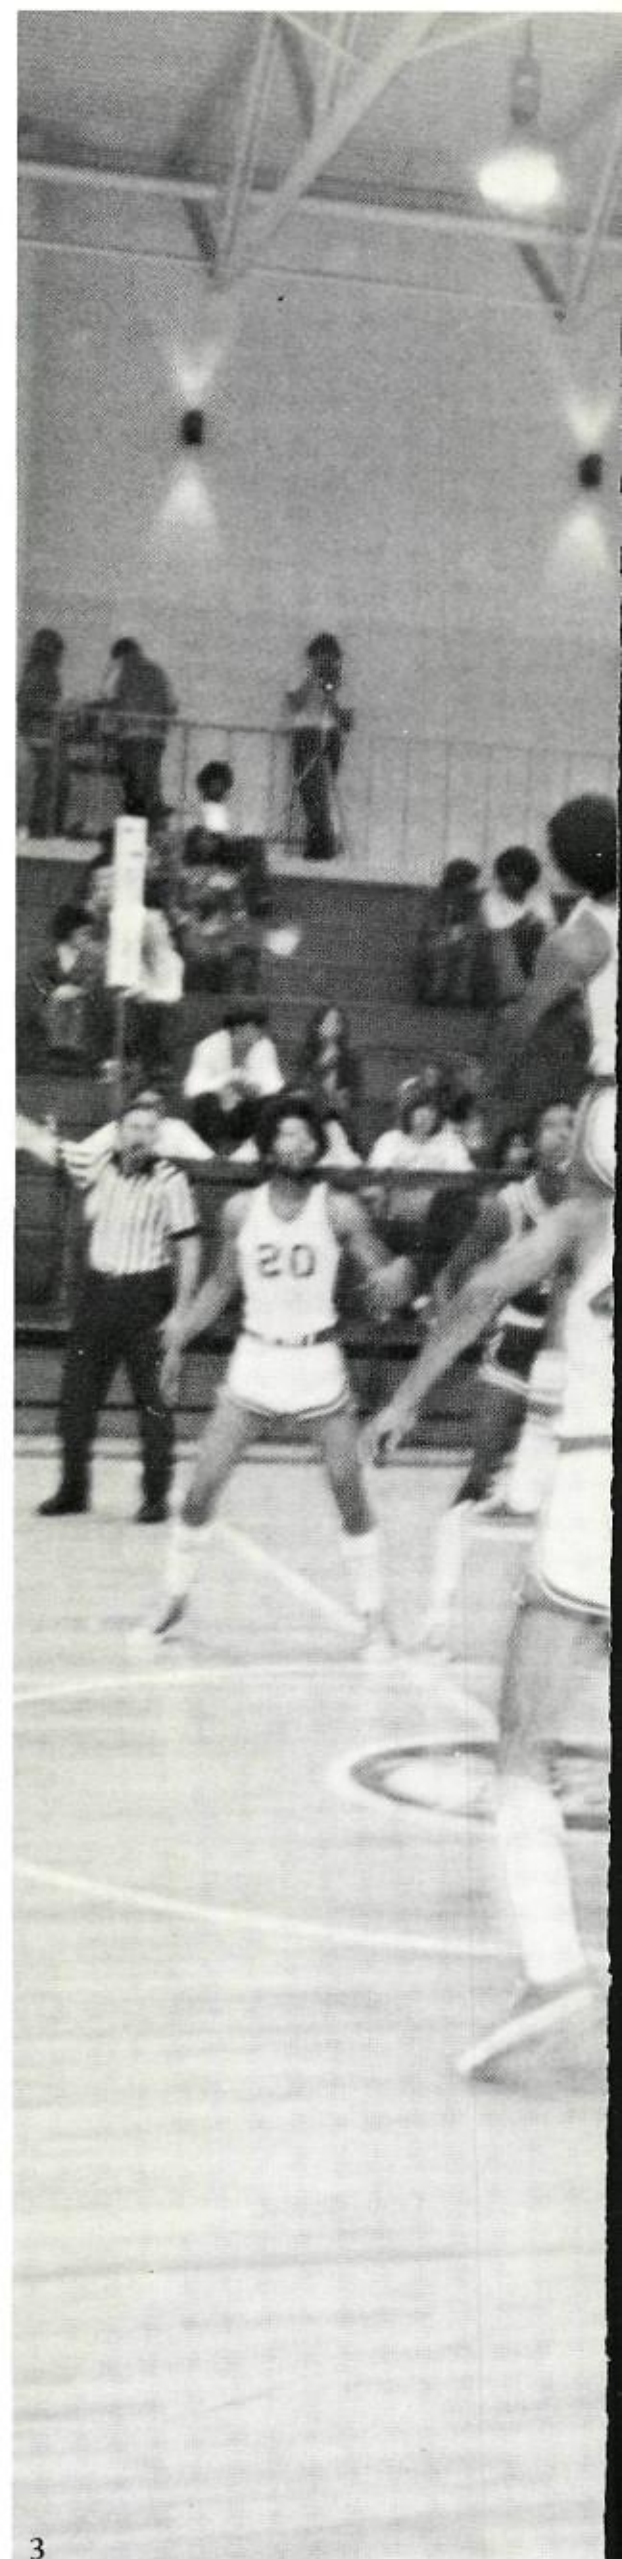

Jacksonville and Mills both scored low, with Mills leaving with the win. The final score was close however, with Mills edging the Devils 39-38.

Devils end season with nine wins

B-Team has encouraging season

Even though their record was 7-12, the B-Team had a better season than what their record indicates. Only four games were lost by a sizeable margin. The other eight games were lost by one point or it went into overtime.

The team acquired a new coach during the season. He is Ed Hamilton from Marked Tree, Ark. He came here from Live Oak, Fla. where he taught at Suwannee County High School.

He was pleased with his team's performance this season. He said, "I feel like the team progressed as the season went along." He also added, "This is the purpose of the B-Team, to get the players ready for Varsity basketball next year." Another comment he made was that, "This was accomplished this season."

TRACK '76

This year's Red Devil track team is looking toward the coming season to defend their conference title. They won the title last year with an outstanding performance in the final track meet of the year at the conference finals.

This year's team has eight returning lettermen. They are: **Robert Ward** and **Greg Bollen** in the hurdles; **Johnny Highfield** and **Bryan Hammonds** in the shot put; **Matt Henry** and **Hugh Jernigen** in the 440 yard relay; and **George Bryant** in the discus. With these players returning and the hopefuls that are out for the team now, **Coach Puyear** hopes to have a strong team this year.

Due to the late start of the track team and the early deadline of the track section in the annual, many pictures of the track team including a team picture could not be obtained.

GYMNASTICS 1975-76

The 1975-1976 JHS gymnastics team continued to gain recognition as a group of outstanding athletes during the year. Along with hosting the first meet of the year at Jacksonville on January 24, 1976, they also took part in other events both away and at home.

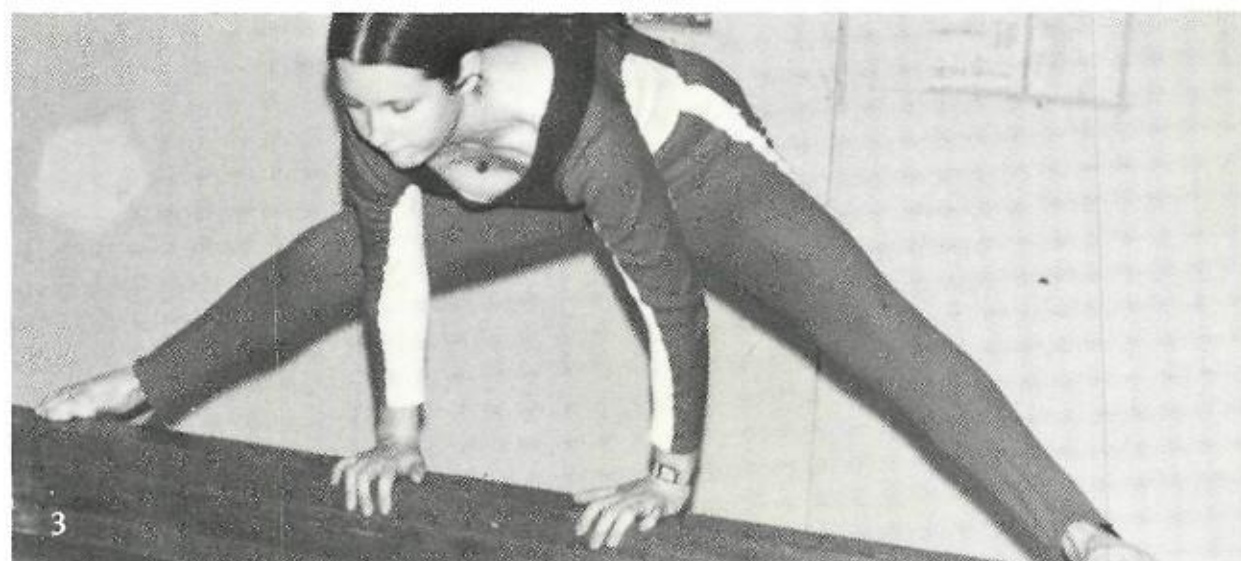

One of the most memorable events took place during the summer, as the team traveled to Atlanta, Georgia, to see in person the Russian gymnast Olga Korbut.

The squad consisted of thirteen girls and five boys, who competed in four categories. This year's captain was Shandy Norsworthy and Mrs. Dixie Buchanan served as coach.

This year at J.H.S. there is an A and B girls' volleyball team, consisting of seventeen girls. This is Jacksonville's first year to have a volleyball team.

The team played three games. They played Ole Main twice—won one and lost one. They also lost to Sylvan Hills.

Miss Gladney picks the girls by their skill and attitude. Good sportsmanship is also a requirement to be on the team.

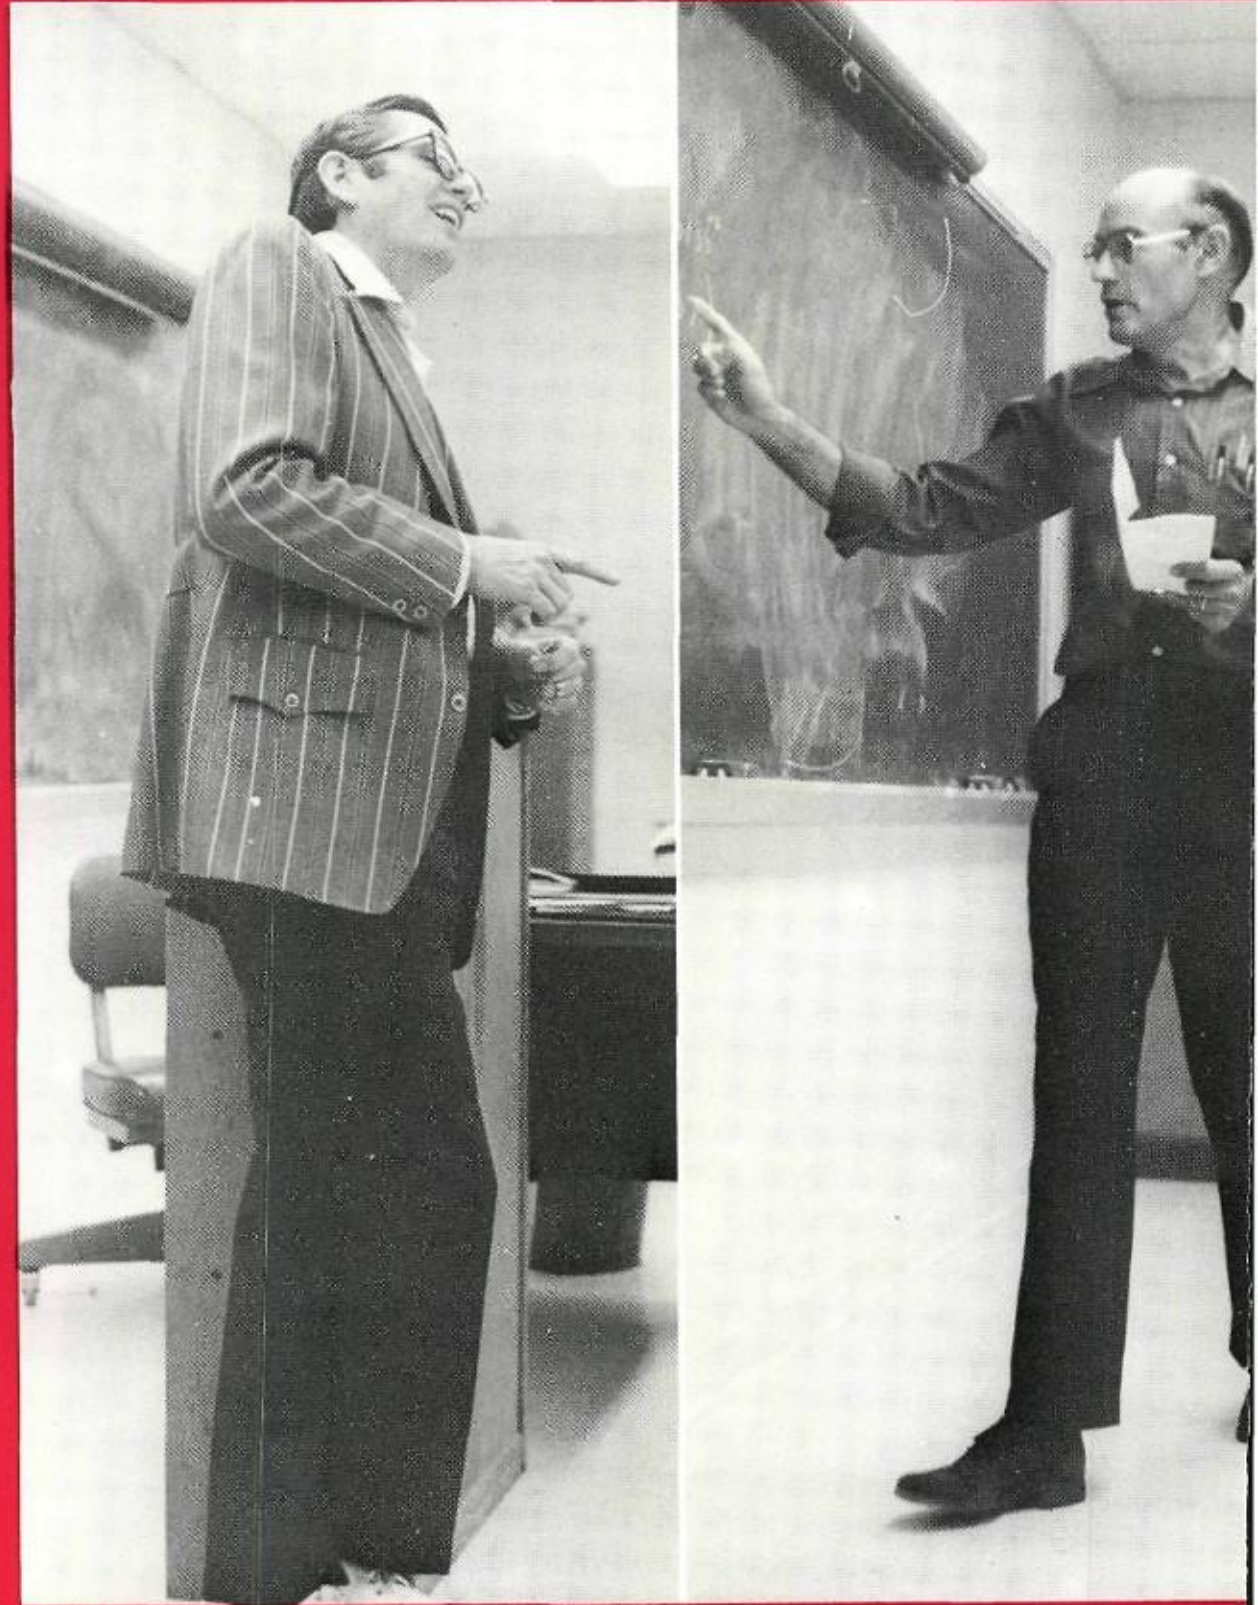

Some of the specific skills needed to play are front row left and right position and a good spike, block and dink. The center front is the main setter and the back row need a good bump.

One member of the volleyball team Vicki Dodds, says, "In volleyball you learn to depend on other people and to work as a team."

Faculty and Administration

The administrative and teaching staff is a big part of JHS. Glimpses of our teachers and principals can be found on duty in the morning and at lunch, running off tests, grading papers, giving advice and just teaching class.

At Jacksonville, the Math and Biology courses are very extensive. JHS is the only large school in Arkansas that has a third year Biology class. The Math Department includes a math course that carries through Analysis, an introduction to Calculus. American History and English classes are designed so that students choose a different course each nine weeks. The Concert Choir received first place at the State Choir Festival. Plans are finalized for new junior— senior high school

On November 12, 1974, the Pulaski County School Board approved the architect's plans for the new Junior-Senior High School Complex to be built on a forty acre site on the south edge of the Base.

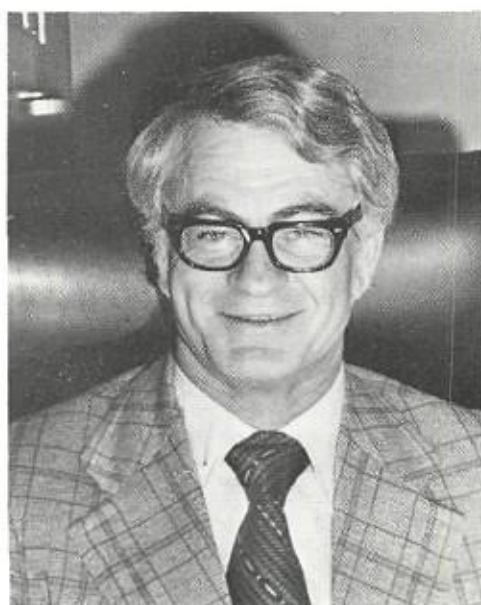

According to Mr. J. K. Williams, Superintendent of schools, the new school facility will either open in September of 1976 or January of 1977.

The school will draw students from Jacksonville as well as Sylvan Hills. All students who live on the Air Base are included in the zone for the new school.

If the school opens in the fall, seventh, eighth, tenth and eleventh graders will attend the new school. If the school isn't ready until the spring semester, only seventh, eighth and tenth graders will change into the new school at semester.

Bobby Lester became principal of J.H.S. in January of 1975. He was previously principal at Northside Junior High School.

Mr. Lester is originally from Rose Bud, Arkansas, where he graduated from high school and met his wife. Mr. and Mrs. Lester have two children, Bobby, who is seven years old, and Amanda, who is three years old.

Attending the University of Central Arkansas, Mr. Lester received his Bachelor of Science Degree. He attained his Masters Degree from the University of Arkansas where he continued until he also got his Educational Specialist Degree.

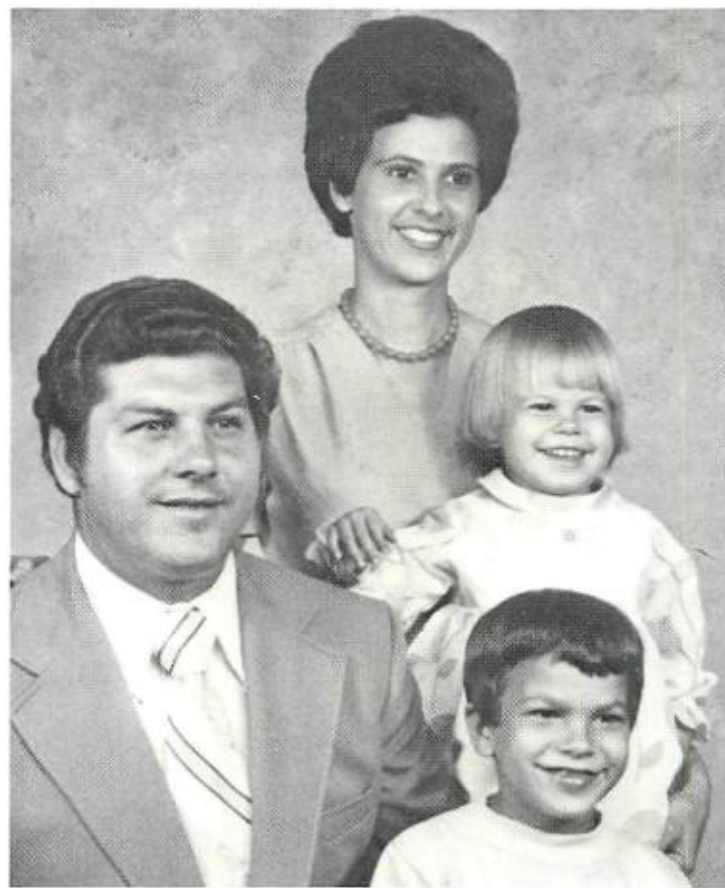

Mr. Lester said, "As long as I am making progress and I'm able to work with the students, I feel that I am an asset to the community because I feel that the educational system is one of the most important factors in a successful community."

Mr. Lester states, "Both my wife and I enjoy being with students and taking part in the school activities. I like everything from art shows to athletics. My favorite sports include football, basketball, and especially quail hunting."

When asked about the new high school being built, Mr. Lester said, "I think it is a good idea because of the problem we have with over-crowding at J.H.S. The only bad aspects I feel I have as being principal are the long hours I put in and the strain and pressure I work under."

Mrs. Buchanan, Mr. Bradley, Mr. Lester, and Miss Turney listen to a speaker at an In-Service meeting.

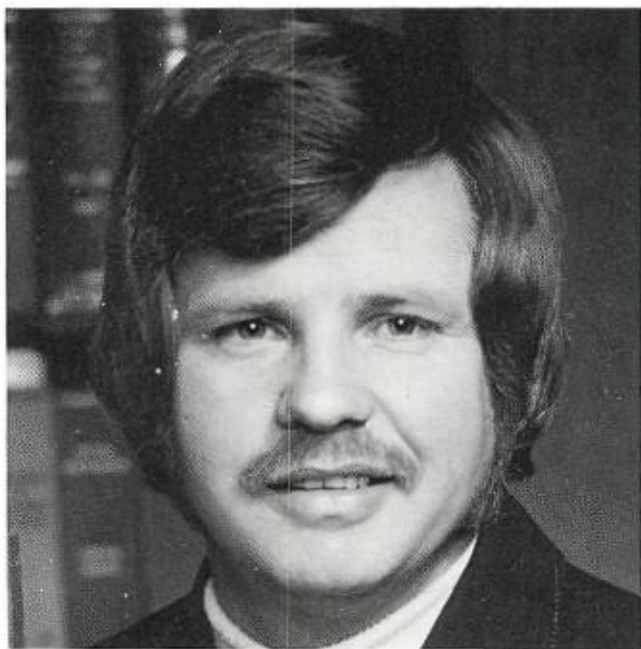

Mr. Lester poses for a picture with his wife Laura Beth, daughter Amanda, and son Bobby.

Doris Norman joins administrative staff

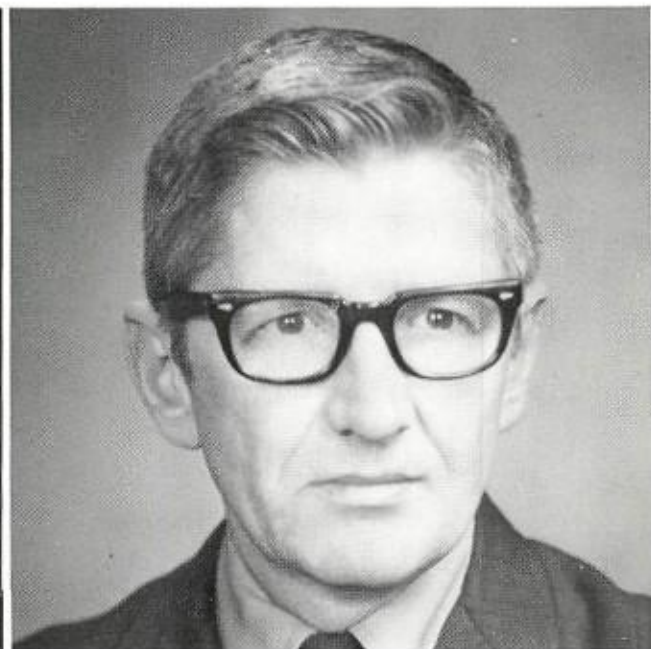

This year at J.H.S. we have a new administrator. She is Mrs. Doris Norman, Dean of Women. Mrs. Norman taught math at Northside Junior High before coming to J.H.S.

Mrs. Norman joins Mr. Joe McDaniels in his work as Dean of Students.

Mr. Ken Turner and Mr. Leonard Halbrook serve as assistant principals. This is Mr. Turner's second year at J.H.S. and Mr. Halbrook has been assistant principal for five years.

Secretaries know "what's happening" at JHS

The secretaries at J.H.S. do much work unknown to the student body. They help in registration procedures, organization of student records, attendance records, distribution of information for the students and faculty, along with making out the payroll.

Mrs. Stroud, Mr. Lester's secretary, is

the bookkeeper. Mrs. Albright and Mrs. Wolf, working in the main office area, help the rest of the staff. This year in the office is a new part-time secretary. Cheryl Gonterman, a senior at J.H.S. works from twelve o'clock to four o'clock. She is a C.O.E. student.

Mrs. Albright said that "Knowing the reasons for the students' behavior helps in understanding them better." She feels that working in the office is an education in itself because of the experiences she has in dealing with people.

Counselor's office is a busy place

"We work with the students to help them help themselves, because we feel that every problem, no matter how little, is important to the person who has it" was Mrs. Allen's reply when asked how she felt the counselors helped the students the most. Mrs. Allen is head of the Guidance Department.

The counselors play an important role in activities at J.H.S. They do everything from schedule changes to Mr. Stueart's sponsoring of the Student Council.

The counselors assist in giving college bound students such tests as the ACT, PSAT, SAT and the Betty Crocker Test.

Throughout the year they invite guests from colleges around Arkansas to visit and talk with the students who are interested in attending college.

College information, career information, financial aid, and military enlistment information may also be found in the Guidance Department.

The student body is alphabetically

divided among the counselors. Mr. Stueart has students whose last names begin with the letters A to C; Mrs. Lammers has D to H; Mr. Richards has H to M; Mrs. Neighbors has N to S, and Mrs. Allen has S to Z.

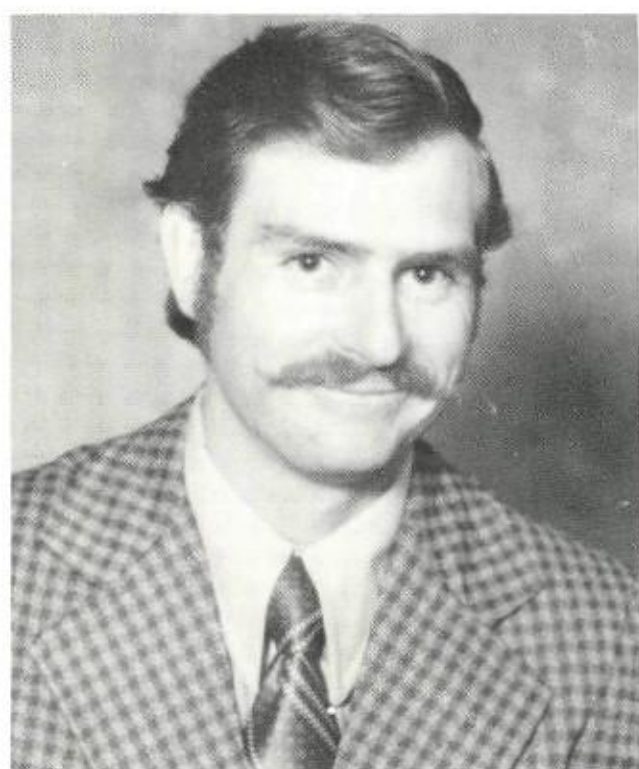

One opinion of a student aide working in the counselor's office, given by Tim Head was: "Sometimes you have to do a lot of running around, but it's fun because you meet plenty of people and get to know the counselors better. They help you out with a lot of problems."

Sharon Bokamper
Shorthand and Typing

The Business Department of Jacksonville High is planned and developed to create an office atmosphere and teach the skills all business personnel should know, from secretarial skills to the laws which oversee business today.

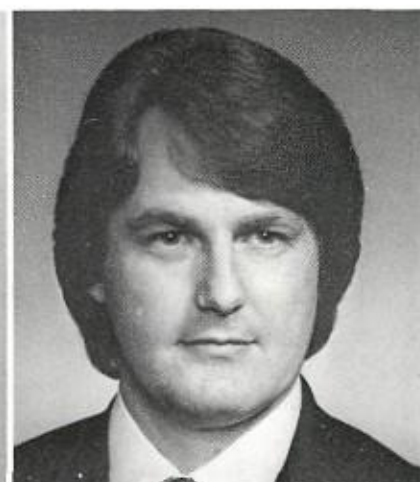

It is no longer a department meant just to teach and train secretaries, although the secretary of today can learn the skills required. Business executives of the future can begin to receive a good background that will enable them to go far in any business enterprise.

English Department continues elective program

The English department has structured an Elective Program consisting of nine-week courses. Language, Literature and Composition are incorporated in each course.

In an effort to meet the needs of students and to allow them to pursue their interests, the courses are structured and recommended for students who have trouble in English and those who do not.

All students are required to elect one composition course; there are three types: Basic, Intermediate and Advanced.

All students must elect one course emphasizing American literary selections and one emphasizing British selections.

Sophomore students take part in regular English classes.

Social Studies Department offers different areas of study

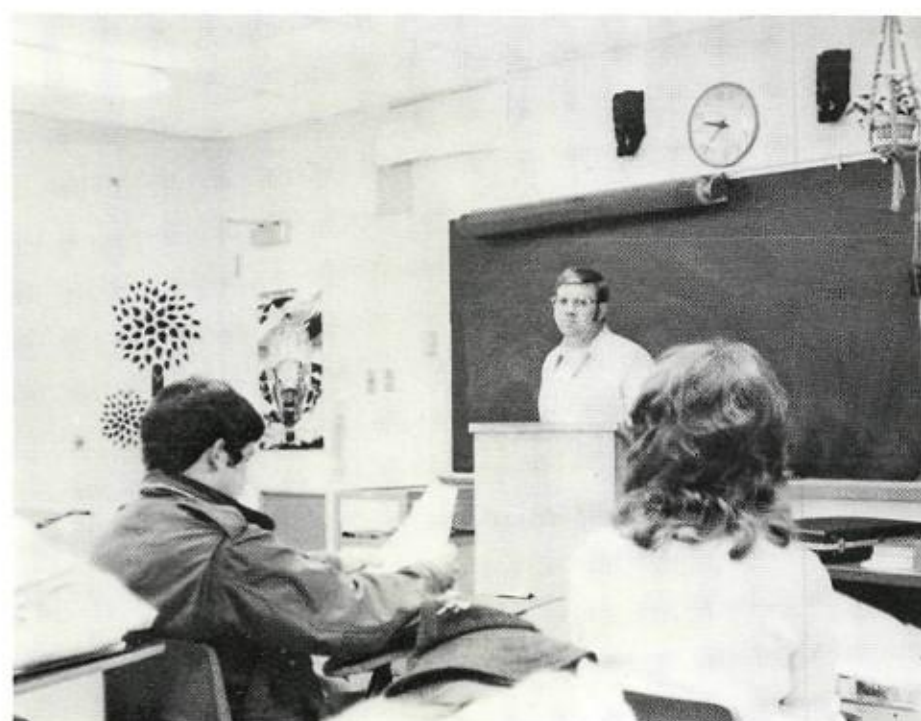

The Social Studies Department offers a sequential curriculum with the following areas of study: World History, Arkansas History, Current Affairs, Problems of Democracy, Sociology, Psychology, and the Humanities. In response to student needs and interests, a mini-course program is offered in American History. Each nine weeks a student takes a different course, choosing from a list of fifteen courses. The courses are designed to provide specialized and in-depth study of the phase of American History most interesting to the student.

Home Ec teaches many skills

Home Economics means more than just cooking and sewing. It also means learning personal, family and community living skills such as nutrition, home furnishings, child development, housing, home management and consumer education. Special skills needed in

the home can also be turned into wage earning. Occupational Home Economics offers students jobs in the food service industry, child care services such as day care centers and kindergartens, clothing and textile operations, and housing related occupations.

Library provides quiet study; Language helps students communicate

A student was overheard to say in English class, "You ought to make speech and you'll never be afraid to get up in front of a class again." The Speech Department gives students opportunities for speech improvement and the poise and confidence that are needed in other activities.

Studying foreign languages gives a student insight into the cultural background of other peoples. Many colleges require entrants to have taken a foreign language in high school. French and Spanish

courses at J. H. S. give students the background for future study.

The function of a Library-Media Center is to support and augment the curriculum, and to provide a place for research and quiet study.

In a comprehensive high school, it is one of the most necessary parts. Increased emphasis on research, and wider use of audio-visual media makes it one of the busiest places in the school.

Math Department meets individual needs

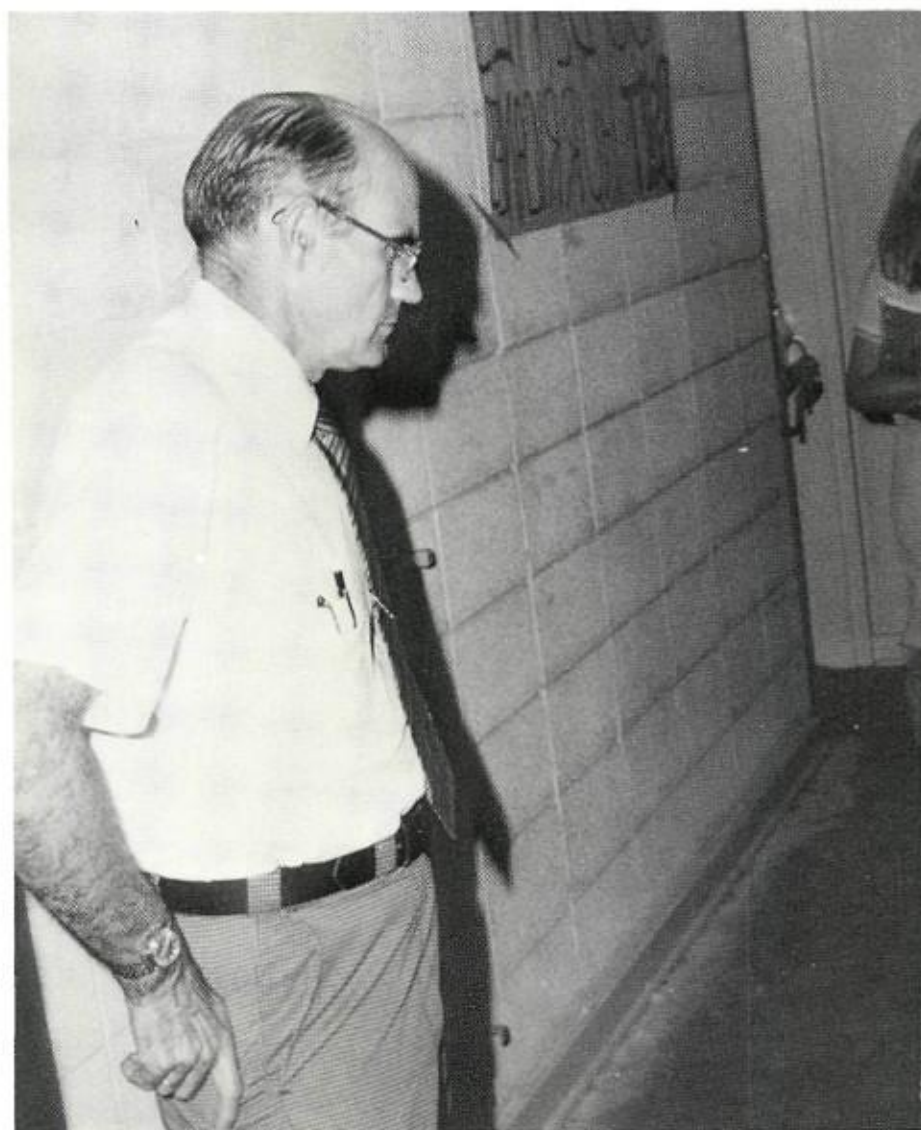

In an attempt to meet the individual needs of JHS students, four courses were added to the math curriculum this year. They are Calculator Math, Elementary Algebra I and II, and Business Math.

All students must earn two credits in mathematics to satisfy graduation requirements. The remaining courses are offered as electives.

Those students who show an interest in mathematics are encouraged to take Algebra I, Geometry, Algebra II, and Analysis. There are a total of twelve courses, including Drafting I, II and III, being offered in the Math Department.

Vocational Courses teach special skills

Vocational courses offered at Jacksonville include HOE, Auto Mechanics, D. E., HERO, ICT, and Electronics. These courses provide opportunities for students to learn job skills.

The Jacksonville High School program of Auto Mechanics offers students a chance to learn practical skills. Upon completion of the course, the student that has been willing to put forth the effort will with confidence, be able to understand and work with the major components of automotive repair.

The Health Occupation Course gives the student interested in Health oriented fields many hours of experience. After a two year course of HOE, the student is mentally qualified to pass an L. P. N. state examination.

Here's an eyeful

Seniors, Juniors,

of the Student Body

Sophomores . . .

The J.H.S. student body reached an enrollment high of 1800 students during the 1975-76 school year.

As usual there was the same inter-class competition in pep-assemblies and the food drive for the needy.

Throughout the school year, Seniors, Juniors and Sophomores alike struggled with the procedure changes in the school system. The twelve day absentee rule hit most of the students the hardest.

This section of the annual takes a look at the student body divided into the respective classes.

Here's looking at you Student Body.

SENIORS OF 1976

Ray elected President

November 10th started the campaigning for class officers. Posters and hand-outs were found everywhere. On the 13th voting took place. The following were the candidates for Senior class officers.

President:	Debbie Ray (elected)
	Richard Hartman
	Terry Stanford
Vice-President:	Mike Fortson (elected)
	Cindy Caldwell
Secretary:	Bonnie Brown (elected)
	Becky Reed
	Lorraine Sneed
Treasurer:	Sharon Reilly (elected)
	Marie Koops

Debbie Ray is also a cheerleader, a member of Student Council, Beta Club and FTA president. Debbie was a delegate to Girls State.

Mike Fortson is also in R.O.T.C., Key Club and Beta Club. He is vice-president of Student Council and Math Club. Mike played varsity football and was one of the four captains. He was appointed to and is president of the Advisory Committee to the Assistant Superintendent of schools. During the summer he was elected Boys State Governor.

Bonnie Brown is captain of the flag corps, president of band, and a madrigal singer. She is also Jacksonville's Junior Miss. Bonnie was a delegate to Girls State.

Sharon Reilly is a devilette and a member of Student Council. She is also in Beta Club and is FTA secretary. Sharon is a Key Club Favorite.

Senior class officers from left to right: Sharon Reilly (treasurer), Mike Fortson (vice-president), and Bonnie Brown (secretary). Seated is Debbie Ray (president).

'76

*We're the greatest class by far
'76 is who we are!*

This was the cry heard repeatedly for three years. Barely beating tardy bells (as often as possible) and just putting out some effort helped this class to make it to their Senior year. At assemblies Seniors '76 let their presences be known by sounding out the class yell. From the portables to the bleachers in the gym to the balcony in the auditorium, '76'ers have left their spirit and pride.

Shortly before the start of school a group of unknown Seniors painted a large 76 on the new Jacksonville water tower. That may have been the spark that lit the fires for many of the members of the class of '76. They started the first pep-rally with the Senior class yell.

On October 10th the J. H. S. Red Devil football team gained a victory over Jonesboro, 6-0. The importance of this game was that it was dedicated to the Senior class. It was also the first time in several years that the Devils had won a Senior game. During the pep-rally and game Seniors from most of the organizations were honored.

Showdown, a big money making project to make the Senior Ball a success, was moved from May to the last two days in January.

The class of '76 has produced many students it can be proud of. Throughout the years this class has received a great number of honors for the school and for the individuals.

So . . . Here's looking at you Seniors!

Classes may
come and classes
may go but when
they go they'll always
know that: we're the
greatest class by far
'76 is who we are!!

Juniors elect officers and representatives

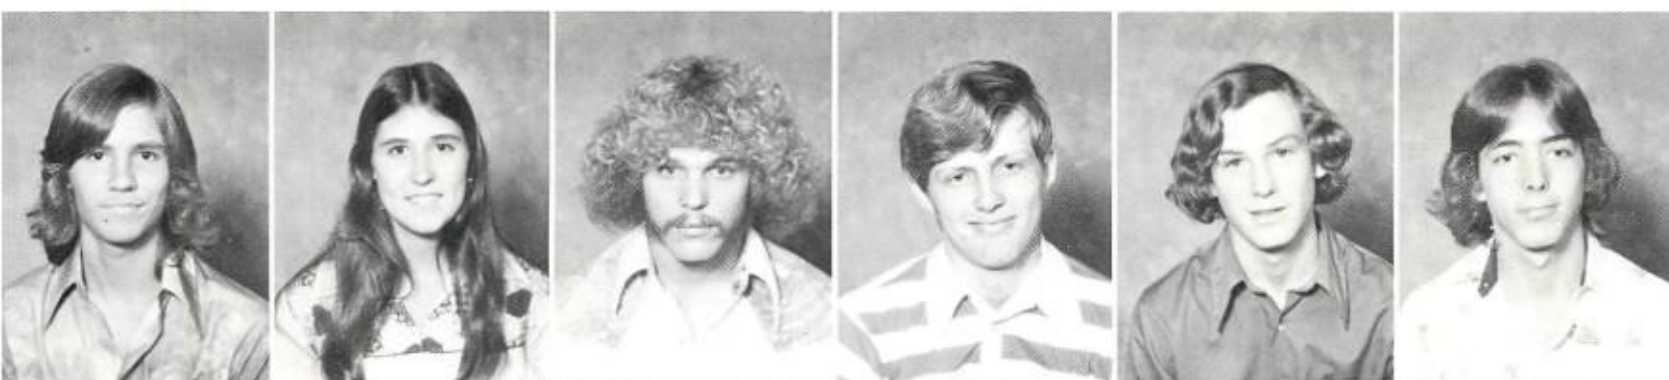

The Junior Class played an important role in school activities this year. They participated in the annual can drive, sold candy to raise money for the Junior Class Treasury, and held the Junior Prom. The band that played was "Confunction," and the theme was "Showboat."

Class officer elections were held in November. Candidates who wanted to run for a class office first had to get fifty students to sign a petition. They then started their button campaign and later put up posters. On the day before elections, campaign speeches were made to the Junior Class. The officers this year were President, Jacqui Henderson; Vice-President, Roger Baker; Secretary, Tina Carrales; and Treasurer, Earlene Temple. Four Junior Class representatives have worked with the officers this year. The students had to collect ten "vote cards" to qualify for representatives. This year's representatives are Larry Roush, Loretta Wagnon, Gail Williams, and Roshone Joiner. Mrs. Whatley is Junior Class co-ordinator.

(top right) Junior Class officers: Secretary, Tina Carrales; Vice-President, Roger Baker; President, Jacqui Henderson; and Treasurer, Earlene Temple. (middle left) Earlene Temple finds herself locked in the school. (middle right) Junior Class representatives: Roshone Joiner, Loretta Wagnon, Larry Roush, Gail Williams. (lower left) Tina Carrales takes a filmstrip projector to the library. (lower right) Being a good president also means being a good student, and Jacqui Henderson works hard to be both.

Sophomores are proud to support JHS

The Sophomore class officers this year are: (left to right) Pat Bentley, secretary; Arnessa Miller, treasurer; Sandra Brown, vice president; and Jerry Ivey, president. Their sponsor is Mrs. Nash.

The officers meet every Thursday morning at 8:00 to talk over future plans for the Sophomores this year. The officers were very excited about being elected to represent the Sophomore class. They feel that the Sophomores need to show more school spirit and participation in school activities. They also think this year's a great year for Sophomores to get out and do things to support the school.

They sum it up by saying, "This year is really a great year and we're really proud being able to make at least some of it possible."

SOPHOMORES ALL AROUND

"We are grand, we are great, we're the class of '78,

SOPHOMORES!"

This is the familiar cry heard in response to both the Juniors' and Seniors' class yells. The Sophomore yell seems to get the message across that they're here whether the Juniors and Seniors like it or not and they're here to stay.

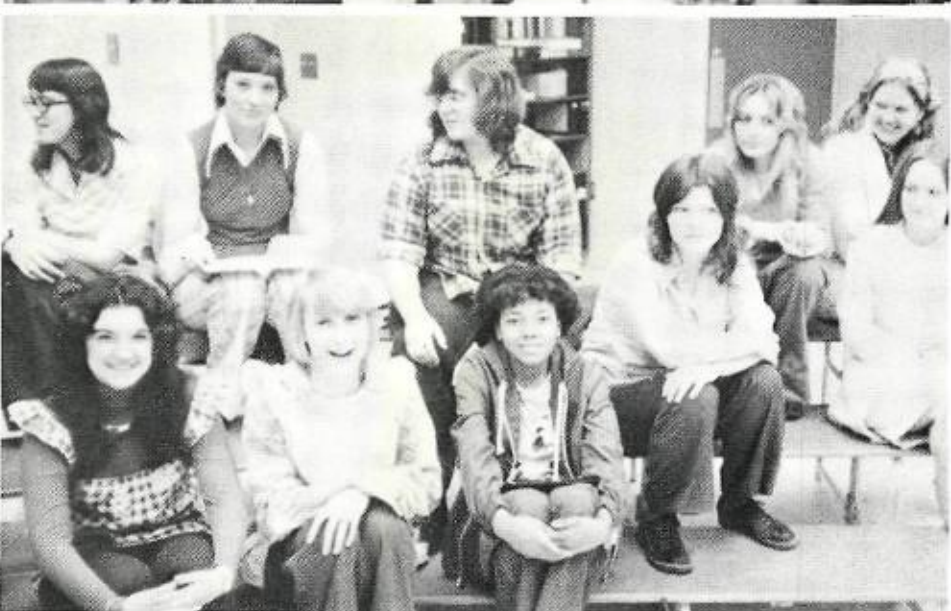

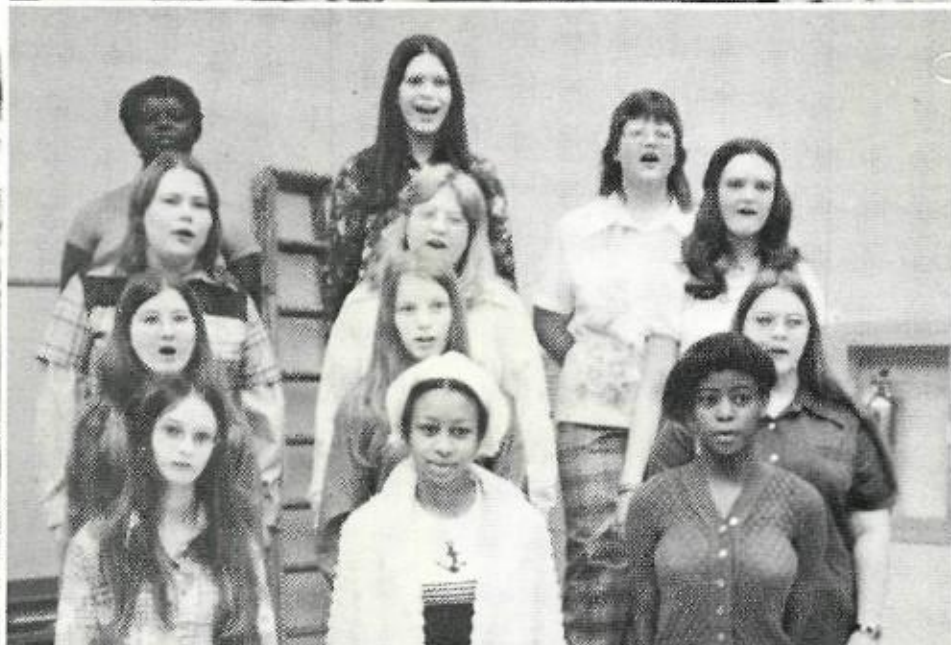

It isn't easy being a Sophomore, but then has it ever been? There are 624 tenth grade students enrolled this year at JHS, the largest class ever!

Many consider the Sophomores as being idle but that's certainly one thing they're not! Sophomores gave support to assemblies, candy drives for the needy and in school clean ups. Sophomores can also be found in choir, band, as library and office aides, in ROTC, drama, and in most any club sponsored at JHS.

This past year has held many difficulties and frustrations, but laughter and promise were forever present. Now instead of looking behind, the Sophomores gaze ahead. Eventually as the coming years are behind, they'll graduate with the familiar yell: "We are grand, we are great, we're the class of '78, SENIORS!" So look ahead to the future, but remember the past experiences as Sophomores at JHS!

1. Drake Lavine keeps an eye on the camera. 2. Students show spirit while Wanda Thomas glances idly about. 3. Bob Johnson breaks for a refreshment after the Christmas parade. 4. Patricia Pickens, Kim Woodworth, Lila Underhill and Colleen Leverett get ready for an hour of typing class. 5. Larry Romack appears to be deep in thought as his picture is taken. 6. Sophomore students, Laura Manning and Delana Summers, casually walk to class.

Wagnon Photography

The Annual Staff would like to recognize Mr. Thomas Wagnon, owner of Wagnon Photography in Jacksonville, as an outstanding contributor to the 1976 Red Devil. He has invested much time in helping to make this yearbook the best ever. His photography work includes club photos, football and basketball team pictures, the pageants, all the class pictures, and the Key Club Sweethearts. We especially wish to thank him for our bicentennial cover picture and the color picture of the seniors.

LOOKING AT O

OUR YEAR 1976

So here we are, looking back at our school year. And what a year it was. It was a patriotic session of school, but then why shouldn't it have been since this was our Bicentennial year.

Although everyone is looking toward the summer, many will miss this school year and the good times brought with it, especially the Seniors. But, the Seniors alone did not make up this whole school year. Juniors and Sophomores got more involved than any of the previous classes at JHS.

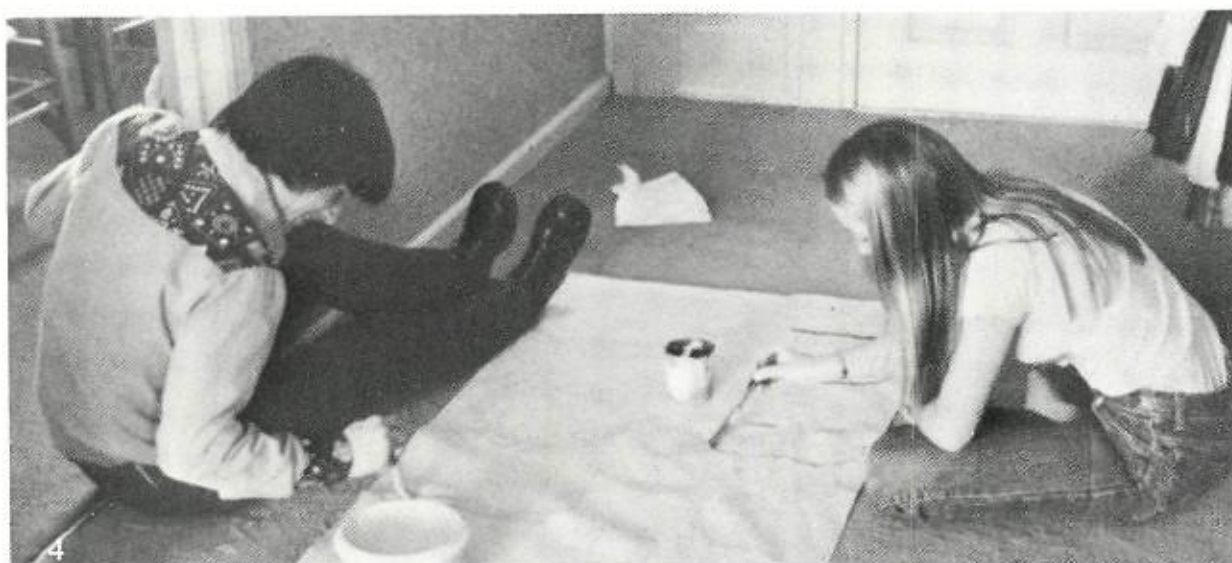

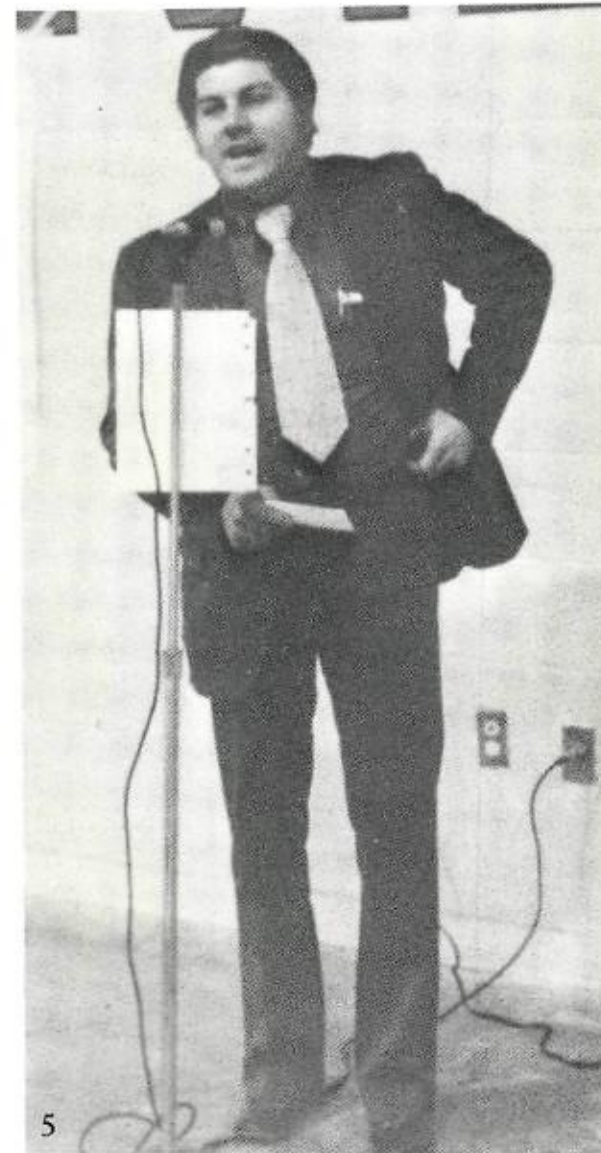

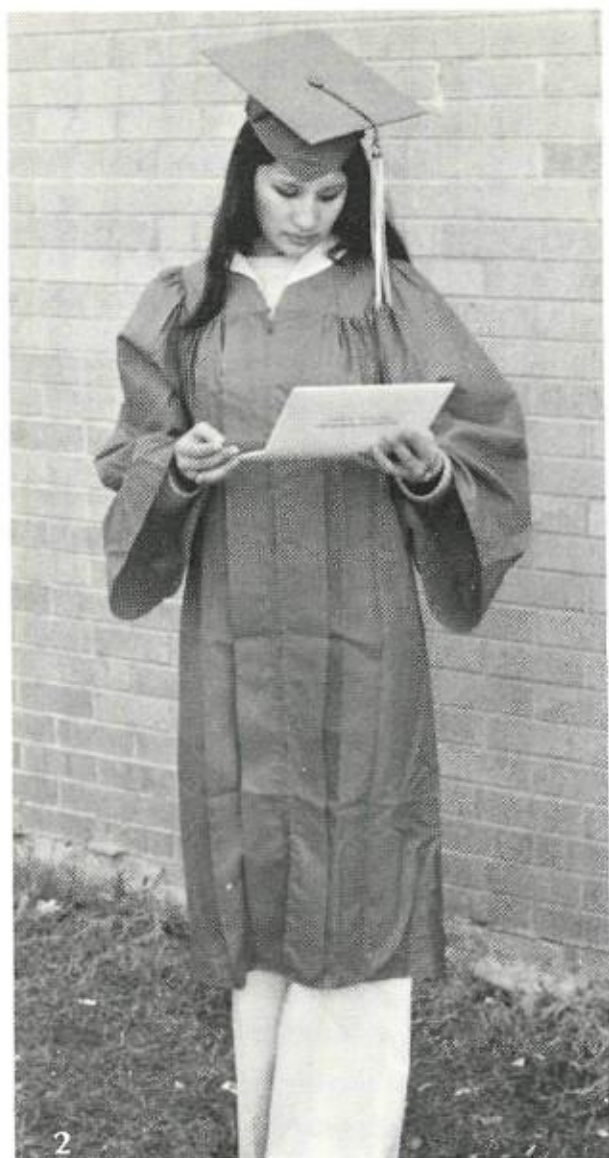

When the spring months arrived, many at JHS realized that it was time for picking officers for organizations for the next year. This was when the Juniors and Sophomores really began to stand out in school.

Spring brought off-season football, track, cheerleader and drill team tryouts, Student Council elections, and the picking of new members for clubs. It seemed that we barely started school; then it was time to start looking for new leaders.

All of this brought us back to the fact that we must close out our school year and our Bicentennial year, and look toward the summer. The 1975-76 Red Devil yearbook staff would like to thank everyone who takes the time to look over our annual. **Here's Looking At You JHS!**

1. Mayor James Reid and Lt. Gov. Joe Purcell present the city with a Bicentennial certificate. 2. Senior Cindy Boyd shows a disgusted look toward the end of the year. 3. Enjoying the spring-like weather are (clockwise) Seniors Jerry Byers, Sarah Mills, Mary Boyd and Linda Webb. 4. Looking over the order form for graduation announcements is Senior Lynn Forrester. 5, 6, 7. Head football coach, Bill Reed, goes through the steps of getting a pie in the face at a JHS pep rally. 2. Senior David Holmes shows his enthusiasm of "exiting" from school. 3. Juniors (clockwise) Rick Edwards, Roxanne Romontio, Terri Bodine, and Charlotte Smith compare their Senior rings. 4. Relaxing while on the phone is Senior Hollis Parker. 5. "Getting down" on washing his car is Junior Sandra "Sam" Edmondson and Senior Todd Rogers.

1. Posing for a "looking" picture are (row 1), Sophomore Ricky Skipper, Senior Lorrye Coleman, Senior Billy Reese, Senior Charles Hogue. (row 2) Junior Peggy Wilson, Senior Ken Grumbine, Senior Alice Owen, Senior Richard Hartman. (row 3) Senior Robin Haynes, Junior Gar Gee, Sophomore Jerry Ivey. 2. Senior Cindy Quinnelly looks over a graduation diploma from JHS. 3. Cleaning out his locker along the main ramp is Senior Jackie Wetzler. 4. Working on a campaign poster at Junior Roxanne Romontio's house are Junior Eddie Jackson and Senior Sharon Reilly. 5. Principal of JHS, Mr. Bobby Lester, gives a speech at a pep rally. 6. Stopping to talk on Stone St. in Jacksonville are Junior Joe Towsley and Senior Sarah Mills. 7. Wrestling in the grass by the track area are Sophomore John Bell and Senior Ricky Brim.

GOOD-BYE
